**NAV Disclosure/Portfolio Disclosure**

**NAV DISCLOSURE**

The Direct Plan under the Scheme will have a Separate NAV. The AMC will calculate the NAV of the Scheme on every Business Day. The AMC shall prominently disclose the NAVs of the Scheme under a separate head on the website of the Mutual Fund (www.canararobeco.com) and on the website of AMFI (www.amfiindia.com) before 11.00 p.m. on every Business Day. In case of any delay, the reason for such delay would be explained to AMFI in writing. If the NAVs are not available before the commencement of business hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons and explaining when the Mutual Fund would be able to publish the NAVs.

Further the Mutual Fund / AMC will extend facility of sending latest available NAVs of the Scheme to the Unit holders through SMS upon receiving a specific request in this regard. Also, information regarding NAVs can be obtained by the Unit holders / Investors by calling or visiting the nearest investor service center.

**Portfolio Disclosure:**

The Mutual Fund/AMC shall disclose portfolio (along with ISIN) of the Scheme as on the last day of the month / half year on website of Mutual Fund (www.canararobeco.com) and on the website of AMFI (www.amfiindia.com) within 10 days from the close of each month/ half-year respectively in a user-friendly and downloadable spread-sheet format.

In case of Unit holders whose e-mail addresses are registered, the Mutual Fund / AMC shall send via e-mail both the monthly and half-yearly statement of Scheme portfolio within 10 days from the close of each month/ half-year respectively.

Further, the Mutual Fund/AMC shall publish an advertisement in the all India edition of at least two daily newspapers, one each in English and Hindi, every half-year disclosing the hosting of the half-yearly statement of the Scheme portfolio on the website of the Mutual Fund (www.canararobeco.com) and on the website of AMFI www.amfiindia.com).

Unit holders may request for a physical or electronic copy of the scheme portfolio through SMS, telephone, email, written request (letter) or by choosing the relevant option under the scheme application forms (applicable for new subscribers). A physical copy of the said statement shall be provided free of cost to the Unit holders on specific request.
| Transaction Charges | The AMC shall deduct the Transaction Charges on purchase / subscription of Rs. 10,000/- and above received from first time mutual fund investors and investor other than first time mutual fund investors through the distributor (who have opted to receive the transaction charges for this Scheme type) as under:

- No transaction charges will be deducted for any purchase/subscription made directly with the Fund (i.e. not through any distributor).
- Transactions carried out through the stock exchange mode.

| Option to Hold Units in demat mode | Investors shall have an option to subscribe to/ hold the units in electronic (demat) form in accordance with the guidelines/procedural requirements as laid by the Depositories (NSDL/CDSL) from time to time. In case of SIP, units will be allotted based on the applicable NAV as per provisions of Scheme Information Document and will be credited to demat account of the investors on weekly basis (upon realization of funds). However, Special Products/Facilities such as Systematic Withdrawal Plan, Systematic Transfer Plan and Switching facility offered by Mutual Fund shall be available for unitholders under the scheme in case the units are held/opted to be held in physical (non-demat) mode.

Investors intending to hold units in electronic (demat) form will be required to have beneficiary account with a Depository Participant (DP) (registered with NSDL / CDSL) and will be required to indicate, in the application form, the DP’s name, DP ID Number and the Beneficiary account number of the applicant held with the DP at the time of subscribing to the units. Applicants must ensure that the sequence of the names as mentioned in the application form matches with that of the beneficiary account held with the DP. Names, PAN details, KYC details etc. mentioned in the Application Form will be verified against the Depository records. If the details mentioned in the application form are found to be incomplete / incorrect or not matching with the depository records, the application shall be treated as application for physical (non-demat) mode and accordingly units will be allotted in physical (non demat) mode, subject to it being complete in all other aspects.

Unitholders who have opted to hold and thereby allotted units in electronic (demat) form will receive payment of redemption / IDCW proceeds into bank account linked to their Demat account. In case, the Unitholder desires to hold the Units in a Dematerialized /Rematerialized form at a later date, the request for conversion of units held in physical (non-demat) mode into electronic (demat) form or vice-versa should be submitted alongwith a Demat / Remat Request Form to their Depository Participant(s). Investors should ensure that the combination of names in the account statement is the same as that in the demat account. The allotment of units in demat form shall be subject in terms of the guidelines / procedural requirements as laid by the Depositories (NSDL/CDSL) from time to time. Further, the units held in electronic (demat) form will be transferable in accordance with provisions of Depositories Act, 1996 and the Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 as may be amended from time to time.

| Listing | As the repurchase facility is provided on an ongoing basis, at NAV related prices, the units of the Schemes are not proposed to be listed on any stock exchange. |
I. INTRODUCTION

A. RISK FACTORS

Standard Risk Factors:

I. Mutual Fund Investments are subject to market risks, read all scheme related documents carefully.

II. Mutual Funds and securities investments are subject to market risks and there can be no assurance or guarantee that the objectives of the Scheme will be achieved.

III. Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.

IV. As the price / value / interest rates of the securities in which the Scheme invests fluctuate, the value of your investment in the Scheme may go up or down.

V. The past performance of the Sponsors/AMC/Mutual Fund does not guarantee future performance of the Scheme.

VI. The Name of the scheme do not in any manner indicate either the quality of the Scheme, its future prospects or returns.

VII. Canara Bank and ORIX Corporation Europe N.V (formerly Robeco Groep N. V.), being the Sponsors, are not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 10 Lacs made by it towards setting up Canara Robeco Mutual Fund.

VIII. The present scheme is not a guaranteed or assured return scheme.

Scheme specific Risk Factors

Some of the specific risk factors related to the Scheme include, but are not limited to the following:

I. Risks associated with investment in Equity and Equity related instruments

Equity and equity related securities are volatile and prone to price fluctuations on a daily basis. The liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme portfolio would result at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme portfolio. The liquidity and valuation of the Scheme’s investments due to its holdings of unlisted Securities may be affected if they have to be sold prior to the target date for divestment. All investments involve risks and there can be no guarantee against loss resulting from an investment in any share of the Scheme, nor can there be any assurance that the Scheme’s investment objective will be attained in respect of its overall performance. In certain circumstances the right of the investors of the Scheme may be suspended. Consequently, the NAVs of units issued under the Scheme may be adversely affected.

Further, the Equity and Equity Related Instruments are risk capital and are subordinate in the right of payment to other securities including debt securities, the value of the Scheme investments may be affected by interest rates, currency exchange rates, changes in law / policies of the government, taxation laws and political, economic or other developments which may have an adverse bearing on individual Securities, a specific sector or all sectors. Investments in equity and equity related securities involve a degree of risk and investors should not invest in the equity Schemes unless they can afford to take the risk of losing their investment.

The Fund Manager of the Scheme may invest in the Securities of smaller, lesser-known companies. These investments may involve greater risk and the possibility of greater portfolio price volatility than investing in larger, more mature or better-known firms. Amongst other reasons for the greater price volatility of Securities of small companies and unseasoned stocks are the less certain growth prospects of smaller firms, the lower degree of liquidity of the markets for such stocks, and the greater sensitivity of small companies to changing economic conditions. For example, these companies are associated with higher investment risk than that normally associated with larger firms due to the greater business risks of Small size and limited product lines, markets, distribution channels and financial and managerial resources. Such Securities, including those of newer or recently restructured companies or those which may have experienced financial difficulties, may be more volatile in price than larger capitalized stocks.

Securities which are not quoted on the stock exchanges are inherently illiquid in nature and carry a larger liquidity risk in comparison with securities that are listed on the exchanges or offer other exit options to the investors, including put options. The AMC may choose to invest in unlisted securities that offer attractive yields within the regulatory limit. This may however increase the risk of the portfolio. Additionally, the liquidity and valuation of the Scheme investments due to its holdings of unlisted securities may be affected if they have to be sold prior to the target date of disinvestment.
The value of the Scheme investments may be affected by factors affecting capital markets generally, such as price and volume volatility in the stock markets, interest rates, currency exchange rates, foreign investments, changes in government policy, political, economic or other developments and closure of the stock exchanges.

Investment made in unlisted equity or equity-related securities may only be realisable upon listing of these securities. Trading volumes, settlement periods and transfer procedures may restrict liquidity of investments in equity and equity related securities. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. The length of the settlement may affect the Scheme in the event the Scheme has to meet large number of redemption.

II. Risks associated with investments in Fixed Income Securities

Price-Risk or Interest - Rate Risk: Fixed income securities such as government bonds, corporate bonds debentures, and money market instruments and derivatives run price - risk or interest - rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices depends upon the coupon and maturity of the security is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. It also depends upon the yield level at which the security is being traded.

Re - investment Risk: Investments in fixed income securities may carry re - investment risk as interest rates prevailing on the interest or coupon payment or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.

Liquidity or Marketability Risk: This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today characteristic of the Indian fixed income market.

Pre-payment Risk: Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund.

Basis Risk: The underlying benchmark of a floating rate security or a swap might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio.

Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

Liquidity Risk: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio

Credit Risk: In simple terms this risk means that the issuer of a debenture / bond or a money market instrument may default on interest payments or in paying back the principal amount on maturity. Even when there is no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however is to be noted that where the Scheme has invested in Government securities, there is no credit risk to that extent.

Liquidity Risk on account of unlisted securities: The liquidity and valuation of the Scheme investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

Settlement Risk: Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.

Different types of securities in which the scheme would invest as given in the Scheme Information Document carry different levels and types of risk. Accordingly the scheme’s risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds, which are AA rated, are comparatively more risky than bonds, which are AAA rated.
III. Risk associated with investing in Derivatives

As and when Scheme trades in the derivatives market, there are risk factors and issues concerning the use of derivatives that investors should understand. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but also of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is a possibility that loss may be sustained by the portfolio as a result of the failure of another party (usually referred as the "counter party") to comply with the terms of the derivatives contract. Other risk in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

Derivatives are highly leveraged instruments. Even a small price movement in the underlying security could have a large impact on their value. Derivatives can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the Fund Manager to identify such opportunities. Identification and execution of the strategies to be pursued by the Fund Manager involve uncertainty and decision of Fund Manager may not always be profitable. No assurance can be given that the Fund Manager will be able to identify or execute such strategies. The risk associated with the use of derivatives is different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments. Derivatives may be riskier than other types of investments because they may be more sensitive to changes in economic or market conditions than other types of investments and could result in the losses that significantly exceed the Scheme’s original investment. Certain derivatives may give rise to a form of leverage. Due to the low margin deposits normally required in trading financial derivative instruments, an extremely high degree of leverage is typical for trading in financial derivative instruments. As a result, the Scheme may be more volatile than if the Scheme had not been leveraged because the leverage tends to exaggerate the effect of any increase or decrease in the value of the Scheme’s portfolio. A relatively small price movement in a derivative contract may result in substantial losses to the investor.

Derivatives are also subject to the risk that changes in the value of a derivative may not correlate perfectly with the underlying asset, rate or index. The use of derivatives for hedging or risk management purposes or to increase income or gain may not be successful; resulting in losses to the Scheme and the cost of such strategies may reduce the Scheme’s returns and increase the Scheme’s potential for loss.

The Scheme may use derivatives to hedge market and currency risk, and for the purposes of efficient portfolio management. The use of derivatives may expose the Scheme to a higher degree of risk. In particular, derivative contracts can be highly volatile, and the amount of initial margin is generally small relative to the size of the contract so that transactions are geared.

The price at which credit default swaps trades may differ from the price of the credit default swaps’ referenced security. In adverse market conditions, the basis (difference between the spread bonds and the spread of credit default swaps) can be significantly more volatile than the credit default swaps’ referenced securities.

Trading in derivatives has the following risks:

a) An exposure to derivatives in excess of the hedging requirements can lead to losses.

b) An exposure to derivatives can also limit the profits from a genuine investment transaction.

c) Efficiency of a derivative market depends on the development of a liquid and efficient market for underlying securities.

d) Particular Risks of Exchange Traded Derivative Transactions

The securities exchange on which the shares of the Scheme may be listed may have the right to suspend or limit trading in all securities which it lists. Such a suspension would expose the Scheme to losses and delays in its ability to redeem shares of the Scheme.

e) Stock Market Fluctuations

Investors may note that the value of their investment may fall as well as rise and they may get back less than they originally invested. The value of equity securities may go down as well as up in response to the performance of individual companies and general market conditions.

f) Dividends/IDCW

The Scheme may distribute not only investment income, but also realised capital gains or capital. Where capital is distributed, this will result in a corresponding reduction in the value of shares of the Scheme, and a reduction in the potential for long-term capital growth.
g) **Warrants**
The Scheme may invest in warrants, the values of these warrants are likely to fluctuate more than the prices of the underlying securities because of the greater volatility of warrant prices.

h) **Futures and Options**
The Scheme may use options and futures on securities, indices and interest rates for the purpose of efficient portfolio management.

Transactions in futures and options carry a high degree of risk. A relatively small market movement will have disproportionate larger impact which may work for or against the investor. The placing of certain orders which are intended to limit losses to certain amounts may not be effective because market conditions may make it impossible to execute such orders.

i) **Listing**
In case the shares of the Scheme are listed, the exchanges on which those shares are listed will have no responsibility for the contents of any prospectus issued by the Scheme or will make no representations as to its accuracy or completeness and expressly disclaim any liability whatsoever for any kind of loss arising from or in reliance upon any part of any such prospectus.

IV. **Risk associated with Investing in Foreign Securities**
For investments in American Depository Receipts (ADRS) / Global Depository Receipts (GDRs) and such other offshore investments (as and when permitted), the market values of which depend generally on factors such as multi-currency, multi-market situations, political / economic factors and international regulations.

**Currency Risk:** Investment in other currencies involve currency risks. The Scheme’s exposure in foreign securities, income distributions etc. may be adversely affected due to change in the exchange rates of such foreign currencies in relation to Indian Rupee.

**Interest Rate Risk:** The pace and movement of interest rate cycles of various countries, can differ significantly leading to an exposure in their interest rates.

**Credit Risk:** Though the investments in overseas securities are subject to credit risks, this is substantially reduced as investments are made only in rated securities as stipulated under the regulations.

V. **Risk factors associated with Creation of Segregated Portfolio**
Investor holding units of segregated portfolio may not able to liquidate their holding till the time recovery of money from the issuer. Security comprising of segregated portfolio may not realise any value. Listing of units of segregated portfolio in recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further, trading price of units on the stock market may be significantly lower than the prevailing NAV.

VI. **Risk associated with investing in Securitized Debt**
The Scheme may invest in domestic securitized debt such as Asset Backed Securities (ABS) or Mortgage Backed Securities (MBS). ABS are securitized debts where the underlying assets are receivables arising from various loans including automobile loans, personal loans, loans against consumer durables, etc. MBS are securitized debts where the underlying assets are receivables arising from loans backed by mortgage of residential / commercial properties.

