SUBMISSION OF PAN MANDATORY

As per the Securities and Exchange Board of India (SEBI) circular dated April 27, 2007, with effect from July 02, 2007, Permanent Account Number (PAN) issued by the Income Tax Authorities has been made the sole identification number for all participants transacting in the securities market including mutual funds, irrespective of the amount of transaction.

SEBI has further clarified vide letter dated June 25, 2007, that existing and potential investors, who do not have PAN should apply for PAN immediately and applications for investment should be accompanied with the evidence of having applied for PAN until December 31, 2007.

This means that submission of PAN card copy (along with original for verification which will be returned across the counter) is mandatory for all existing as well as prospective investors (including joint applicants / holders, guardians and NRIs) for investing with mutual funds from this date.

Thus, with effect from July 02, 2007 until December 31, 2007:

1. All fresh investment applications (irrespective of the amount) have to be enclosed with a certified copy of the PAN card.

The certification can be done by any of the following:

- a. The distributor/broker through whom transaction is done or
- b. The offices of Canbank Mutual Fund or
- c. Investor Service Centers of our Registrar & Transfer Agents or
- d. Bank Manager or
- e. Notary

Please note that the original PAN card should be furnished to any of the above for certification.

2. Investment applications without a certified copy of PAN should enclose:

- a. For amount less than Rs. 50,000 - A copy of the evidence of having applied for PAN (acknowledged copy of Form 49A) until PAN is received.
- b. For amount Rs. 50,000 or more - A copy of the evidence of having applied for PAN (acknowledged copy of Form 49A) and a completed Form 60/Form 61 along with address proof, until PAN is received

As soon as you receive your PAN, kindly register your PAN with us by providing your PAN card copy (along with the original for verification which will be returned across the counter).

Applications which do not comply with any of the above requirements are liable to be rejected w.e.f.02.07.2007.

Further, with effect from January 01, 2008, submitting a copy of the evidence of having applied for PAN / Form 60/Form 61 will not be valid and it will be mandatory for all investors to provide a certified copy (as aforesaid) of the PAN card for all investments in the schemes of Canbank Mutual Fund .

KNOW YOUR CUSTOMER (KYC) FORMALITIES

All investors including guardians and power of attorney holders need to complete 'Know Your Customer' (KYC) formalities by completing a KYC application form along with photograph, PAN card and Proof of Address for individuals, or Corporate Documents for bodies corporate, in accordance with the Prevention of Money-Laundering Act, 2002 (PMLA), Rules issued thereunder and the guidelines / circulars issued by SEBI thereto. We request you to complete the said formalities at the earliest.

We have tied up with M/s CVL (CDSL Ventures Ltd) to increase reach and convenience for our investors. Applications for KYC along with PAN may be submitted at any "Point of Service" of CVL. All documents must be submitted in original along with a self-attested copy. The original will be returned across the counter after verification. Investors may also submit notarized copies of the requisite documents.

You will receive an acknowledgement which needs to be submitted to us along with a list of your folio numbers, as evidence of having completed these 2 important regulatory requirements.

As a majority of Mutual Funds have tied up with CVL, you only need to complete these formalities ONCE across all such participating Mutual Funds.

If you have previously completed your KYC formalities via CVL, please submit a copy of your KYC acknowledgement to us along with a list of your folio numbers for verification and update.

All investments in Canbank Mutual Fund need to comply with the PAN and KYC requirements as noted above.

REPORT OF THE BOARD OF TRUSTEES

Dear Investors,

The Trustees have pleasure in presenting their Nineteenth Annual Report and the audited financial statements of the Schemes of Canbank Mutual Fund (the "Fund") for the year ended 31st March, 2007.

MUTUAL FUND INDUSTRY

The Mutual Fund industry witnessed an impressive growth of 41% during the financial year 2006-07. The Assets Under Management (AUM) grew from Rs.2,31,862 crores (as on 31st March, 2006) to Rs.3,26,329 crores (as on 31st March, 2007).