At present in Indian market, following types of loans are securitized
- a) Auto Loans (cars / commercial vehicles / two wheelers)
- b) Residential Mortgages or Housing Loans
- c) Consumer Durable Loans
- d) Personal Loans
- e) Corporate Loans

In terms of specific risks attached to securitization, each asset class would have different underlying risks. Residential Mortgages generally have lower default rates than other asset classes, but repossession becomes difficult. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Asset classes like personal loans, credit card receivables are unsecured and in an economic downturn may witness higher default. A corporate loan / receivable, depend upon the nature of the underlying security for the loan or the nature of the receivable and the risks correspondingly fluctuate.

The rating agencies define margins, over collateralization and guarantees to bring risk in line with similar AAA rated securities. The factors typically analyzed for any pool are as follows:
- a) Assets securitized and Size of the loan: This indicates the kind of assets financed with the loan and the average ticket size of the loan. A very low ticket size might mean more costs in originating and servicing of the assets.
b) Diversification: Diversification across geographical boundaries and ticket sizes might result in lower delinquency.
c) Loan to Value Ratio: Indicates how much % value of the asset is financed by borrower’s own equity. The lower this value the better it is. This suggests that where the borrowers own contribution of the asset cost is high; the chances of default are lower.
d) Average seasoning of the pool: This indicates whether borrowers have already displayed repayment discipline. The higher the number, the more superior it is.

The other main risks pertaining to Securitised debt are as follows:

1. **Prepayment Risk:** This arises when the borrower pays off the loan sooner than expected. When interest rates decline, borrowers tend to pay off high interest loans with money borrowed at a lower interest rate, which shortens the average maturity of ABSs. However, there is some prepayment risk even if interest rates rise, such as when an owner pays off a mortgage when the house is sold or an auto loan is paid off when the car is sold.

2. **Reinvestment Risk:** Since prepayment risk increases when interest rates decline, this also introduces reinvestment risk, which is the risk that the principal can only be reinvested at a lower rate.

3. **Risks associated with Short Selling:** Purchasing a security entails the risk of the security price going down. Short selling of securities (i.e. sale of securities without owning them) entails the risk of the security price going up there by decreasing the profitability of the short position. Short selling is subject to risks related to fluctuations in market price, and settlement/liquidity risks. If required by the Regulations, short selling may entail margin money to be deposited with the clearing house and daily mark to market of the prices and margins. This may impact fund pricing and may induce liquidity risks if the fund is not able to provide adequate margins to the clearing house. Failure to meet margin requirements may result in penalties being imposed by the exchanges and clearing house.

VII. **Risks Associated with investing in Money Market Instruments**

- Investments in money market instruments would involve a moderate credit risk i.e. risk of an issuer’s inability to meet interest and principal payments.
- Money market instruments may also be subject to price volatility due to factors such as changes in interest rates, the general level of market liquidity and market perception of creditworthiness of the issuer of such instruments.
- The NAV of the Units, to the extent that the corpus of the Scheme is invested in money market instruments, will be affected by changes in the level of interest rates. When interest rates in the market rise, the value of a portfolio of money market instruments can be expected to decline.

VIII. **Risk associated with Securities Lending**

Securities lending may involve the risk of default on the part of the borrower. However, this is unlikely to happen if the stock lending is carried out for stocks which are in dematerialised form and through an authorised stock lending scheme, subject to appropriate Regulations. The Investment Manager perceives such situations to be exceptional in nature. Although the Stock Market in India is still developing, considering the good demand for listed / quoted Equity Shares of reputed companies, the Scheme(s) may choose to meet repurchase needs through temporary borrowings, within the permissible limits.

IX. **Risk Factors Associated with Investments in REITs and InvITs:**

- **Market Risk:** REITs and InvITs Investments are volatile and subject to price fluctuations on a daily basis owing to factors impacting the underlying assets. AMC/Fund Manager’s will do the necessary due diligence but actual market movements may be at variance with the anticipated trends.
- **Liquidity Risk:** As the liquidity of the investments made by the Scheme could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.
- **Reinvestment Risk:** Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or IDCW pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.
- **Regulatory/Legal Risk:** REITs and InvITs being new asset classes, rights of unit holders such as right to information etc may differ from existing capital market asset classes under Indian Law.

X. **Risks associated with investing in Tri Party Repo through CCIL (TREPS):**

All the market repo and Tri-party repo, are settled through Clearing Corporation of India Limited (CCIL). CCIL acts as a Central Counterparty (CCP) to all trades received for settlement.

Risk of exposure in the TREPS, Repos & Reverse Repos in Government Securities/Treasury Bills emanates mainly on two counts – Risk of failure by a lender to make funds available or by a borrower to provide adequate collateral security to accept the fund at the first leg of borrowing and lending under Tri-party Repo transaction or Repo transactions in Government Securities / treasury Bills. Risk of default by a borrower in repayment.
XI. Other Risks

In the event of substantial investment by the Sponsor/s, or its associates in the Scheme(s), any redemption by these entities may have an impact on the performance of the Scheme(s)

Canara Robeco Mutual Fund will not be responsible for any loss of tax benefits in the event of winding up of the Scheme(s) or for any amendments in the tax laws that may affect the tax benefits available under the Scheme(s). The tax benefits are based on the present laws and rules in force.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. In case the Scheme does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall be complied within each subsequent calendar quarter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days' notice to redeem his exposure over the 25% limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. SPECIAL CONSIDERATIONS

• Prospective investors should study this Scheme Information Document and Statement of Additional Information carefully in its entirety and should not construe the contents hereof as advise relating to legal, taxation, financial, investment or any other matters and are advised to consult their legal, tax, financial and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, before making a decision to invest / redeem / hold Units.

• Neither this Scheme Information Document, Statement of Additional Information nor the Units have been registered in any jurisdiction. The distribution of this Scheme Information Document or Statement of Additional Information in certain jurisdictions may be restricted or totally prohibited due to registration requirements and accordingly, persons who come into possession of this Scheme Information Document or Statement of Additional Information are required to inform themselves about and to observe any such restrictions and / or legal compliance requirements.

• The AMC, Trustees or the Mutual Fund have not authorized any person to issue any advertisement or to give any information or to make any representations, either oral or written, other than that contained in this Scheme Information Document or the Statement of Additional Information or as provided by the AMC in connection with this offering. Prospective Investors are advised not to rely upon any information or representation not incorporated in the Scheme Information Document or Statement of Additional Information or as provided by the AMC as having been authorized by the Mutual Fund, the AMC or the Trustees.

• Mutual Fund, their Trustees, AMC, their directors, their employees & Sponsors shall not be liable for any of the tax consequences that may arise, in the event that the Scheme is wound up for the reasons and in the manner provided in 'Statement of Additional Information ('SAI')'.

• Redemption due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. Mutual Fund, their Trustees, AMC, their directors, their employees & Sponsors shall not be liable for any such tax consequences that may arise due to such redemptions.

• The liquidity of the Scheme’s investments inherently restricted by trading volumes and settlement periods. In the event of an inordinately large number of redemptions or of a restructing of the Scheme’s investment portfolio, there may be delays in the redemption of units. Please refer to the section on “Right to limit redemption”.

• The value of the Scheme’s investments may be affected by factors affecting capital markets generally, such as price and volume volatility in the stock markets, interest rates, currency exchange rates, foreign investments, changes in government policy, political, economic or other developments and closure of the stock exchanges. The NAV of the Scheme will be sensitive to changes in Interest / Bank / Prime Lending Rates. In case of investment in Money Market Instruments and in Central / State Govt. Securities by the Scheme, an increase in the Interest / Bank / Prime Lending Rates will impact the market value of existing investments leading to decrease in the Scheme’s NAV.
Debt securities are subject to the risk of an issuer’s inability to meet principal and interest payments on the obligations (Credit Risk). Debt securities may also be subject to price volatility due to such factors as interest sensitivity, market perception or creditworthiness of the issuer and general market liquidity (Market Risk). While it is the intention of the Investment Manager to invest primarily in highly rated debt securities, the Scheme may from time to time invest in higher yielding, lower rated securities but not below investment grade and also in un-rated securities subject to provisions and restrictions laid down by SEBI, which would enhance the degree of risk. Changes in Government Policy in general and changes in tax benefits applicable to mutual funds may impact the returns to investors in the Scheme. The NAV of the scheme may be affected by the changes in the general market conditions, factors and forces affecting capital market in particular, level of interest rates, various market related factors, settlement periods and transfer procedures. If a Unit Holder invests in the schemes and acquire a substantial portion of the scheme units. The repurchase of units by the Unit Holder may have an adverse impact on the units of the schemes, because the timing of such repurchase may impact the ability of other Unit holders to repurchase their units.

The tax benefits described in this SID and SAI are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India as on the date of this Scheme Information Document and the Unit holders Investors should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Investor is advised to consult his/her own professional tax advisor.

The NAV of the scheme may be affected by the changes in the general market conditions, factors and forces affecting capital market in particular, level of interest rates, various market related factors, settlement periods and transfer procedures.

If a Unit holder invests in the schemes and acquire a substantial portion of the scheme units. The repurchase of units by the Unit Holder may have an adverse impact on the units of the schemes, because the timing of such repurchase may impact the ability of other Unit holders to repurchase their units.

The AMC and/ or its Registrars & Transfer Agent (RTA) reserve the right to disclose/share Unit holder’s details of folio(s) and transaction details there under with the following third parties:

a) RTA, Banks and/or authorized external third parties who are involved in transaction processing, dispatching etc., of the Unitholder’s investment in the Scheme;

b) Distributors or sub-brokers through whom the applications are received for the Scheme;

c) Any other organizations for compliance with any legal or regulatory requirements or to verify the identity of the Unitholders for complying with anti-money laundering requirements.

The AMC may consider the overall level of risk of the portfolio, invest in lower rated / un-rated securities, offering higher yields as well as zero coupon securities that offer attractive yields. This may increase the absolute risk of the portfolio.

Any disruption in the normal functioning of the Debt market or extreme illiquidity in any one of the Scheme’s Securities, may affect the ability of The Fund Manager to buy or sell freely in the market. In the event of a large number of repurchase requests, the time taken by the Scheme for repurchase may become significant.

It may be noted that no prior intimation/indication would be given to investors when the composition asset allocation pattern of the Scheme undergo changes within the permitted band as mentioned in this document. In the event of substantial investment by the Sponsors and its associates in the scheme of the Mutual Fund, redemption of units by these entities may have an impact on the performance of the Scheme.

Investors should study this Scheme Information Document carefully in its entirety and should not construe the contents hereof as advice relating to legal, taxation, investment or any other matters. Investors may, if they wish, consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, before making a decision to invest/redeem Units. Canara Robeco Mutual Fund will not be responsible for any loss of tax benefits in the event of winding up of the Scheme or for any amendment in tax laws that may affect the tax benefits available under the Scheme. The tax benefits are based on the present laws and rules in force.

The Mutual Fund may disclose details of the Investor’s account and transactions thereunder to those intermediaries whose stamp appears on the application form. In addition, the Mutual Fund may disclose such details to the bankers / its agents, as may be necessary for the purpose of effecting payments to the Investor. Further, the Mutual Fund may disclose details of the Investor’s account and transactions thereunder to any Regulatory/ Statutory entities as per the provisions of law.

The AMC sub-advises Robeco, Hongkong for Indian Securities pursuant to No Objection issued by SEBI vide its letter dated 29th June, 2011. The AMC is also the Portfolio Manager pursuant to Certificate of Registration INP000003740 dated 5th July, 2016 granted by SEBI.
• Controls and safeguards prescribed under the Regulation for managing the other business activities of AMC as mentioned above are being adhered to and there is no conflict of interest in managing the Schemes of the Fund and the said business activities of AMC. The AMC will ensure that any potential conflicts between other business activities and the Mutual Fund will be adequately addressed by (a) compliance with the requirements under Regulation 24(b) of the SEBI (Mutual Funds) Regulations, 1996 which require that the AMC cannot undertake any activity which is in conflict with the activities of the mutual fund; (b) ensuring that the fund manager(s) of each scheme of the Mutual Fund, will not play any role in the day-to-day operations of the other business activities, and the key investment team of the other business activities is not involved with the activities of the Mutual Fund; and (c) ensuring that there is no interese transfer of assets between the Mutual Fund and any account of the investor under Portfolio Management Services.

• Pursuant to the provisions of Prevention of Money Laundering Act, 2002, if after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, on failure to provide required documentation, information, etc. by the unit holder the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND and / or to freeze the folios of the investor(s), reject any application(s) / redemptions / allotment of units.

• SEBI vide its circular dated June 15, 2022, as amended from time to time, has made it mandatory for investors subscribing to mutual fund units on or after October 1, 2022, to either provide nomination details or opt out of nomination in prescribed format. Further, all existing individual unit holder(s) (either sole or joint) are required to provide nomination / opt out of nomination by January 01, 2024 or such other timeline as may be notified by SEBI from time to time failing which their folios shall be frozen for debits.

Know Your Customer (“KYC”): The need to ‘Know Your Customer’ is vital for the prevention of money laundering. The Trustees / AMC may seek information or obtain and retain documentation used to establish identity. It may re-verify identity and obtain any missing or additional information for this purpose. The Trustees / AMC shall have absolute discretion to reject any application, or prevent further transactions by a Unit holder, if after due diligence, the Investor / Unit holder / a person making the payment on behalf of the Investor does not fulfill the requirements of the ‘Know Your Customer’ or the Trustees / AMC believes that the transaction is suspicious in nature as regards money laundering. In this behalf the Trustees / AMC reserves the right to reject any application and / or effect a mandatory Redemption of Units allotted to the Unit holder. If after due diligence, the Trustees / AMC believes that any transaction is suspicious in nature as regards money laundering, the AMC shall report any such suspicious transactions to competent authorities under PMLA and rules / guidelines issued thereunder by SEBI and / or the RBI, furnish any such information in connection therewith to such authorities and take any other actions as may be required for the purposes of fulfilling its obligations under PMLA and rules / guidelines issued thereunder by SEBI and / or RBI without obtaining the prior approval of the Investor / Unit holder / any other person.

As per SEBI circular No MRD/DoP/Cir- 05/2007 dated April 27, 2007, in order to strengthen the Know Your Client (KYC) norms and identify every participant in the securities market with their respective Permanent Account Number (PAN) thereby ensuring sound audit trail of all the transactions, PAN shall be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transactions (except for specifically exempted cases). Exempted investors are required to provide alternate proof of identity in lieu of PAN for KYC purposes and are allotted PAN-exempt KYC Reference Number (PEKRN). Valid PAN/PEKRN and KYC is mandatory for all financial transactions including non-investor initiated. If not furnished, then from April 1, 2023, the impact on non-investor initiated transactions shall include:

1. No investments (Systematic transaction, lumpsum, redemption) shall be permitted in such folios wherein PAN/ PEKRN details are not available.

2. Such non compliant folios shall be liable for freezing w.e.f 1st April 2023

3. Further, non-investor-initiated transactions such as dividend pay-out, if any, declared by the Mutual Fund schemes shall also be disallowed.

4. Such payment when due shall be made electronically only upon complying with the PAN/PEKRN requirements.

5. PAN / PEKRN (as may be applicable) needs to be provide in respect of all joint holders.

<tr>
<td><strong>Macaulay duration</strong></td>
<td>The Macaulay duration of a bond is the weighted average maturity of cash flows, which acts as a measure of a bond’s sensitivity to interest rate changes. It is a measure of the average life of the bond taking into account the coupon payments as well as the repayment of principal. Expressed in Years or in Days, Macaulay Duration is directly proportional to interest rate risk i.e. Higher the Macaulay duration, higher would be the interest rate risk.</td>

   Investment in Derivatives can be upto 40% of the Net Assets of the Scheme.

   Gross investments in securities under the Scheme which includes equities, equity related instruments/securities, debt securities, money market instruments, REITs/ InvITs and derivatives will not exceed 100% of the net assets of the Scheme or such other limits as may be permitted by SEBI from time to time. The Scheme may take derivatives position based on the opportunities available subject to the guidelines issued by SEBI from time to time and in line with the overall investment objective of the Scheme. These may be taken to hedge the portfolio, rebalance the same or to undertake any other strategy as permitted under the SEBI Regulations. Exposure by the scheme in derivative shall be in accordance with Para 12.25 of SEBI Master Circular for Mutual Funds dated May 19, 2023, as may be amended from time to time.

   Investment by the Scheme in ADRs/GDRs shall not exceed 10% of the net assets of the Scheme as on the date of such investments.

   The Scheme may invest in Foreign Securities up to 10% of the net assets of the Scheme. However, investment in ADRs/GDRs would be included under the overall investment limits set for foreign securities.

   The stock lending done by the Scheme (if any) shall not exceed 25% of the net assets of the Scheme as on the date of such lending. Process for lending securities shall be in accordance with the guidelines on securities lending and borrowing issued by SEBI from time to time.

   Exposure by the Scheme in Securitised Debt shall not exceed 35% of the Net Assets of Scheme at the time of investment. The scheme may invest in Units issued by REITs and InvITs as per SEBI guidelines.

   Pending deployment of the corpus of the Scheme in terms of investment objective, the Fund may invest the corpus of the Scheme in short term deposits of scheduled commercial banks in accordance with the guidelines issued by SEBI from time to time. The AMC shall not charge investment management and advisory fees on such investments.

   As per the provisions of Para 4.4 of SEBI Master Circular for Mutual Funds dated May 19, 2023. The AMC, may create segregated portfolio in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA) below a specified rating level (Subject to guideline specified by SEBI which may change from time to time).

   The creation of segregated portfolio shall be optional and at the discretion of Canara Robeco AMC Ltd.
Changes in Investment Pattern:
The above asset allocation pattern is not absolute and can vary depending upon the AMC’s perception of the markets. The asset allocation pattern indicated above may thus be altered substantially on defensive considerations.
Subject to the SEBI Regulations, the asset allocation pattern of the schemes indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute. These proportions can vary depending upon the perception of the Investment Manager; the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be for short term and for defensive consideration only.
Pursuant to Para 1.14.1.2 of SEBI Master Circular for Mutual Funds dated May 19, 2023, the tentative portfolio break-up mentioned above with minimum and maximum asset allocation can be altered for a short-term period on defensive considerations. In this event where the asset allocation falling outside the limits specified in the asset allocation table due to defensive considerations (active breaches), the Scheme will rebalance the portfolio within thirty (30) days. However, justification for the same shall be provided to the Investment Committee in writing. The Investment Committee shall then decide on the course of action.
Further pursuant to Para 2.9 of SEBI Master Circular for Mutual Funds dated May 19, 2023, in the event where the asset allocation is falling outside the limits specified in the asset allocation table due to passive breaches (occurrence of instances not arising out of omission and commission of AMC), the Scheme will rebalance the portfolio within thirty (30) business days. However, if market conditions do not permit the Fund Manager to rebalance the portfolio of the Scheme within the stipulated period of thirty (30) business days, justification in writing including details of efforts taken to rebalance the portfolio for the same shall be provided to the Investment Committee. The Investment Committee shall then decide on the course of action and if they so desires can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period. Further, compliances relating to disclosures etc. shall be adhered in line with the said circular.
In line with abovementioned Para 2.9 of SEBI Master Circular for Mutual Funds dated May 19, 2023, AMC shall report the deviation to Trustees at each stage. Further, in case the AUM of deviated portfolio is more than 10% of the AUM of main portfolio of scheme:
• AMCs shall immediately disclose the same to the investors through SMS and email / letter including details of portfolio not rebalanced.
• AMCs shall also immediately communicate to investors through SMS and email / letter when the portfolio is rebalanced.
AMCs shall also disclose any deviation from the mandated asset allocation to investors along with periodic portfolio disclosures as specified by SEBI from the date of lapse of mandated plus extended rebalancing timelines. It may please be noted that the AMC shall adhere to all the SEBI guidelines regarding the rebalancing of the asset allocation as stipulated from time to time.
Limits to make Overseas Investments:
Pursuant to SEBI Circulars Nos. SEBI/IMD/CIR No.2/122577/08 dated April 8, 2008, SEBI/IMD/CIR No. 7/104753/07 dated 26th September, 2007, SEBI/IMD/DF3/CIR/P/2020/225 dated November 05, 2020 and SEBI/HO/IMD/IMD-II/DOF3/CIR/2021/571 June 03, 2021, the Scheme is permitted to make overseas investments subject to the maximum of $1 billion per mutual fund, within the overall industry limit of US $7 billion or such other limit as prescribed by SEBI from time to time.
Subject to approval from RBI/SEBI, the Fund may open foreign currency accounts abroad directly or through its Custodian to facilitate investments and to deal in currency contracts, futures, options for the purpose of hedging the risk of assets. The Fund may also appoint intermediaries, sub- custodians or other agencies for managing and administering such investments.
Exposure to Derivatives:
The Scheme shall follow exposure limits on Derivatives as per the exposure limits permitted under the SEBI Regulations and circulars issued from time to time and shall be within the limits prescribed by the Board of Trustees. SEBI vide its circular no. DNPD/Cir-29/2005 dated September 14, 2005 permitted mutual funds to participate in derivatives trading subject to the observance of guidelines issued by SEBI. Mutual Funds are permitted to participate in the derivatives market at par with Foreign Institutional Investors (FII). Accordingly, the mutual funds shall be treated at par with a registered FII in respect of position limit in index futures, index options, stock options and stock futures contracts. The Mutual Fund will be considered as trading members like registered FIs and the schemes of Mutual Funds will be treated as clients like sub-accounts of FIs. As a part of the fund management process, the AMC may use appropriate derivative instruments in accordance with the investment objectives of the Scheme and as per procedure prescribed under the stated circular.
Inter Scheme Transfers (“IST”) of Securities

As per the provisions of Para 12.30 of SEBI Master Circular for Mutual Funds dated May 19, 2023, ISTs may be allowed in the following scenarios:

a) For meeting liquidity requirement in a scheme in case of unanticipated redemption pressure:
   AMC shall have an appropriate Liquidity Risk Management (LRM) Model at scheme level, approved by Trustees, to ensure that reasonable liquidity requirements are adequately provided for. Recourse to ISTs for managing liquidity will only be taken after the following avenues for raising liquidity have been attempted and exhausted:
   I. Use of scheme cash & cash equivalent
   II. Use of market borrowing
   III. Selling of scheme securities in the market
   IV. After attempting all the above, if there is still a scheme level liquidity deficit, then out of the remaining securities, outward ISTs of the optimal mix of low duration paper with highest quality shall be effected.

The use of market borrowing before ISTs will be optional and Fund Manager may at his discretion take decision on borrowing in the best interest of unitholders. The option of market borrowing or selling of security as mentioned at point II & III above may be used in any combination and not necessarily in the above order. In case option of market borrowing and/or selling of security is not used, the reason for the same shall be recorded with evidence.

b) For Duration/ Issuer/ Sector/ Group rebalancing
   I. ISTs shall be allowed only to rebalance the breach of regulatory limit.
   II. ISTs can be done where any one of duration, issuer, sector and group balancing is required in both the transferor and transferee schemes. Different reasons cannot be cited for transferor and transferee schemes except in case of transferee schemes is being a Credit Risk scheme.
   III. In order to guard against possible mis-use of ISTs in Credit Risk scheme, trustees shall ensure to have a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment Officers (CIOs), etc. involved in process of ISTs in Credit Risk scheme, in case the security becomes default grade after the ISTs within a period of one year. Such negative impact on performance shall mirror the existing mechanism for performance incentives of the AMC.

No ISTs of a security shall be allowed, if there is negative news or rumors in the mainstream media or an alert is generated about the security, based on internal credit risk assessment in terms of Para 4.3 of SEBI Master Circular for Mutual Funds dated May 19, 2023, during the previous four months.

If security gets downgraded following ISTs, within a period of four months, Fund Manager of buying scheme has to provide detailed justification /rationale to the trustees for buying such security.

AMC shall ensure that Compliance Officer, Chief Investment Officer and Fund Managers of transferor and transferee schemes have satisfied themselves that ISTs undertaken are in compliance with the regulatory requirements. All documentary evidence and required Template in this regard shall be maintained by the AMC for all ISTs.

D. Where will the scheme invest?

Subject to the Regulations, the corpus of the Scheme may be invested in all or any one of (but not exclusively) the following securities:

- **Equity and equity related instruments** - including preference shares, convertible bonds and debentures and warrants carrying the right to obtain equity shares.

- **Debt Instruments** - include Govt. of India securities (zero coupon or coupon bearing Bonds), State Govt. Bonds, Bonds issued by local Govt., Govt. Agencies and other statutory bodies (with or without Govt. Guarantee), Bonds of Public Sector Undertakings, Debentures issued by public, private sector undertakings, Financial Institutions with or without ratings, Usance Bills (Bills of Exchange drawn on a term governed by the usage in trade or between the companies involved) and other Domestic Instruments either listed or unlisted.

- **Money Market Instruments** - include Commercial Papers, Commercial Bills, Treasury Bills, Government Securities having an un-expired maturity up to one year, Call or Notice Money, Certificate of Deposit, Usance Bills, Collateralized Borrowing Lending Obligation, Repos & Reverse Repos in Government Securities/Treasury Bills, Bills re-discounting, MIBOR Instruments, alternative investment for the call money market as may be provided by the RBI to meet the liquidity requirements and any other Money market instruments specified by SEBI/RBI from time to time.
• Mutual fund scheme shall not invest in unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging.

• Foreign Securities – including ADR / GDR as permitted by the RBI and SEBI.

• Securitised Debt – The scheme may invest in domestic securitized debt such as asset backed securities (ABS) or mortgage backed securities (MBS). ABS means securitized debts wherein the underlying assets are receivables arising from personal loans, automobile loans, etc. MBS means securitized debts wherein the underlying assets are receivables arising from loans backed by mortgage of properties which can be residential or commercial in nature. ABS / MBS instruments reflect the undivided interest in the underlying of assets and do not represent the obligation of the issuer of ABS / MBS or the originator of the underlying receivables. The ABS / MBS holders have limited recourse to the extent of credit enhancement provided. Securitized debt may suffer credit losses in the event of the delinquencies and credit losses in the underlying pool exceeding the credit enhancement provided. As compared to the normal corporate or sovereign debt, securitized debt is normally exposed to a higher level of reinvestment risk.

• Pass through Certificate (PTC)- (Pay through or other Participation Certificates) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two-wheeler loans and other assets subject to applicable regulations.

• Derivative - instruments like index futures, stock futures, index options, stock option, warrants, convertible securities, Interest Rate Futures, Interest Rate Swaps, Forward Rate Agreements, or any other derivative instruments that are permissible or may be permissible in future under applicable regulations.

• REITs / InvITs: The scheme may invest in Units issued by REITs and InvITs as per SEBI guidelines

• Any other - like instrument/s as permitted by SEBI/RBI from time to time.

The securities mentioned above could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of any maturity. The securities may be acquired through initial public offerings (IPOs), secondary market operations, private placement or rights offers. All investments in securities whether privately placed or otherwise will be in line with SEBI guidelines as applicable and the investment objectives and policies of the Scheme. Investment in unrated securities will be in accordance with SEBI guidelines as applicable.

Investment in other Schemes

The investment by the Scheme in other Mutual Fund Schemes will be in accordance with Regulation 44(1) read with Clause 4 of the VII Schedule to the SEBI (Mutual Funds) Regulations, 1996 according to which:

- The Scheme may invest in another scheme under the same asset management company or in any other mutual fund without charging any fees, provided the aggregate inter scheme investments made by all the Schemes under the same management or in schemes under the management of any other AMC shall not exceed 5% of NAV of the mutual fund.

- The Scheme shall not make any investment in any fund of fund scheme.

Short Term Deposits

Pending deployment of funds of a scheme in terms of investment objectives of the scheme in terms of investment objectives of the scheme, a mutual fund may invest them in short term deposits of schedule commercial banks, subject to such Guidelines as may be specified by the SEBI Board.

a) "Short Term" for parking of funds shall be treated as a period not exceeding 91 days.

b) Such short-term deposits shall be held in the name of the Scheme.

c) The Scheme shall not park more than 15% of the net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustees.

d) Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.

e) The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.

f) The Scheme shall not park funds in short-term deposit of a bank, which has invested in the Scheme. The aforesaid limits shall not be applicable to term deposits placed as margins for trading in cash and derivatives market.

g) AMC(s) shall not charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks.
Debt and Money Markets in India
The Indian debt market is today one of the largest in Asia and includes securities issued by the Government (Central & State Governments), public sector undertakings, other government bodies, financial institutions, banks and corporates. Government and public sector enterprises are the predominant borrowers in the markets. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts, pension funds and corporates. The Indian debt market is the largest segment of the Indian financial markets. The debt market comprises broadly two segments, viz. Government Securities market or G-Sec market and corporate debt market. The latter is further classified as market for PSU bonds and private sector bonds.