ECONOMIC SCENARIO

The Indian economy witnessed robust growth during 2006-07 for the fourth year in succession. The GDP growth in 2006-07 was 9.2%, driven by growth in manufacturing and services sector. However, agricultural growth slowed down to 2.7% from 6% a year earlier.

Rising inflation level remained a major concern for Reserve Bank Of India (RBI). In the month of February, 2007, it touched a high of 6.73%. Thereafter, for the week ended 17th March, 2007, the inflation level came down to 6.46%, which was way above the upper limit of tolerance band (5.0%-5.5%) projected by the RBI for 2006-07.

Bank credit grew 28% compared to 31.8% in the fiscal year 2005-06, while deposits grew 23% (previous year 18%).

Broad money or M3 grew by 20.8% from 17% at the end of March 2007

With capital inflows pouring in the country, foreign exchange reserves increased by US\$ 47.6 billion during 2006-07 to US\$ 199.2 billion. The rising reserves resulted in a stronger rupee. During the fiscal year 2006-07, the rupee appreciated by 2.3% against the dollar.

EQUITY MARKET OVERVIEW

During the year, the major trend for the equity market remained bullish with the BSE Sensex, the market barometer touching a peak level of 14723.88 (intra day high on 9th February, 2007). The market witnessed intermitant correction phases and high level of volatility. The Sensex closed at 13072.10 on 30th March, 2007 with a gain of about 16% over the close of 31st March, 2006.

The upward movement of the index was mainly because of rise in few stocks. The gain of 16% by BSE Sensex was contributed by just four stocks. Excluding these four stocks, having a weightage of 38% in the Sensex, the market return would have been zero during the FY 2006-07. Similarly, during the same period, the CNX Mid-cap Index generated returns of merely 1%, contributed by a single stock. Excluding the returns by this single stock the mid cap index would have reported a decline of 2%. The number of stocks with negative returns outnumbered those with positive returns.

After the announcement of Union Budget 2007-08 the market entered into a major correction phase. On the Budget day itself market shed 540 points. A disappointing Budget and volatile global markets sparked volatility in the domestic market. High inflation, rising interest rates and monetary measures by RBI also affected the sentiment.

Foreign Institutional Investors (FIIs) and Domestic Mutual Funds, both remained net investors in the equity market during the year. However, there is a significant decline in total investments from both FIIs and domestic mutual funds. Investments by domestic mutual funds in equities contracted by 37% YoY, from net buying of Rs.14,302.20 crs in FY 2006 to Rs.9062.34 crs in FY 2007. Investments of FIIs in equities contracted 46% YoY, from net buying of Rs.48473.8 crs in FY06 to Rs.26032 crs in FY 2007.

The Markets may move in a range in the short term due to rising interest rates and inflation. However, long term trend for market still remains bullish. The medium term outlook for the market will depend on Q4 earnings of the corporate sector.

DEBT MARKET OVERVIEW

Rising inflation level remained the major concern of RBI during the year 2006-07. All the monetary measures taken by the Central Bank were to contain the inflationary pressures on the economy. In a bid to control

CANINFRASTRUCTURE

inflation the RBI hiked its Repo rate five times during the year from 6.50% to 7.75%, and the cash-reserve ratio (CRR) by 1.5 percentage points to 6.5%.

The yields in the Government securities market hardened during the year and the yield curve flattened.

The call money rate edged up during the year in tandem with movements in policy rates. The call rate remained mostly within the corridor set by the RBI's Repo and Reverse Repo rates. However, during the last week of December 2006 and second half of March 2007, the debt market witnessed high level of volatility when the call rate exceeded the Repo rate significantly. Advance tax outflows and hike in CRR resulted in tight liquidity conditions.

RBI's stance to control inflation signals a prolonged spell of tight liquidity and call rates are expected to remain firm in the short term. Commencement of current fiscal's borrowings programme will pressurise yields across the curve. G-Sec yields are likely to remain high in the next few months and the 10Y Benchmark is expected to move in the range of 8.10% to 8.35%.