The Government Securities (G-Secs) market is the oldest and the largest component (70% share in market cap) of the Indian debt market in terms of market capitalization, outstanding securities and trading volumes. The G-Secs market plays a vital role in the Indian economy as it provides the benchmark for determining the level of interest rates in the country through the yields on the Government Securities which are referred to as the risk-free rate of return in any economy. Over the years, there have been new products introduced by the RBI like zero coupon bonds, floating rate bonds, inflation indexed bonds, etc.

The corporate bond market, in the sense of private corporate sector raising debt through public issuance in capital market, is only an insignificant part of the Indian Debt Market. A large part of the issuance in the non-Government debt market is currently on private placement basis.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI). In a predominantly institutional market, the key money market players are banks, financial institutions, insurance companies, mutual funds, primary dealers and corporates. In money market, activity levels of the Government and nongovernment debt vary from time to time. Instruments that comprise a major portion of money market activity include but not limited to:

- Overnight Call (i.e. market for overnight and term money between banks and institutions)
- Tri-Party Repo
- Repo/Reverse Repo Agreement (temporary sale with an agreement to buy back the securities at a future date at a specified price)
- Treasury Bills
- Government securities with a residual maturity of < 1 year.
- Commercial Paper
- Certificate of Deposit

Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments. Though not strictly classified as Money Market Instruments, PSU / DFI / Corporate paper with a residual maturity of < 1 year, are actively traded and offer a viable investment option.

The market has evolved in past 2-3 years in terms of risk premia attached to different class of issuers. Bank CDs have clearly emerged as popular asset class with increased acceptability in secondary market. PSU banks trade the tightest on the back of comfort from majority government holding. Highly rated manufacturing companies also command premium on account of limited supply. However, there has been increased activity in papers issued by private/foreign banks/NBFCs/companies in high-growth sector due to higher yields offered by them. Even though companies across these sectors might have been rated on a same scale, the difference in the yield on the papers for similar maturities reflects the perception of their respective credit profiles.
The following table gives approximate yields prevailing as on 30th September, 2023 on some of the instruments:

These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro economic conditions and RBI policy. The price and yield on various debt instruments fluctuate from time to time depending upon the macro economic situation, inflation rate, overall liquidity position, foreign exchange scenario etc. Also, the price and yield vary according to maturity profile, credit risk etc.

E. WHAT ARE THE INVESTMENT STRATEGIES?

The fund being an open-ended hybrid scheme, it will invest predominantly in equity and equity related instruments. A part of the scheme will also be invested in debt and money market instruments.

Investment Pattern and changes:

Please refer to sub-section C ‘How will the Scheme Allocate its Assets?’ under section II ‘Information about the Scheme’.

The term Investment pattern is defined as the tentative portfolio break-up of Equity, Debt, Money Market Instruments, other permitted securities and such other securities as may be permitted by SEBI from time to time with minimum and maximum asset allocation, while retaining the option to alter the asset allocation for a short term period on defensive considerations.

Under normal circumstances, the investment pattern outlined in section C shall always prevail. However, it is to be noted that the investment pattern mentioned above is only indicative and may be changed by the Investment Manager for defensive considerations subject to Change in Investment Pattern clause and in accordance with change in Regulations from time to time, under the following circumstances:

1. During extreme volatility / ill-liquidity in the capital market/securities market.
2. In case of natural calamity, strikes, riots, bandhs etc., affecting the valuation of security.
3. Declaration of war or occurrence of insurgency, or any other serious or sustained financial, political or industrial emergency or disturbance, resulting in liquidity crunch.
4. During the time, the Fund receives bulk repurchase and/or bulk investment.

A review will be made as and when such variation takes place, and, if the variation is beyond 10%, the reasons thereof will be recorded. The variation from the stated asset allocation will be constantly monitored and such variation will be brought down to the specified asset allocation levels as soon as normalcy is restored. A report of such variations will be made to the Board of the AMC and the Trustees on a regular basis.
Risk Mitigation:
Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in portfolio construction process. Stock specific risk will be minimized by investing only in those companies that have been thoroughly analyzed by the AMC.

Through adequate diversification of the portfolio, the AMC tries to reduce the risk. Diversification will also be achieved by spreading the investments over a diverse range of industries / sectors. The Scheme, generally does not intend investing in illiquid and unlisted equity related securities. However, if the case merits, the Scheme may invest in such securities adhering to prudential norms on a case to case basis. The investments may be made in primary as well as secondary markets and the portfolio will be adequately diversified.

The Scheme being open ended, some portion of the portfolio may be invested in Money Market Instruments so as to meet the normal repurchase requirements. The remaining investment will be made in securities which are either expected to be reasonably liquid or of varying maturity. However, the NAV of the Scheme may be affected, if the securities invested in are rendered illiquid after investment.

In addition, the Investment Manager will study the macro economic conditions, including the political, economic environment and factors affecting liquidity and interest rates. The Investment Manager would use this analysis to assess the likely direction of interest rates and position the portfolio appropriately to take advantage of the same.

The Scheme may use derivatives instruments like Stock/ Index Futures or Options, Interest Rate Futures, Interest Rate Swaps, Forward Rate Agreements or such other derivative instruments as may be introduced from time to time for the purpose of hedging or portfolio balancing or any other purpose as allowed under the regulations, within the permissible limit of the portfolio, which may be increased as permitted under the Regulations and guidelines from time to time.

As a prudent measure, the AMC has broad internal investment norms and investments made through the scheme would be in accordance with the investment objectives of the schemes and provisions of SEBI Regulations.

Debt Securities
Concentration of risk is mitigated by defining issuer limits. Rigorous in-depth credit evaluation of the issuers will be conducted by the investment team before making investments. As part of credit evaluation, a study on the operating environment, past track record as well as future prospects of the issuer, short as well as long term financial health of the issuer will be carried out. The AMC will be guided by the ratings of accredited agencies such as CRISIL, CARE, ICRA etc. as well as the internal norms for credit exposure. Investments made by the schemes would be in accordance with the investment objectives of the schemes and provisions of SEBI Regulations. Since investing required disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The risk control process involves reducing risks through portfolio diversification, taking care however not to dilute returns in the process. The AMC believes that this diversification would help achieve the desired level of consistency in returns. The AMC aims to identify securities, which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, the investment team of the AMC will carry out rigorous in-depth analysis of the securities proposed to be invested in. While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated.

Foreign Securities
The Fund may invest in overseas debt / equities / ADR’s / GDR’s with the approval of RBI/SEBI, subject to such guidelines as may be issued by RBI/SEBI. The net assets, distributions and income of the scheme may be affected adversely by fluctuations in the value of certain foreign currencies relative to the Indian Rupee to the extent of investments in these securities. Repatriation of such investment may also be affected by changes in the regulatory and political environments. The scheme’s NAV may also be affected by a fluctuation in the general and specific level of interest rates internationally, or the change in the credit profiles of the issuers.

Securitised Debt
Securitized debt is a form of conversion of normally non-tradable loans to transferable securities. This is done by assigning the loans to a special purpose vehicle (a trust), which in turn issues Pass-Through-Certificates (PTCs). These PTCs are transferable securities with fixed income like characteristics. The risk of investing in securitized debt is similar to investing in debt securities. In addition, securitized debt may also carry prepayment risk and has a relatively higher liquidity risk (the same are explained in the sections that follow). However, if the fund manager evaluates that the additional risks are suitably compensated by the higher returns, he may invest in securitized debt up to the limits specified. The investment shall be in securitized instruments that are rated (AA/ A1+) or its equivalent, by a recognised credit rating agency for the retail pool, and for single loan securitization, limits will be assigned as per the internal credit policy of the Fund.
Policy relating to originators

The originator is the person who has initially given the loan. The originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). An analysis of the originator is especially important in case of retail loans as this affects the credit quality and servicing of the PTC. Originators may be: Banks, Non-Banking Finance Companies, Housing Finance Companies, etc. The fund manager’s evaluation will be based on the track record of the originator, delinquencies in the pool and the seasoning of the pool. Other factors that will be considered are loan type, size of the loan, average original maturity of the pool, Loan to Value Ratio, geographical distribution, liquid facility, default rate distribution, credit enhancement facility and structure of the pool.

Risk associated with each kind of originator:

(a) Prepayment risk: MBS and ABS are subject to prepayment risk. When the underlying loans are paid off by the borrower prior to their respective due dates, this is known as a prepayment. It could be triggered on account of various factors particularly in periods of declining interest rates. The possibility of such prepayment may require the scheme to reinvest the proceeds of such investments in securities offering lower yields, thereby reducing the scheme’s interest income.

(b) Interest rate risk: MBS carry interest rate risk. Home loan borrowers are provided the facility of refinancing their loans at the prevailing interest rates. A lowering of interest rates could induce a borrower to pay his loan off earlier than the scheduled tenure, whereas if the interest rates move upward, the borrower would tend to hold on to his loan for a longer period, thus increasing the maturity of the bond. The maturity of the bond could therefore shorten or lengthen, depending on the prevailing interest rates.

(c) Credit risk / default risk: MBS and ABS also carry credit or default risk. MBS and structures carry built-in credit enhancement in different forms. However, any delinquencies would result in reduction of the principal amount if the amount available in the credit enhancement facility is not enough to cover the shortfall. Historically, housing loans have had lower default rates than other forms of credit.

(d) Price risk / liquidity risk: MBS and ABS are subject to prepayment risk. Limited volumes of trading in securitized paper in secondary market could restrict or affect the ability of the scheme to re-sell them. Thus, these trades may take place at a discount, depending on the prevailing interest rates.

In case of securitization involving single loans or a small pool of loans, the credit risk of the underlying borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to assess the credit risk. Securitization transactions may include some risk mitigants (to reduce credit risk). These may include interest subvention (difference in interest rates on the underlying loans and the PTC serving as margin against defaults), overcollateralization (issue of PTCs of lesser value than the underlying loans, thus even if some loans default, the PTC continues to remain protected), presence of an equity / subordinate tranche (issue of PTCs of differing seniority when it comes to repayment - the senior tranches get paid before the junior tranche) and / or guarantees.

Minimum retention period of the debt by originator prior to securitization

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the “true sale” criteria including credit enhancement and liquidity enhancements. In addition, RBI has proposed minimum holding period of between nine and twelve months for assets before they can be securitized. The minimum holding period depends on the tenure of the securitization transaction. The Scheme will invest in securitized debt that is in compliance with the regulations.

Minimum retention percentage by originator of debts to be securitized

RBI norms cover the “true sale” criteria including credit enhancement and liquidity enhancements, including maximum exposure by the originator in the PTCs. In addition, RBI has proposed minimum retention requirement of between five and ten percent of the book value of the loans by the originator. The minimum retention requirement depends on the tenure and structure of the securitization transaction. The Scheme will invest in securitized debt that is in compliance with the regulations.
Mechanism to tackle conflict of interest when the mutual fund invests in securitised debt of an originator and the originator in turn makes investments in that particular scheme of the fund

The key risk in securitized debt relates to the underlying borrowers and not the originator. In a securitization transaction, the originator is the seller of the debt(s) and the scheme is the buyer. However, the originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). As the originators may also invest in the scheme, the fund manager shall ensure that the investment decision is based on parameters as set by the Investment Committee (IC) of the AMC and IC shall review the same at regular interval.

Resources and mechanism of individual risk assessment for monitoring investment in securitized debt – credit analyst prepares a credit note analyzing the proposal including detailed risk assessment of the underlying. The credit note is recommended by the Head of Fixed Income and is approved by the Investment committee. The credit analyst shall be responsible for timely analyzing the risk and monitoring the performance of such investments made on an ongoing basis and shall report to the investment committee the outstanding position, every quarter.

While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated.

Procedure followed for investment decisions:

The Fund Manager of the Scheme is responsible for making buy / sell decisions for the Scheme’s portfolio and seeks to develop a well-diversified portfolio taking into account the asset allocation pattern of the scheme along with risks that are associated with such investments. The investment decisions are made on an ongoing basis keeping in view the market conditions and other regulatory aspects.

The Fund Manager is responsible for facilitating investment debate and a robust investment culture. The investment team would hold ongoing meetings as well as additional ad-hoc meetings as needed, to explore the investment thesis. The AMC has constituted an Investment Committee, currently comprising of the CEO, COO, Head of Risk Management, Head of Equities, Head of Fixed Income that meets at periodic intervals. The Investment Committee’s role is to formulate broad investment strategies for the Scheme, review the performance of the Scheme and the general market outlook.

It is the responsibility of the AMC to seek to ensure that the investments are made as per the Regulatory guidelines, the investment objective of the Scheme and in the interest of the Unit holders of the Scheme.

The AMC will keep a record of all investment decisions in accordance with the guidelines issued by SEBI.

The AMC and Trustees will review the performance of the scheme in their Board meetings. The performance would be compared with the performance of the benchmark index and with peer group in the industry.

Portfolio Turnover

Purchase and Sale of securities attract transaction costs of the nature of brokerage, stamp duty, custodian transaction charges etc. The portfolio turnover is essential to regularly explore trading opportunities to optimise returns for the Scheme and enable portfolio restructuring when required.

The Scheme will manage its portfolio taking into account the associated risks (such as interest / liquidity / redemption etc.) perceived / expected, so as to minimise the risks by using adequate risk management techniques. The portfolio turnover policy will be aimed at maximising the returns/growth.

The Scheme is an open-ended scheme. It is expected that there would be a number of subscriptions and redemptions on a daily basis. Consequently, it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio.

Pursuant to Schedule IX read with Regulation 50 of the SEBI (Mutual Funds) Regulations, 1996, the cost of investments acquired or purchased shall include all such costs incurred for effecting the transaction while the sale proceeds of investment sold or redeemed shall be net of all such costs incurred for effecting the sale transactions and shall form part of the purchase or the sale value of investments.

Underwriting by the Scheme

The scheme will not accept underwriting and sub underwriting obligations.

Stock/Securities Lending by the Fund:

The Fund may in future carry out stock/securities lending activity under any of its Schemes, in order to augment its income. Stock/securities lending may involve the risk of default such as loss, bankruptcy etc. on the part of the borrower. However, this is unlikely to happen if the stock/securities lending is carried out for stocks/securities which are in dematerialised form and through an authorised stock/securities lending Scheme which is subject to appropriate regulation. Any stock/securities lending done by the Scheme shall be in accordance with any regulations or guidelines regarding the same. The policy to be followed for stock/securities lending shall be approved by the Board of Directors of the Investment Manager as well as by the Board of Trustees.
Hedging and Derivatives

The scheme intends to use derivatives as may be permitted under the Regulations from time to time. The same shall be within the permissible limit prescribed by SEBI (Mutual Fund) Regulations from time to time.

As a part of the fund management process, the AMC may use appropriate derivative instruments in accordance with the investment objectives of the Scheme and in accordance with SEBI Regulations as may be applicable from time to time.

SEBI has also vide Para 7.5 of SEBI Master Circular for Mutual Funds dated May 19, 2023, permitted Mutual Funds to participate in the derivatives market at par with Foreign Institutional Investors (FII). Accordingly, Mutual Funds shall be treated at par with a registered FII in respect of position limits in index futures, index options, stock options and stock futures contracts.

The Fund shall comply with the guidelines issued by SEBI and amendments thereof issued from time to time in derivative trading.

Equity / Equity Related Derivative Instruments:

Index futures are meant to be an efficient way of buying / selling an index compared to buying/selling a portfolio of physical shares representing an index for ease of execution and settlement. Index futures can be an efficient way of achieving the Scheme’s investment objective. Index futures may avoid the need for tracking in individual components of the index, which may not be possible at times, keeping in mind the circuit filter system and the liquidity in some of the scrips. Index futures can also be helpful in reducing the transaction costs and the processing costs on account of ease of execution of one trade compared to several trades of shares of an index and will be easy to settle compared to physical portfolio of shares representing an index.

Stock futures could also be used as an alternative to investing in particular stocks comprising an index where either the liquidity is low or the impact cost is high.

Basic Structure of an Index Future

Index Futures are instruments designed to give exposure to the equity market indices. The Stock Exchange, Mumbai and the National Stock Exchange of India Limited have started trading in index futures. The pricing of an index future is the function of the underlying index and short-term interest rates.

Illustration:

<table>

</tr>
<tr>
<td>Fund buys 100 lots</td>
<td></td>
</tr>
<tr>
<td>Each lot has a nominal value equivalent to 200 units of the underlying index.</td>
<td></td>
</tr>
</tbody>
</table>

Let us say that on the date of settlement, the future price = Closing spot price = 1085

Profits of the Fund = \((1085-1075)\times 100 \text{ lots} \times 200 = \text{Rs.200,000.}\)

Similarly, the fund can suffer a loss if the future price is lower than the contracted price. Let us say that in the above example, on the date of settlement the future price = Closing Spot Price = 1060.

Loss for the Fund = \((1060-1075)\times 100 \text{ lots} \times 200 = (\text{Rs.300,000})\)

*Please note that the above example is given for illustration purposes only.*

The net impact for the Fund will be in terms of the difference between the closing price of the index and cost price (ignoring margins for the sake of simplicity) plus interest costs on funds that would otherwise be invested in stocks comprising the index. The risks associated with index futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and/or mispricing of the future at any time during the life of the contract.

Strategy Number No. 1

Using Index Future to increase percentage investment in equities.

The strategy will be used for the purpose of generating returns on idle cash, pending its investment in equities. The Scheme is open ended in nature and subject to daily inflows. There may be a time lag between the inflow of funds and their deployment in equities. If so desired, the AMC would be able to take immediate exposure to equities via index futures. The position in index futures may be reversed in a phased manner, as the funds are deployed in the equity markets.

Example:

The scheme has a corpus of Rs. 50 crores and there is an inflow of Rs. 5 crore in a day. The AMC may buy index futures contracts of a value of Rs. 5 crore. Later as the money is deployed in the underlying equities, the value of the index futures contracts can be suitably reduced.
RISKS

- The strategy of taking a long position in index futures increases the exposure to the market. The long position is positively correlated with the market. However, there is no assurance that the stocks in the portfolio and the index behave in the same manner and thus this strategy may not be provide gains perfectly aligned to the movement in the index.

- The long position will have as much loss as a gain in the underlying index, e.g. if the index appreciates by 10%, the future value rises by 10%. However, this is true only for futures contracts held till maturity. In the event that a futures contract is closed out before its expiry, the quoted price of the futures contract may be different from the gain/loss due to the movement of the underlying index. This is called the basis risk.

- While futures markets are typically more liquid than the underlying cash market, there can be no assurance that ready liquidity would exist at all points in time, for the Scheme to purchase or close out a specific futures contract.

- Similarly, the fund can use stock futures to reduce the cost of holding in the following manner:
  - When stock futures are trading at a discount then the fund can buy stock in futures market instead of buying in the cash market. On expiry of the contract, both prices (spot and future) have to align. On expiry or as and when stocks start trading at a premium in the futures market the transaction can be reversed by selling the stock in futures and buying in the cash market.

- Fund can take advantage of arbitrage opportunities in the futures markets to reduce cost of holding. If stock futures are trading at a discount then the fund can sell its existing holding in cash market and buy in the futures market. The cash realised will earn interest while the overall cost of the holding stock will also come down. On expiry of contract both prices (spot and futures) have to align. On expiry or as and when the stock starts trading at a premium in the futures market, the transaction can be reversed by selling the stock in the futures and buying in the cash markets.

Strategy Number 2
Using Index Futures to decrease percentage investment in equities

Similarly, in the case of a pending outflow of funds where a negative view is taken on the market, the Fund, in order to reduce exposure in equities may ‘sell the index forward’ by taking a short position in Index Futures. This position can be unwound over a period of time simultaneously selling the equity shares from the investment portfolio of the Scheme. The strategy of taking a short position in the index future is a hedging strategy and reduces the market risk and volatility of the portfolio. However, if the value of the index future rises, then, the fund would be adversely affected due to its short position in index futures.

Example: Assume that a scheme has an equity exposure of Rs. 100 crore. If the Fund Manager wishes to reduce the equity exposure to Rs. 50 crore for a short time, he should sell index futures contracts of Rs. 50 crore.

50% Hedge – contract value of Rs. 50 crore

The above example demonstrates that the Fund would benefit from the hedged position if the index future moves in the direction as expected by the Fund Manager. Similarly, the Fund would be adversely affected from the hedged position if the index does not move in the direction expected by the Fund Manager.
RISKS
- The strategy of taking a short position in index futures is a hedging strategy and reduces the market risk. The short position is negatively correlated with the market. However, there is no assurance that the stocks in the portfolio and index behave in the same manner and thus this strategy may not be a perfect hedge.
- The short position will have as much loss as a gain in the underlying index. e.g. if the index appreciates by 10%, the future value falls by 10%. However, this is true only for futures contract held till maturity. In the event that a futures contract is closed out before its expiry, the quoted price of the futures contract may be different from the gain/loss due to the movement of the underlying index. This is called the basis risk.
- While futures markets are typically more liquid than the underlying cash market, there can be no assurance that ready liquidity would exist at all points in time, for the Scheme to purchase or close out a specific futures contract.

Strategy Number 3
Portfolio Protection Using Index Put
The purchase of an index put option gives the scheme the option of selling the index to the writer of the put at a predetermined level of the index, called the strike price. If the index falls below this level, the scheme benefits from the rise in the value of the put option.
Similarly, as a stock hedging strategy, the purchase of a put option on the underlying stock would give the scheme the option to sell the stock to the writer of the option at the predetermined strike price. This would lead to a capping of the loss in value of a stock.

Example: Let us assume a scheme with a corpus of Rs. 100 crore. Let us also assume an index of 100. The scheme is fully invested (Rs. 100 crore in equities). The scheme purchases a put option on the index with a strike price of 95 for an assumed cost of Rs. 1 crore. The following table illustrates the portfolio returns:

<table>
<thead>
<tr>
<th>% change in Index</th>
<th>Index Value</th>
<th>Equity Portfolio Value Rs. In crore A</th>

</tr>
<tr>
<td>(15)</td>
<td>85</td>
<td>85</td>
<td>10</td>
<td>(1)</td>
<td>94</td>
<td>(6)</td>
</tr>
</tbody>
</table>

A similar put option can be purchased on any individual stock and the downside can be capped.

RISKS
- The table shows that the portfolio value will not fall below Rs. 94 crore, while the scheme benefits from any increase in stock prices. The table assumes perfect correlation between the equity portfolio and the index. However this may not be the case. Therefore, the minimum portfolio value cannot be assured, but the loss is expected to be lower in a portfolio with a put option on the index, as compared to a normal portfolio.
- The put option would lead to a gain based on the difference between the strike price and the index level at expiration date, if positive. However, in case the option is reversed before the expiration date, the market price received on the sale of the option may be different from the price calculated.
- While liquidity exists in options markets, there can be no assurance that the ready liquidity would exist at all points in time, for the scheme to purchase or close out a specific options contracts.
- In the case of purchase of a stock put, the strategy is a perfect hedge on the expiration date of the put option. On other days, there may be (temporary) imperfect correlation between the share price and the put option, which can potentially take the stock value below the minimum under the hedge.

Similarly, the Fund can use stock futures to reduce the cost of holding in the following manner:
- When stock futures are trading at a discount then the fund can buy in futures market instead of buying in the cash market. On expiry of the contract, both prices (spot and futures) have to align. On expiry or as and when stocks starts trading at a premium in the futures market, the transaction can be reversed by selling the stock in futures and buying in the cash market.
- Fund can take advantage of arbitrage opportunities in the futures markets to reduce cost of holding. If stock futures are trading at a discount then the fund can sell its existing holding in cash market and buy in futures market. The cash realised will earn interest while the overall cost of holding stock will also come down. On expiry of contract both prices (spot and futures) have to align. On expiry or as and when the stock starts trading at a premium in the futures market, the transaction can be reversed by selling the stock in the futures and buying in the cash markets.
Strategy Number 4

The scheme could gain exposure to the equity markets through exchange traded call options. The investment team will evaluate the prevailing premium levels on the call options with tenure suitable to the scheme. The scheme could in such a case implement a buy and hold (passive investment) strategy for the equity index call options held or buy a series of shorter term equity index call options, thus the options strategy may be managed actively.

Example: Let us assume a scheme with a corpus of Rs. 100 crore. Let us also assume an index of 100. The scheme is invested about Rs. 99 crore in equities. The scheme purchases a call option on the index with a strike price of 100 for an assumed cost of Rs. 1 crore. Assuming the equity portfolio rises or falls by the same percentage as the index. The following table illustrates the portfolio returns:

A similar call option can be purchased on any individual stock and the upside potential can be augmented.

The rate of participation would depend on prevailing prices of call options and the Amount Available for investment in options.

</tbody>
</table>

RISKS

- If the call options expire in the money, but not enough to compensate the premium paid, the returns of the option strategy could be less than the returns of the underlying equity market on maturity.
- Further, if the options expire out of money, the scheme will face a loss to the extent of the premium paid for options. In such case even if the equity market has a positive return during the tenure of the Scheme, the Scheme may not provide positive returns in line with the market.
- There is also a possibility of the call options expiring prior to the maturity of the scheme. In such a case, the returns of the call option portion of the scheme on maturity may not coincide with the returns of the underlying equity market on maturity.
- Further in case of series of shorter term call options, since short dated options would be purchased at different times and at costs prevailing at the time of such purchase, the returns generated by such a strategy could be different from returns of the underlying equity market on maturity and from the returns generated from a buy and hold call options strategy up to the maturity of the scheme.
Advantages of Equity Derivatives:

In times of volatility in the equity markets, derivatives provide much needed flexibility to hedge against this volatility. Some of the advantages of specific derivatives products are given below:

- Stock Index Futures can give exposure to the index. Appreciation in Index Investment in Stock Index Futures can give exposure to the index without directly buying the individual stocks, which make up the index. Appreciation in Index stocks can be effectively captured through investment in Stock Index Futures.
- The Scheme can sell futures to hedge against market movements without actually selling the underlying stocks it hold.
- By buying call options on the index, one can participate in the rise in the market, without actually buying individual stocks.
- By buying put options on the index, the Scheme can insulate the portfolio (assuming a perfect co-relation between portfolio and index which may not be the case) from the downside risk at a small cost.

Debt / Debt Related Derivatives

The Scheme may use derivatives in accordance with SEBI Regulations. RBI has issued guidelines on Interest Rate Swaps (IRS) and Forward Rate Agreements (FRA) on July 7, 1999. These products were introduced for developing the nation’s Debt Market.

Interest Rates Swaps (IRS)

All swaps are financial contracts, which involve exchange (swap) of a set of payments receivable by one party for another set of payments receivable by another party, usually through an intermediary. An IRS can be defined as a contract between two parties (Counter Parties) to exchange, on particular dates in the future, one series of cash flows (fixed interest) for another series of cash flows (variable or floating interest) in the same currency and on the same principal for an agreed period of time. The exchange of cash flows need not occur on the same date.

Forward Rate Agreements (FRA)

A FRA is an agreement between two counter parties to pay or to receive the difference between an agreed fixed rate (the FRA rate) and the interest rate prevailing on a stipulated future date, based on a notional amount, for an agreed period. In short, in a FRA, interest rate is fixed now for a future period. The special feature of FRAs is that the only payment is the difference between the FRA rate and the Reference rate and hence are single settlement contracts. As in the case of IRS, notional amounts are not exchanged.

The Scheme will use derivative instruments for the purpose of hedging and portfolio balancing. Hedging does not mean maximisation of returns but only reduction of systematic or market risk inherent in the investment.

Basic Structure of an Interest Rate Swap

An interest rate swap is an agreement between two parties to exchange future payment streams based on a notional amount. Only the interest on the notional amount is swapped, and principal amount is never exchanged.

In a typical interest rate swap, one party agrees to pay a fixed rate over the term of the agreement and to receive a variable or floating rate of interest. The counterparty receives a stream of fixed rate payments at regular intervals as described in the agreement and pays the floating rate of interest.

Illustration:

Fixed interest rate : 10% p.a.
Variable Interest Rate : Over-Night MIBOR (variable) Notional Principal : Rs.10 crore
Period of Agreement : 1 year Interest Frequency : Semi-annual
Suppose six month period from the value date of swap to the first payment date is 182 days and the daily compounded over-night MIBOR is say 8% p.a. on that date, the interest streams are as follows :
Fixed Rate Payment :
Rs.10,00,00,000.00 x 182 x 10 / 365 x 100 = Rs.49,86,301.36
Variable Rate :
Rs.10,00,00,000.00 x 182 x 8 / 365 x 100 = Rs.39,89,041.09
In the above example, the fixed rate payer will pay the variable rate payer a net amount of Rs.9,97,260.27 (Rs.49,86,301.36 - 39,89,041.09).
Likewise the second and final payment will depend upon the variable NSE MIBOR for the remaining 183 days and the interest stream of fixed rate for the said period, the difference of which will be settled between the parties at the expiry of the contract.

The above example illustrates the benefits and risks of using derivatives for hedging and optimising the investment portfolio. Swaps have its own drawbacks like credit risk, settlement risk. However, these risks are substantially reduced as the amount involved is interest streams and not principal.
Valuation of Derivative Products

The traded derivatives shall be valued at the closing price provided by the respective stock exchanges. When a security is not traded on the respective stock exchange on the date of valuation, then the settlement price / any other derived price provided by the respective stock exchange. The valuation of untraded derivatives shall be done in accordance with the valuation method for untraded investments prescribed in sub clauses (i) and (ii) of clause 2 of the Eighth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 as amended from time to time.