CANBANK MUTUAL FUND (CMF) – YEAR IN RETROSPECT

FUNDS UNDER MANAGEMENT

Canbank Investment Management Services Ltd. (CIMS Ltd.), the Asset Management Company has been managing eighteen schemes of Canbank Mutual Fund, of which eight are equity oriented schemes, two balanced scheme and eight debt oriented schemes.

At the "Lipper Fund Awards India 2007 " held on 23rd March'07, Canbalance II scheme has won two awards in the Mixed Asset INR Balanced Fund Category for three years and five years performance.

Canbank Investment Management Services Ltd received "**Corporate Excellence Award**" at the 9th International Business Horizon INBUSH 2007 conference held during 21st Feb'07-23rd Feb'07 by Amity International Business School , Noida, U.P.

JOINT VENTURE

Canara Bank entered into a MOU with Robeco Group N.V to form a joint venture. Under the joint venture, Robeco will pick up 49% of the paid-up capital of the Canbank Investment Management Services Ltd, the asset management company of Canbank Mutual Fund. The MOU was signed at Delhi on 19th March 2007 in the presence of Hon Minister of Finance Shri P Chidambaram, Hon Minister of State for Finance Shri P K Bansal and Shri Vinod Rai, secretary, Finance ministry.

MERGER OF SCHEMES

Can D'mat and Cangrowth Plus schemes were merged with Canfortune '94 scheme with effect from 20th March, 2007.

The liabilities and responsibilities of the Trustees and the Settlers in brief is annexed to this report.

The investment objectives and the performance of each Scheme are summarised in the following paragraphs. It is emphasised, at the outset, that as the Schemes permit investments partly or wholly in shares, bonds, debentures and other scrips or securities whose value can fluctuate, the price and redemption value of the units and the income from them can go up or down with the fluctuations in the market value of the underlying investments.

INVESTMENT OBJECTIVE AND PERFORMANCE OF THE SCHEMES

CANINFRASTRUCTURE SCHEME

Caninfrastructure is an open ended equity Scheme launched in October, 2005. The objective of the Scheme is to generate income/capital appreciation by investing in equities and equity related instruments of companies in the infrastructure sector. The pattern of investments comprises of investment in equities (75% to 100%) and in debt & money market instruments upto 25%.

As on 31st March, 2007, the unit capital of the Scheme stood at Rs.61.55 crores (previous year Rs.89.38 crs). The per unit NAV of the Scheme as on 31st March, 2007 was Rs.11.01 & Rs.12.88 under Income Plan and Growth Plan, respectively as compared to Rs.13.11 (Income Plan) and Rs.13.11 (Growth Plan) as on 31st March, 2006.

The Scheme registered a surplus of Rs.23.89 crores during the year (Rs.12.43 crores for the previous year) and the reserves position stands at Rs.10.53 crores as on 31st March, 2007 (Rs.27.82 crores as on 31st March, 2006).

The Scheme declared income distribution of 20% with the payout amounting to Rs.10.20 crores.

The performance of Caninfrastructure Scheme is presented below:

Name of the Scheme	% Returns for				
	Last one year	Last three years	Last five years	Last ten years	*Since inception

Compounded Annualised Returns, **Source:** (Wonderland consultants)

Past performance may or may not be sustained in future.

* Date of Inception/Allotment: December 2, 2005.

FUTURE PROSPECTS

Equity markets have been able to close the year with a gain of about 16% over the previous year's close, not withstanding the intermediate corrections and high volatility.

With the economic growth of 8.5% projected for the FY 2007-08, driven mostly by the domestic consumption growth and high capex spending India remains the preferred investment destination. However, rupee appreciation following strong foreign exchange inflows will be an area of concern for the companies having forex earnings.

After the hefty return of 40% in calendar year 2005, followed by 46% in 2006 by the Sensex we can expect moderate returns from equity markets in the short to medium term.

During the FY 2006-07, High inflation level remained the major area of concern for RBI. RBI in its Annual Policy Statement for the FY2007-08, aims at maintaining the inflation in the range of 4.00%-4.05%, which will be conducive for maintaining self-accelerating growth. If inflation and credit growth remains in the comfort zones set by RBI, there could be trend reversal in the interest rates.