Exposure to Derivatives

Losses may arise as a result of using derivatives, but these are likely to be compensated by the gains on the underlying cash instruments held by the Scheme.

Risk associated with Derivatives trading:

The risk associated with index futures is similar to the one with equity investments. Additional risks could be on account of illiquidity and hence mispricing of the futures at the time of purchase. As and when the Scheme trades in the derivatives markets, there are risk factors and issues concerning the use of derivatives. Derivative products are specialised instruments that require investment techniques and risk analyses different from those associated with stocks. The use of a derivative requires understanding of the underlying instrument as well as that of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess risk that a derivative adds to the portfolio and the ability to forecast price movements correctly. There is the possibility that a loss may be sustained by the portfolio as a result of failure of another party (usually referred to as the “counter party”) to comply with the terms of the derivatives contract. Other risks associated with trading in derivatives include the risks of mispricing or improper valuation of derivatives and inability of derivatives to correlate perfectly with underlying assets, indices.

The net impact for the Scheme will be in terms of the difference between the closing price of the index and cost price (ignoring margins for the sake of simplicity). Thus, profit or loss for the Scheme will be the difference between the closing price (which can be higher or lower than the purchase price) and the purchase price.

F. FUNDAMENTAL ATTRIBUTES

The Fundamental Attributes of the scheme are as mentioned under, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations:

(i) Type of a scheme

Aggressive Hybrid Fund - An open-ended hybrid scheme investing predominantly in equity and equity related instruments

(ii) What is the investment objective of the scheme?

Main investment objective: To seek to generate long term capital appreciation and/or income from a portfolio constituted of equity and equity related securities as well as fixed income securities (debt and money market securities). However, there can be no assurance that the investment objective of the scheme will be realized

Investment pattern: Kindly refer to the Section II “Information about the Scheme” on page no 20 of this Scheme Information Document

(iii) Terms of Issue

Listing/Redemption/Repurchase of Units: As mentioned in Section III “Units and Offer” on page No.42 of this SID

(iv) Aggregate fees and expenses

Please refer to ‘Section IV. ‘Fees and Expenses’ on page No.69 of this SID.

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations and SEBI circular dated March 4, 2021, the Trustees shall ensure that no change in the fundamental attributes of the Scheme/Plan/Option thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

• A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
• The Unit holders are given an option for a period of atleast 30 calendar days to exit at the prevailing Net Asset Value without any exit load.
• Comments are taken from SEBI before making changes in Fundamental Attributes of the Scheme.

G. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

Tier I Benchmark: CRISIL Hybrid 35+65 - Aggressive Index

The above benchmark is in accordance with Para 1.9 of SEBI Master Circular for Mutual Funds dated May 19, 2023, on ‘Guiding Principles for bringing uniformity in Benchmarks of Mutual Fund Schemes’ and the list published by AMFI in this regard on Tier 1 benchmark for equity schemes.

As approved by the Board of Directors/Trustees, CRISIL Hybrid 35+65 Aggressive Index is the benchmark selected for the scheme. The benchmark has been chosen as the benchmark on the basis of investment pattern/objective of the scheme and the composition of the Index. Any change in the Benchmark Index for the Fund would be actuated only post approval from the Board of Directors/Trustees.
H. WHO MANAGES THE SCHEME?

Ms. Ennette Fernandes (Equities), Mr. Shridatta Bhandwaldar (Equities) and Mr. Avnish Jain (Fixed Income) are the fund managers for the Scheme. The details of the Fund Managers are as follows:

I. AMC’s Board of Directors - Nil
II. Concerned scheme’s Fund Manager - 13917.216 units
III. Other Key managerial personnel - 19100.835 units
I. WHAT ARE THE INVESTMENT RESTRICTIONS?

Pursuant to the "SEBI Regulations", the following investment and other limitations are presently applicable to the Scheme, as the case maybe:

1. The Scheme shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relative securities and in all cases of sale, deliver the securities provided that a mutual fund may engage in short selling of securities in accordance with the frame work relating to short selling and securities lending and borrowing specified by the board. Provided further that the mutual fund may enter into derivatives transactions in a recognised stock exchange, in accordance with the guidelines issued by the Board. Provided further that the sale of government securities already contracted for purchase shall be permitted in accordance with the guide lines issued by the Reserve Bank of India in this regard.

2. The securities purchased by the Fund shall be got transferred in the name of the Mutual Fund on account of the concerned Scheme, wherever investments are intended to be of long term nature.

3. The scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act subject to the below limits at rating level:

   The scheme shall not invest more than:
   10% of its NAV in debt and money market securities rated AAA; or
   8% of its NAV in debt and money market securities rated AA; or
   6% of its NAV in debt and money market securities rated A and below

   The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to the overall 12% limit of the NAV of scheme for a single issuer. Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and tri-party repo on Government securities or treasury bills.

   Provided further that investment within such limit can be made in mortgaged backed securitized debt which are rated not below investment grade by a credit rating agency registered with the SEBI.

   Provided further that such limit shall not be applicable for investments in case of debt exchange traded funds or such other funds as may be specified by the SEBI from time to time.

4. A mutual fund scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments:

   Provided that Mutual Fund Schemes may invest in unlisted non-convertible debentures up to a maximum of 10% of the debt portfolio of the scheme subject to such conditions as may be specified by the Board from time to time:

   Provided further that mutual fund schemes shall comply with the norms under this clause within the time and in the manner as may be specified by the Board:

   Provided further that the norms for investments by mutual fund schemes in unrated debt instruments shall be specified by the Board from time to time.

5. The Mutual Fund shall enter into transactions relating to Government Securities only in dematerialised form. The investment within the limit can be made in mortgaged backed securitized debts which are not rated below the investment grade by credit rating agency registered with SEBI.

6. The Mutual Fund under all its Scheme(s) will not own more than 10% of any Company's paid up capital carrying voting rights.

   Provided that the Sponsor of the Fund, its associate or group company including the asset management company of the Fund, through the Scheme(s) of the Fund or otherwise, individually or collectively, directly or indirectly, shall not have 10% or more of the share-holding or voting rights in the asset management company or the trustee company of any other mutual fund.

   Provided that in the event of a merger, acquisition, scheme of arrangement or any other arrangement involving the sponsors of the mutual funds, shareholders of the asset management companies or trustee companies, their associates or group companies which results in the incidental acquisition of shares, voting rights or representation on the board of the asset management companies or trustee companies beyond the above specified limit, such exposure may be rebalanced within a period of one year of coming into force of such an arrangement.

7. The Scheme shall not advance any loan for any purpose.
8. Pending deployment of funds of a scheme in terms of investment objectives of the scheme, a mutual fund may invest them in short term deposits of schedule commercial banks, subject to such Guidelines as may be specified by the SEBI.
   a) “Short Term” for parking of funds shall be treated as a period not exceeding 91 days.
   b) Such short-term deposits shall be held in the name of the Scheme.
   c) The Scheme shall not park more than 15% of the net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustees.
   d) Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
   e) The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
   f) The Scheme shall not park funds in short-term deposit of a bank, which has invested in the Scheme. The aforesaid limits shall not be applicable to term deposits placed as margins for trading in cash and derivatives market.
   g) AMC(s) shall not charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks.

9. No mutual fund scheme shall invest more than 10 per cent of its NAV in the equity shares or equity related instruments of any company. Provided that, the limit of 10 per cent shall not be applicable for investments in case of index fund or exchange traded fund or sector or industry specific scheme.

10. All investments by a mutual fund scheme in equity shares and equity related instruments shall only be made provided such securities are listed or to be listed.

11. Investment in other Schemes: The investment by the Scheme(s) in other Mutual Fund Schemes will be in accordance with Regulation 44(1) read with Clause 4 of the VII Schedule to the SEBI (Mutual Funds) Regulations, 1996 according to which:
   • The Scheme/s may invest in another scheme under the same asset management company or in any other mutual fund without charging any fees, provided the aggregate inter scheme investments made by all the schemes under the same management or in schemes under the management of any other AMC shall not exceed 5% of NAV of the mutual fund.
   • The Scheme/s shall not make any investment in any fund of fund scheme.

12. The Scheme/s shall not make any investment in:
   • Any unlisted security of an associate or group company of the sponsor; or
   • Any security issued by way of private placement by an associate or group company of the sponsor; or
   • The listed securities of group companies of the sponsor which is in excess of 25% of the net assets.

13. No scheme of a mutual fund shall make any investment in any fund of funds scheme.

14. The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of redemption of units or payment of interest and dividend/IDCW to the unit holders, provided that the fund shall not borrow more than 20% of the net assets of the individual scheme and the duration of the borrowing shall not exceed a period of 6 months.

15. Transfers of investments from one scheme to another scheme in the same mutual fund shall be allowed only if,
   • Such transfers are done at the prevailing market price for quoted instruments on spot basis. [Explanation - "spot basis" shall have same meaning as specified by stock exchange for spot transactions.]
   • The securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.
   • Inter Scheme Transfers are effected in accordance with the guidelines specified by Para 9.11 of SEBI Master Circular for Mutual Funds dated May 19, 2023, as amended from time to time.
16. The cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt securities, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time should not exceed 100% of the net assets of the scheme.

17. Total exposure of debt schemes of mutual funds in a particular sector (excluding investments in Bank CDs, TREPS, G-Secs, T-Bills, short term deposits of Scheduled Commercial Banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the scheme;

Provided that an additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the scheme shall be allowed only by way of increase in exposure to Housing Finance Companies (HFCs). Further, an additional exposure of 5% of the net assets of the scheme has been allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio;

Provided further that the additional exposure to such securities issued by HFCs are rated AA and above and these HFCs are registered with National Housing Bank (NHB) and the total investment/exposure in HFCs shall not exceed 20% of the net assets of the scheme.

18. The Fund shall ensure that total exposure of debt schemes of mutual funds in a group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the scheme. Such investment limit may be extended to 25% of the net assets of the Scheme with the prior approval of the Board of Trustees (for this purpose, a group means a group as defined under regulation 2 (mm) of SEBI (Mutual Funds) Regulations, 1996 (Regulations) and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates).

Further, the investments by debt mutual fund schemes in debt and money market instruments of group companies of both the sponsor and the asset management company shall not exceed 10% of the net assets of the scheme. Such investment limit may be extended to 15% of the net assets of the scheme with the prior approval of the Board of Trustees.

As per the provisions of Para 12.9 of SEBI Master Circular for Mutual Funds dated May 19, 2023, the investments of mutual fund schemes in debt and money market instruments of group companies of both the sponsor and the asset management company of the mutual fund in excess of the limits specified therein, made on or before October 1, 2019 may be grandfathered till maturity date of such instruments. The maturity date of such instruments shall be as applicable on October 1, 2019.

19. A mutual fund may invest in the units of REITs and InvITs subject to the following:

(a) No mutual fund under all its schemes shall own more than 10% of units issued by a single issuer of REIT and InvIT; and

(b) A mutual fund scheme shall not invest –

i. more than 10% of its NAV in the units of REIT and InvIT; and

ii. more than 5% of its NAV in the units of REIT and InvIT issued by a single issuer.

Provided that the limits mentioned in sub-clauses (i) and (ii) above shall not be applicable for investments in case of index fund or sector or industry specific scheme pertaining to REIT and InvIT.”

20. A mutual fund scheme may invest in exchange traded commodity derivatives subject to such investment restrictions as may be specified by the Board from time to time.

Apart from the investment restriction prescribed under regulation, internal risk parameters for limiting exposure to a particular scrip or sector may be prescribe from time to time to respond to the dynamic market conditions and market opportunities.

All investment restrictions stated above shall be applicable at the time of making investment.
AMC’s investments in the Scheme

The AMC may invest in the scheme, such amount, as they deem appropriate. But the AMC shall not be entitled to charge any management fees on this investment in the scheme. Investments by the AMC will be in accordance with Regulation 24(3) of the SEBI (MF) Regulations, 1996 which states that:

“The asset management company shall not invest in any of its schemes unless full disclosure of its intention to invest has been made in the offer document, provided that the asset management company shall not be entitled to charge any fees on its investment in the scheme.”

Further in terms of SEBI (Mutual Funds) (Second Amendment) Regulations, 2021 dated August 5, 2021 and as per Regulation 25, sub-regulation 16A of SEBI (Mutual Funds) Regulations, the asset management company shall invest such amounts in such schemes of the mutual fund, based on the risks associated with the schemes, as may be specified by the Board from time to time.

Underwriting by the Scheme

The scheme will not accept underwriting and sub underwriting obligations.

The past performance may or may not be sustained in future. Data as on 30th September 2023. Returns have been calculated on an absolute basis for period less than one year and on a compounded annualized basis for period more than or equal to one year. However, the performance of the scheme would be impacted due to the expense ratio charged in the scheme.

An illustration:

Assuming, an investor has invested Rs.10,000/- in the scheme having total expense ratio of 2.25%. The scheme generated a CAGR return of 10% over one year. Therefore,

Investment Amount (Rs.) (A) = 10,000  
Scheme Return (1Year) in CAGR (%) (B) = 10%  
Return in One Year (Rs.) (C= (A)*(1+B)) = 1,000  
Total Expense Ratio (%) (D) = 2.25%  
Impact of Total Expense Ratio (Rs.) (E=A*D) = 225  
Total Return to the investor (Rs.) (F=C-E) = 775

As mentioned in the illustration above, the schemes return to the investor is impacted by 2.25% due to the expense charged.

Please note that the above is an approximate illustration of the impact of expense ratio on the returns, where the Gross NAV has been simply reduced to the extent of the expenses. In reality, the actual impact would vary depending on the path of returns over the period of consideration. Expenses will be charged on daily net assets. These estimates have been made in good faith as per the information available to the Investment Manager based on past experience but the total expenses shall not exceed the limits permitted by SEBI. Types of expenses charged shall be as per the SEBI (MF) Regulations.

The purpose of the above illustration is to assist the investor in understanding the various costs and expenses that an investor in the scheme will bear directly or indirectly.

**Regular Plan:**

Regular Plan is for investors who purchase /subscribe Units in the scheme through a Distributor.

**Direct Plan:**

Direct Plan is only for investors who purchase /subscribe Units in the Scheme directly with Canara Robeco Mutual Fund and is not available for investors who route their investments through a Distributor (AMFI registered distributor / ARN Holder).

Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc and no commission for distribution of Units will be paid / charged under Direct Plan.

**Growth**

Under this option, no dividend/IDCW will be declared. The income attributable to units under this option will continue to remain invested and will be reflected in the NAV of the units under this option.

**Payout of Income Distribution cum capital withdrawal option**

Income Distribution cum Capital Withdrawal (IDCW), if declared, will be paid (subject to deduction of tax at source, if any) to those Unit holders whose names appear in the Register of Unit holders on the notified record date. The Trustees / AMC reserves the right to change record date from time to time. However, it must be distinctly understood that the actual declaration of IDCW and the frequency thereof will inter-alia, depend on the availability of distributable profits as computed in accordance with SEBI (MF) Regulations. The decision of the Trustees in this regard shall be final. There is no assurance or guarantee to Unit holders as to the rate of dividend distribution/IDCW nor will that IDCW be paid regularly. In order to be a Unit holder, an investor has to be allotted Unit against receipt of clear funds by the Scheme. On payment of IDCW, the NAV will stand reduced by the amount of IDCW and tax (if applicable) paid.

**Reinvestment of Income Distribution cum capital withdrawal option**

The unit holders have the option to reinvest the IDCW declared by the Scheme. Such unit holders opting to reinvest the IDCW receivable by them shall invest in additional units of the Scheme. Upon exercising such option, the IDCW due and payable to the unit holders will be compulsorily and without any further act by the unit holders reinvested in the Scheme.

The IDCW so reinvested shall be constructive payment of IDCW to the unit holders and constructive receipt of the same amount from each unit holder, for reinvestment in units.

On reinvestment of IDCW, the number of units to the credit of unit holder will increase to the extent of the IDCW reinvested IDCW by the first ‘Ex-income Distribution NAV’ on the day of reinvestment as explained above.

There shall not be any entry load, if any, for the IDCW reinvested.
Default Option

In case the investor fails to specify the preference, it would be construed that the investor has opted for Growth Option.

In case of valid applications received without indicating any choice of option under Income Distribution cum Capital Withdrawal Option, it will be considered as option for Reinvestment of Income Distribution cum Capital Withdrawal option and processed accordingly.

In case of valid applications received the default plan will be captured based on below table

A. **Introduction of SIP Top -UP Facility**

It is a facility wherein an investor who is enrolling for SIP has an option to increase the amount of the SIP installment by a fixed amount at pre-defined intervals. Thus, an investor can progressively start increasing the amount invested, allowing him/her to gradually increase the investment corpus in a hassle-free manner.

The silent features of the said facility are as follows:

1. SIP Top-UP facility is applicable to an Investor who is enrolling for a new SIP.
2. Minimum Top –up Amount for the said facility will be Rs. 500/- & in multiples thereof. In case the Top –up amount is not mentioned but the upper limit is included in the application/mandate form, the default top –up amount will be Rs. 500/-.
3. Frequency for the Top up facility :
   a) The said facility is available only for the SIP facility having frequency of Monthly and Quarterly.
   b) The investor can choose a frequency for the Top Up depending on the SIP frequency being opted. In case of a Monthly SIP, the investor can choose either a ‘Half-yearly’ or ‘Annual’ based Top-up frequency; while in case of a Quarterly SIP, the available Top-up frequency will only be ‘Annual’ based.
   c) In case SIP Top-Up frequency is not mentioned, the default frequency will be considered as ‘Annual’ for both monthly and Quarterly SIP.
4. The facility is available only for the investors who submit “One Time Mandate Form” i.e. NACH/ECS/Direct Debit Form mentioning the Maximum Amount. This will allow an investor to limit the total investment to a maximum amount as decided by the investor while filling up the Mandate Form.

5. Once the SIP Top-Up upper limit is reached, the Top – Up will be discontinued. However, the SIP will continue at the upper limit for the remaining SIP enrolment period. For further clarification, please refer the illustrations as mentioned below.

6. The initial investment under the SIP Top-UP will be subject to minimum SIP investment requirement, as applicable to the eligible schemes from time to time.

7. The Top-up details cannot be modified once enrolled. In order to make any changes, the investor must cancel the existing SIP and enroll for a fresh SIP with Top-up option.

8. SIP Top-up facility shall be available for SIP Investments through ECS (Debit Clearing) / Direct debit facility / NACH facility only.

9. For further details and Forms, investors are requested to refer our website (www.canararobeco.com) or visit nearest sales office of AMC/Investor’s Service Center of Registrar viz. KFin Technologies Limited All other terms & Conditions of the said addendum shall remain unchanged.

B. Systematic Investment Plan including Micro SIP

In accordance with AMFI notification and Guidelines issued, investments in mutual fund schemes [including investments in systematic Investment Plan (MICRO SIP)] by investor in a rolling 12-month period or in a financial year i.e. April to March does not exceed Rs 50,000/- (known as "Micro Investment") shall be exempted from the requirement of PAN. However, requirements of Know Your Customer (KYC) shall be mandatory. Accordingly, investors seeking the above exemption for PAN still need to submit the KYC Acknowledgement, irrespective of the amount of investment.

This exemption of PAN requirement is only available to individuals (including NRIs but not PIOs), Minors and Sole proprietary firms. HUFs cannot avail this exemption.

For the purpose of identifying Micro investment, the value of investments at the investor level (first holder) will be aggregated based on the unique ID number mentioned on the KYC Acknowledgement and such aggregation shall be done irrespective of the number of folios/accounts under which the investor is investing.

Investors who wish to enroll for Micro Investment Plans(including micro SIP) are required to fill in the Micro SIP Enrolment Form available with the ISCs, distributors/ agents and also displayed on the website www.canararobeco.com. Investors are advised to read the terms and conditions carefully before enrolment.

All terms and conditions of Systematic Investment Plans (SIPs) shall apply to Micro SIPs. The Trustees reserves the right to change/modify the terms and conditions of Micro SIPs at a later date on a prospective basis.

C. National Automated Clearing House Facility (NACH)

Investors can enroll for investments in Systematic Investment Plan (SIP) through National Automated Clearing House (NACH) Platform. NACH is a centralized system, launched by National Payment Corporation of India (NPCI) for consolidation of multiple Electronic Clearing Service system. NACH facility can be availed only if the Investor’s Bank is a participating Bank in NACH Platform and subject to Investors Bank accepting NACH Registration mandate. Registration Forms are available on www.canararobeco.com and at our Branch Offices. For registration under NACH, investors are required to submit registration form and requisite documents at least 31 days prior to the first SIP installment date. Existing Investors, who wish to invest in SIP through NACH will have to cancel the existing ECS/DD mandate and register under NACH. Once registered under this facility, for any modification to the mandate registered, Investors will have to cancel the existing SIP registration and re-register.

D. Pause facility under Systematic Investment Plan (SIP)

It is a facility wherein an investor has an option to stop their SIP temporarily (at a folio level) for a specified number of installments. Instructions for ‘Pause’ can be given by filling up ‘Canara Robeco Mutual Fund - SIP Pause Form’.

The features, terms and conditions for availing the Pause facility are as follows:
1. Following SIPs shall be eligible for pause facility:
   • Online SIP’s (ISIP from website and Kfinkart)
   • Offline SIPs registered through NACH, Direct Debit & Auto Debit
   • SIP frequency with Monthly frequency options only
2. Any SIP registered through Channel Partners, MF Utility and Exchange platforms shall not be eligible with pause facility.
3. The SIP shall continue from the subsequent instalment after the completion of Pause period automatically.
4. Pause request under SIP can be for minimum of 1 installment and for maximum of 6 installments.
5. Investor can opt for Pause facility twice during the tenure of a particular SIP.
6. The request for SIP Pause should be submitted at least 10 days prior to the subsequent SIP date.
7. SIP pause facility would be available for SIP opted by the investors, only under Monthly frequency.

The Trustees/AMC reserves the right to change/modify the provisions mentioned above at a later date.
II. **Systematic Transfer Plan (STP):**

STP is a facility wherein a unit holder of a Canara Robeco Mutual Fund scheme can opt to transfer a fixed amount or capital appreciation amount at regular intervals to another scheme of Canara Robeco Mutual Fund. The amount transferred under the STP from the Transferor scheme to the Transferee scheme, shall be effected by redeeming units of Transferor scheme and subscribing to the units of the Transferee scheme.

III. **Systematic Withdrawal Plan (SWP):**
Investors can use the SWP facility for regular inflows. Withdrawals can be made by informing the AMC or Registrar of the specified withdrawal dates and minimum amount as per the table below. The amount will be converted into units at the applicable repurchase price on that date and will be subtracted from the units with the unit holder. The AMC may close a unit holder’s account if the balance falls below the specified minimum amount for the scheme. Unit holders may change the amount indicated in the SWP, subject to the minimum amount specified. The SWP may be terminated on written notice from the unit holder and it will terminate automatically when all the units of the unit holder are liquidated or withdrawn from the account.

IV. **Switching Options**
Unit holders under the Scheme have the option to Switch part or all of their Unit holdings in the Scheme to another scheme(s) established by the Mutual Fund, or within the Scheme from one plan / option to another plan / option (subject to completion of lock-in period, if any) which is available for investment at that time. This Option will be useful to Unit holders who wish to alter the allocation of their investment among the scheme(s) / plan(s) / option(s) of the Mutual Fund in order to meet their changed investment needs. The Switch will be effected by way of a Redemption of Units from the Scheme / Plan and a reinvestment of the Redemption proceeds in the other scheme / plan and accordingly, to be effective, the Switch must comply with the Redemption rules of the Scheme and the issue rules of the other scheme (e.g. as to the minimum number of Units that may be redeemed or issued, Exit etc). The price at which the Units will be switched out of the Scheme(s) will be based on the Redemption Price, and the proceeds will be invested in the other scheme / plan at the prevailing sale price for units in that scheme / plan. No load shall be imposed for switching between the Plans / Options within the Scheme. The Switch request can be made on a pre-printed form or by using the relevant tear off section of the Transaction Slip enclosed with the Account Statement, which should be submitted at / may be sent by mail to any of the ISCs. An Account Statement reflecting the new holding will be dispatched to the Unit holders within Ten Business Days of completion of Switch transaction. The AMC retains the right to charge different Loads on Switching of Units as compared to Sale / Redemption of Units as the case may be.

The AMC reserves the right to impose Loads for Switching between plans within the Scheme or Options within the respective Plans at a future date.

V. **Transactions through Stock Exchange Platform for Mutual Funds:**

A. **Transactions executed through Mutual Fund Distributors through NMF-II platform** of National Stock Exchange of India Ltd.

10. This facility of transacting in the scheme through stock exchange infrastructure is available subject to such limits, regulations, operating guidelines, terms and conditions as may be prescribed by SEBI / NSE from time to time. The operating guidelines are available at NSE website viz. www.nseindia.com

D. Transaction through MF utilities India Private Limited

Canara Robeco Asset Management Company Limited ("the AMC") has entered into an Agreement with MF Utilities India Private Limited ("MFUI"), a “Category II - Registrar to an Issue” under SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, for usage of MF Utility ("MFU") a shared services initiative of various Asset Management Companies under the aegis of Association of Mutual Funds in India (“AMFI”), which acts as a transaction aggregation portal for transacting in multiple Schemes of various Mutual Funds with a single form/transaction request and a single payment instrument/instruction.

Accordingly, all financial and non-financial transactions pertaining to Schemes of Canara Robeco Mutual Fund can also be submitted through MFU either electronically or physically through the authorized Points of Service ("POS") of MFUI from 9th November, 2017. The list of POS of MFUI is published on the website of MFUI at www.mfuindia.com and may be updated from time to time.

For any queries or clarifications related to MFUI, please contact the Customer Care of MFUI on 1800-266-1415 (during the business hours on all days except Sunday and Public Holidays) or send an email to connect@mfuindia.com.

VI. Transactions executed through Channel Distributors

Investors may enter into an agreement with certain distributors (with whom AMC also has a tie up) referred to as "Channel Distributors" who provide the facility to investors to transact in units of mutual funds through various modes such as their website / other electronic means or through Power of Attorney in favour of the Channel Distributor, as the case may be. Under such arrangement, the Channel Distributors will aggregate the details of transactions (viz. subscriptions/redemptions/switches) of their various investors and forward the same electronically to the AMC / RTA for processing on daily basis as per the cut-off timings applicable to the relevant schemes. The Channel Distributor is required to send copy of investors’ KYC proof and agreement entered into between the investor & distributor to the RTA (one time for central record keeping) as also the transaction documents / proof of transaction authorization as the case may be, to the AMC / RTA as per agreed timelines. In case KYC proof and other necessary documents are not furnished within the stipulated timeline, the transaction request, shall be liable to be rejected. Normally, the subscription proceeds, when invested through this mode, are by way of direct credits to the specified bank account of the Fund. The Redemption proceeds (subject to deduction if any, in case of NRIs) and IDCW payouts, if any, are paid by the AMC to the investor directly through direct credit in the specified bank account of the investor or through issuance of payment instrument, as applicable. It may be noted that investors investing through this mode may also approach the AMC / Official Point(s) of Acceptance directly with their transaction requests (financial / non-financial) or avail of the online transaction facilities offered by the AMC. The Mutual Fund, the AMC, the Trustees, along with their directors, employees and representatives shall not be liable for any errors, damages or losses arising out of or in connection with the transactions undertaken by investors/distributors through above mode.
VII. Online transactions through the website:
Facility of online transactions is available on the official website of Canara Robeco Mutual Fund i.e. www.canararobeco.com. Consequent to this, the said website is declared to be an “official point of acceptance” for applications for subscriptions, redemptions, switches and other facilities. The Uniform Cut-off time as prescribed by SEBI and as mentioned in the Scheme Information Documents shall be applicable for applications received on the website. However, investors should note that transactions on the website shall be subject to the eligibility of the investor, any terms & conditions as stipulated by Canara Robeco Mutual Fund/Canara Robeco Asset Management Company Limited (CRAMC) from time to time and any law for the time being in force.