ACKNOWLEDGEMENTS

The Trustees take this opportunity to thank all investors for their support and patronage extended to the Fund. The Trustees also place on record their gratitude to the Government of India, the Securities and Exchange Board of India, the Reserve Bank of India, the Principal Trustee - Canara Bank, the governing Boards of Stock Exchanges, the broking fraternity and the Canbank Mutual Fund agents for their continued support and co-operation.

The Trustees would like to thank the Chairman and Directors, as also the Managing Director and all his colleagues in the Asset Management Company, CIMS Ltd., for their dedicated work.

LIABILITY OF THE SETTLOR

The liability of the Settlor viz. Canara Bank is restricted to an amount of Rs.10 lacs, being the initial contribution. The settlor is the principal Trustee named in the Trust Deed. As an investor, the principal trustee is subject to the risks/rewards attached to the investments made by it in the various schemes.

AUDITORS' REPORT

TO

THE BOARD OF TRUSTEES

CANBANK MUTUAL FUND

We have audited the attached Balance Sheet of CANINFRASTRUCTURE ('the Scheme') as at 31st March, 2007 and the Revenue Account for the year ended on that date annexed thereto.

These Financial Statements are the responsibility of the Trustees and the Asset Management Company. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We report that :

- (a) We have obtained all information and explanations, which, to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion, proper books of accounts as required by law have been kept by the Mutual Fund so far as it appears from our examination of those books;
- (c) The Balance Sheet and Revenue Account dealt with by this report are in agreement with the books of account;
- (d) The Balance Sheet and Revenue Account have been prepared in accordance with the Accounting Policies and Standards as specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Fund) Regulations, 1996;
- (e) In our opinion and to the best of our information and according to the explanations given to us, the statement of accounts read with the notes thereon, give a true and fair view in accordance with the generally accepted accounting principles in India:
 - i) in the case of Balance Sheet, of the state of affairs of the Scheme as at 31st March, 2007 and
 - ii) in the case of Revenue Account, of the surplus of the Scheme for the year ended on that date.

A. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2007.		
1. INCOME RECOGNITION:		
1.1	Income on investments is generally accounted on accrual basis except where there is uncertainty about ultimate recovery. Such income is recognised when the uncertainty is resolved.	
1.2	Dividend is accounted on ex-dividend date for quoted shares and on the date of declaration for unquoted shares.	
1.3	Profit or loss on sale of investments, is recognised on the trade date reckoning the weighted average cost.	
1.4	Accrued income considered doubtful is provided for and charged to Revenue Account.	
1.5	Entry and exit load at the time of sale/purchase of units is offset against selling expenses or expenses incurred for the benefits of the unit-holders in the current year and any surplus in the account is treated as income of the scheme at the Investment Manager discretion.	
2. INCOME EQUALISATION REVENUE:		
2.1	When units are sold/repurchased, an appropriate amount which represents the realized gain at the time of sale/repurchase of units, is credited/debited to equalization account. The balance in the account is transferred to revenue account at the year end without affecting the Net Income of the Fund.	

CANINFRASTRUCTURE

3. EXPENSES:

- 3.1 All expenses are accounted for on accrual basis.
3.2 All provisions on Non-Performing Assets are provided for by charge to the Revenue account.

4. INVESTMENTS:

- 4.1 Investments are accounted on trade dates at cost including brokerage, stamp duty and securities transaction tax (Equity) and any charge included in the brokers bought note.
4.2 Bonus / Right entitlements are recognised on ex-bonus / Right dates.
4.3 Investments are stated at their market/fair value at the balance sheet date.

TRADED (QUOTED)

- 4.3.1 All quoted investments other than thinly traded are considered at closing market rates as at the valuation date.
4.3.2 When a security (other than debt securities) is not traded on any stock exchange on a particular valuation day, the value at which it was traded on the selected stock exchange, or any other stock exchange, as the case may be, on the earliest previous day is used provided, such date is not more than 30 days prior to valuation date.
4.3.3 Quoted equity investments which are not traded for a period of thirty days and quoted debt investments (other than Government Securities) which are not traded on any stock exchange on a particular valuation day, are considered as a "non traded securities."

4.3.4 NON TRADED (UNQUOTED)

Non traded/unquoted/thinly traded investments are valued in "Good faith", by the Investment Manager, on the basis of the valuation principles laid down by SEBI as under:

EQUITY INVESTMENTS

On the basis of capitalization of earnings in combination with net asset value, with an appropriate discount for illiquidity.

DEBT INSTRUMENTS

INVESTMENT GRADE

All Non traded/thinly traded non government debt securities upto 182 days to maturity, are valued on the basis of amortization.

Other non traded/thinly traded/non government debt securities of investment grade, beyond 182 days to maturity, are valued by taking the prices released by an agency (CRISIL), suggested by AMFI on the basis of the valuation principles laid down by SEBI.

NON INVESTMENT GRADE

All non traded/thinly traded/non government/ non investment grade/ non performing debt securities are valued based on the provisioning norms laid down by SEBI.

GOVERNMENT SECURITIES

All government securities are valued by taking the prices released by an agency (CRISIL), suggested by AMFI, on the basis of the valuation principles laid down by SEBI.

CBLO

Collateralized Borrowing and Lending Obligation (CBLO) is valued at cost plus interest accrued till Balance sheet date.

MONEY MARKET

Non traded money market instruments are valued at cost plus interest accrued plus the proportionate share of the difference between cost and redemption value.

REPO

Instruments bought on 'repo' basis are valued at the resale price after deduction of applicable interest upto the date of resale. Instruments sold on 'repo' basis are valued after adjusting the difference between the repurchase price (after deduction of applicable interest upto date of repurchase) and the value of the instrument.

- 4.4 Based on the recommendations of the Guidance Note on Accounting for Investments in the Financial Statements of Mutual Funds by the Institute of Chartered Accountants of India (pursuant to the Eleventh Schedule of the SEBI Regulations) the net unrealised appreciation / depreciation is ascertained on the basis of category of investments. The unrealized appreciation so calculated is transferred to unrealised appreciation reserve, and whereas, depreciation on investments if any, as computed above is provided in the Revenue account.

CANINFRASTRUCTURE

5. DEFERRED REVENUE EXPENDITURE:

Deferred Revenue Expenditure is amortised over a period of five years (i.e., 1825 days) from the date of allotment subject to proportionate adjustments in corpus arising out of redemption/sale of units.

Dear Investor(s),

At the outset, we express our sincere gratitude for your continued patronage. To further enhance the investor services, we are evolving various investor friendly measures from time to time.

While taking good care of your investments, it has also been our endeavour to keep you posted the developments in the capital market, be it the investment scenario or the regulations governing the same through our periodical communications.

As per SEBI Regulations, it is mandatory for all the investors to provide "bank account details" in their applications at the time of subscription to units and in redemption requests. This is intended to avoid fraud/misuse or theft of dividend/repurchase/redemption cheques/warrants in transit.

In case you have not furnished the required details in the past, we request you to fill-in the enclosed format and return the same to us. Unitholder(s) may also use the format for change of the existing Bank Mandate.

It is also mandatory for all unit holders (including joint holders) to provide their Permanent Account Number (PAN) allotted by the Income-tax authorities, as per SEBI guidelines. If the units are held jointly, all the unitholders are required to provide PAN Details and should furnish a copy of PAN Card. Submission of PAN is now specified at the time of investment. The relevant details are furnished in the following page.

Kindly note that Electronic Clearing System (ECS) facility is available in the Centres shown below. If you are having Bank A/c in any of these Centres and wish to avail ECS facility to receive direct credit of dividend proceeds in your Bank A/c, please furnish the 9 digit MICR number appearing at the bottom margin of the cheque book issued by your bank. In the alternative, you may enclose a photo copy of a cheque. Unitholders opting for ECS facility will receive an intimation of the credit of dividends to their account.

Assuring you of our best services, always.

With warm regards,

V. Ramesh Nayak
Sr. Vice President
Head Marketing