VIII. Online Transactions through KFinTech:
a. Transactions through KFinTech MFS website
Facility of online transactions is also available on the website of KFin Technologies Limited, the Registrar and Transfer Agent for Canara Robeco Mutual Fund (CRMF) Schemes i.e. www.kfintech.com. Consequent to this, the said website is declared to be an “official point of acceptance”. The Uniform Cut-off time as prescribed by SEBI and as mentioned in the Scheme Information Documents shall be applicable for applications received on the website. However, investors should note that transactions on the website shall be subject to the eligibility of the investor, any terms & conditions as stipulated by Canara Robeco Mutual Fund/Canara Robeco Asset Management Company Limited (CRAMC) / KFinTech from time to time and any law for the time being in force.

b. Transactions through Electronic platform of KFin Technologies Limited
All Investors will be allowed to transact through www.kfintech.com, an electronic platform provided by KFin Technologies Limited, Registrar & Transfer Agent, in Schemes of Canara Robeco Mutual Fund ("CRMF") (except Exchange Traded Funds). The facility will also be available through mobile application of KFinTech i.e. ‘KTRACK’. The uniform cut off time as prescribed under the SEBI (Mutual Funds) Regulations, 1996 and as mentioned in Scheme Information Documents ("SIDs")/Key Information Memorandums ("KIMs") of respective schemes of CRMF will be applicable for transactions received through KFinTech’s electronic platforms and the time of receipt of transaction recorded on the server of KFinTech will be reckoned as the time of receipt of transaction for the purpose of determining applicability of NAV, subject to credit of funds to bank account of scheme(s), wherever applicable. The facility is subject to operating guidelines, terms and conditions as may be prescribed by KFinTech or as may be specified by Canara Robeco Asset Management Company Ltd. from time to time. Time of receipt of transaction recorded on the server(s) of KFinTech will continue to be reckoned for electronic transactions received through AMC website/Distributor website/applications etc. subject to credit of funds to bank account of scheme(s), wherever applicable. For operating guidelines, terms and conditions, registration form and further details, investors are requested to visit www.kfintech.com.

IX. Transaction through MFCentral - A digital platform for Mutual Fund investors:
Pursuant to Para 16.6 of SEBI Master Circular for Mutual Funds dated May 19, 2023, to comply with the requirements of RTA interoperable Platform for enhancing investors’ experience in Mutual Fund transactions / service requests, the Qualified RTA’s, KFin Technologies Limited ("KFinTech") and Computer Age Management Services Limited ("CAMS") have jointly developed MFCentral - A digital platform for Mutual Fund investors.

MFCentral is created with an intent to be a one stop portal / mobile app for all Mutual fund investments and service-related needs that significantly reduces the need for submission of physical documents by enabling various digital / physical services to Mutual Fund investors across fund houses subject to applicable Terms and Conditions of the the Platform. MFCentral will be enabling various features and services in a phased manner. MFCentral may be accessed using https://mfcentral.com/ and a Mobile App in future. With a view to comply with all provisions of the aforesaid circular and to increase digital penetration of Mutual funds, Canara Robeco Mutual Fund designates MFCentral as one of its Official point of acceptance (DISC - Designated Investor Service Centre) w.e.f. 23rd September 2021.

Any registered user of MFCentral, requiring submission of physical document as per the requirements of MFCentral, may do so at any of the Designated Investor Service Centres or collection centres of KFinTech or CAMS.

X. Transactions through KBOLT GO Mobile Application:
Investors are requested to note that Canara Robeco Mutual Fund ("CRMF")/Canara Robeco Asset Management Company Ltd ("CRAMC") has decided to adopt facility of online transactions through “KBOLT GO Mobile Application”, an electronic platform provided by KFin Technologies Limited (“KFinTech”). The above facility will be available for all schemes of the Canara Robeco Mutual Fund with effect from April 07, 2022. The KBOLT GO Mobile Application will be considered as Official Points of Acceptance of Transactions (“OPAT”) of CRAMC.

The uniform cut off time as prescribed under the SEBI (Mutual Funds) Regulations, 1996 and as mentioned in Scheme Information Documents ("SIDs")/Key Information Memorandums ("KIMs") of the respective schemes of the CRMF will be applicable for transactions undertaken through the KBOLT GO Mobile Application and the time of receipt of transaction recorded on the server of KFinTech will be reckoned as the time of receipt of transaction for the purpose of determining applicability of NAV, subject to credit of funds to bank account of scheme(s) wherever applicable.

The facility to transact in schemes of the Canara Robeco Mutual Fund through KBOLT GO Mobile App is available subject to the terms & conditions as stipulated by Canara Robeco Mutual Fund/Canara Robeco Asset Management Company Limited from time to time and any law for the time being in force.
XI. Transactions through Canara Robeco MF Investor App (“CRMF Investor Mobile Application”):
Unitholders are requested to note that Canara Robeco Mutual Fund (“CRMF”) has decided to launch the facility of online transactions through “Canara Robeco MF Investor App” (hereinafter referred to as the “CRMF Investor Mobile Application”), an electronic platform provided by Canara Robeco Asset Management Company Ltd (CRAMC). The above facility is available for all schemes of the Canara Robeco Mutual Fund with effect from 30th May, 2022.

The CRMF Investor Mobile Application will be considered as Official Points of Acceptance of Transactions (“OPAT”) of the CRAMC. The uniform cut off time as prescribed under the SEBI (Mutual Funds) Regulations, 1996 and as mentioned in Scheme Information Document (“SID”) /Key Information Memorandum (“KIM”) of the respective schemes of the CRMF will be applicable for transactions undertaken through the CRMF Investor Mobile Application and the time of receipt of transaction recorded on the server of CRMF will be reckoned as the time of receipt of transaction for the purpose of determining applicability of NAV, subject to credit of funds to bank account of scheme(s) wherever applicable. Investors/Unit holders can download the CRMF Investor Mobile Application on both, Google Play Store and App Store - Apple. The facility to transact in schemes of the Canara Robeco Mutual Fund through CRMF Investor Mobile Application is available subject to the terms & conditions as stipulated by Canara Robeco Mutual Fund/Canara Robeco Asset Management Company Limited (CRAMC) from time to time and any law for the time being in force. The Scheme Information Document (“SID”), Key Information Memorandum (“KIM”) of schemes and Statement of Additional Information (“SAI”) of Canara Robeco Mutual Fund stands amended suitable to reflect the change as stated above.

Introduction of One Time Bank Mandate (OTBM) Facility for investment in Schemes of Canara Robeco Mutual Fund:
Unit holders are requested to note that Canara Robeco Mutual Fund (CRMF) has introduced One Time Bank Mandate (OTBM) facility which enables the investors to register a one-time bank mandate(s). Through this facility, Investors can authorize Canara Robeco Mutual Fund to honour any nature of investment instructions i.e., be it lumpsum, additional investment or periodic investments via Systematic Investment Plans etc. To avail this facility, Investors may furnish the required details by duly filling the "One Time Bank Mandate Form". It may be noted that for all subsequent purchase instructions, the investor is required to specifically mention to debit the investment amount from the Designated Bank which has been mentioned in the OTBM. Investors are requested to ensure that the amount specified in the Additional Purchase Application/SIP application is lower than or equal to the maximum amount limit specified in the OTBM form. It may also be noted that the said facility will be available for all schemes of CRMF and for all investor categories w.e.f. 18th July 2023. This facility can be availed by existing investors having a valid and KYC complied folio with CRMF. The investors can register OTBM facility with multiple banks within the same Folio. All other rules related to NAV applicability based on realization of application amount shall remain in force. It shall also be noted that the Maximum applicable OTBM amount shall be in accordance with the arrangement with the investor’s bank.

All the other provisions and terms and conditions of the Schemes of CRMF shall remain unchanged. This addendum shall form an integral part of the SID/KIM of the Schemes of the CRMF, as amended from time to time.

XII. Transfer of Income Distribution cum Capital Withdrawal Plan:
An investor applying for this facility can opt to automatically invest the IDCW (as reduced by the amount of applicable statutory levy) to any open ended scheme of Canara Robeco Mutual Fund.

The IDCW amount eligible for this Facility would be subject to minimum investment requirement, as applicable from time to time, of the scheme to which IDCW is being transferred.

The Investor can choose to avail of this facility at the time of making the application to subscribe to the units of the scheme by signing separately in the designated space in the application form and confirming their intention to avail this Facility. Further, investor shall also have an option to apply for this facility by submitting a written request, at any time during the tenure of the scheme, not later than 10 working days prior to the maturity of the scheme.

Income Distribution cum Capital Withdrawal (IDCW) Policy

The Scheme may distribute, surplus if any, by way of IDCW, as may be decided by the Trustees from time to time. As per the provisions of Para 11.2 of SEBI Master Circular for Mutual Funds dated May 19, 2023, IDCW can be distributed out of the investor’s capital (Equalization Reserve), which is part of sale price that represents realized gains. Whenever distributable surplus will be distributed, a clear segregation between income distribution (appreciation on NAV) and capital distribution (Equalization Reserve) shall be suitably disclosed in the Consolidated Account Statement provided to investors as required under Regulation 36(4) of SEBI (Mutual Funds) Regulations, 1996 and Para 11.3 of SEBI Master Circular for Mutual Funds dated May 19, 2023.
If there is no distributable surplus or surplus amount is too small for distribution, in the opinion of the Trustees, the IDCW declaration may not take place. The Scheme is not assuring or guaranteeing any IDCW or returns.

IDCW, if declared, shall be dispatch to the unitholders the IDCW payments within 7 working days from the record date. The IDCW proceeds will mandatorily be paid directly into the Unitholder’s bank account through various electronic payout modes such as Direct credit/NEFT/RTGS/IMPS/ECS/NECS etc, as directed by SEBI. Please note that physical dispatch of IDCW payment instruments shall be made by the AMC only in exceptional circumstances as specified by SEBI. The proceeds will be paid in favour of the Unit holder (registered holder of the Units or, if there is more than one registered holder, only to the first registered holder) with bank account number furnished to the Mutual Fund (please note that it is mandatory for the Unit holders to provide the Bank account details as per the directives of SEBI).

The IDCW declared out of the Distributable Surplus of the Scheme will be paid net of tax deducted at source (TDS), to those unit holders whose names appear in the register of unit holders. Pursuant to payment of IDCW, the NAV of the Income Distribution cum capital withdrawal option of the scheme would fall to the extent of payout and statutory levy (if applicable). In the event of failure of dispatch of IDCW payments within the stipulated time period in terms of Regulation 53(a) of MF Regulations, it is clarified that the interest for the delayed payment of IDCW shall be calculated from the record date. Those unit holders who have opted for Reinvestment of Income Distribution cum Capital Withdrawal option, the IDCW due will be reinvested net of TDS, as applicable, by allotting Units for the IDCW amount at the prevailing Ex-IDCW/Dividend NAV per Unit on the Record Date. A Certificate showing the tax deducted at source will be issued by CRMF to the unit holders on periodic basis as provided for in the Income Tax Act, 1961. In view of individual nature of tax consequences, each unit holder is advised to consult his/her own professional financial/tax advisor.

IDCW/Dividend Distribution Procedure: In accordance with SEBI Circular no. SEBI/IMD/Cir No. 1/64057/06 dated April 4, 2006, SEBI/HO/IMD/DF2/CIR/P/2021/024 dated March 04, 2021 and SEBI Circular no. SEBI/HO/IMD/IMD-I DOF2/P/CIR/2022/161 dated November 25, 2022, as amended from time to time, the procedure for IDCW/Dividend Distribution would be as under:

1. Quantum of IDCW and the record date will be fixed by the Trustees. IDCW so decided shall be paid, subject to availability of distributable surplus.
2. Within one calendar day of decision by the Trustees, the AMC shall issue notice to the public communicating the decision about the IDCW including the record date, in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the head office of the Mutual Fund is situated.
3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of investors whose names appear on the register of unit holders for receiving IDCW. The record date shall be 2 working days from the date of publication in at least one English newspaper or in a newspaper published in the language of the region where the Head Office of the mutual fund is situated, whichever is issued earlier.
4. The notice will, in font size 10, bold, categorically state that pursuant to payment of IDCW, the NAV of the Scheme would fall to the extent of payout and statutory levy (if applicable).
5. The NAV will be adjusted to the extent of dividend distribution/IDCW and statutory levy, if any, at the close of business hours on record date.
6. Before the issue of such notice, no communication indicating the probable date of IDCW declaration in any manner whatsoever will be issued by Mutual Fund.

Reinvestment of Income Distribution cum capital withdrawal Option

The unit holders have the option to reinvest the IDCW declared by the Scheme. Such unit holders opting to reinvest the IDCW receivable by them shall invest in additional units of the Scheme. Upon exercising such option, the IDCW due and payable to the unit holders will be compulsorily and without any further act by the unit holders reinvested in the Scheme.

The IDCW so reinvested shall be constructive payment of IDCW to the unit holders and constructive receipt of the same amount from each unit holder, for reinvestment in units.

On reinvestment of IDCW, the number of units to the credit of unit holder will increase to the extent of the IDCW reinvested by the first ‘Ex-income Distribution NAV’ on the day of reinvestment as explained above. There shall, however, be no entry load on the IDCW so reinvested.

Threshold Limit for ‘Payout of Income Distribution cum capital withdrawal option’

If the IDCW amount payable to the unit holders under the ‘Payout of Income Distribution cum capital withdrawal option’ under a folio is less than or equal to Rs. 250/- and where complete bank account details are not provided by the unitholders, then such amount will be compulsorily reinvested wherever reinvestment option is available under the scheme(s) and an account statement will be sent to the investors at their Registered Address. The IDCW shall be re-invested at the prevailing Ex-IDCW/Dividend Net Asset Value per Unit on the record date. There shall be no Exit Load on the IDCW so reinvested. The IDCW so reinvested shall constitute a constructive payment of IDCW to the Unit holders and a constructive receipt of the same amount from each Unit holder for reinvestment in Units.
Allotment & Accounts Statements:
Allotments of units, upto 3 decimals/fractions, will be subject to realization of payment instrument and subject to the AMC having been reasonably satisfied of having received clear funds.

An applicant in the scheme whose application has been accepted shall have the option either to receive the statement of accounts or to hold the units in dematerialised form. The AMC shall issue a statement of accounts specifying the number of units allotted to the applicant as soon as possible but not later than five working days from the date of receipt of the application. Further, the AMC shall issue units in dematerialized form to a unit holder in a scheme within two working days of the receipt of request from the unit holder.

However, acceptance of application and allotment of units will be at the absolute discretion of the Trustees and the application can be rejected without assigning any reason whatsoever.

Date of subscription at the notified centers is deemed to be the date of allotment for claiming tax benefits under the Scheme, provided the application has not been rejected by the Fund subsequently for the reasons explained above.

Consolidated Account Statement (CAS):
A Consolidated Account Statement (CAS) shall also be sent to the unitholder in whose folio transactions have taken place during that month, on or before 15th of the succeeding month by e-mail/mail. In case of specific request received from investors, Mutual Fund will provide an account statement to the investors within 5 (five) Business Days from the receipt of such request.

SEBI vide its circular ref. no.CIR/MRD/DP/31/2014 dated November 12, 2014, in order to enable a single consolidated view of all the investments of an investor in Mutual Fund and securities held in DEMAT form with Depositories, has required Depositories to generate and dispatch a single consolidated account statement for investors having mutual fund investments and holding DEMAT accounts. In view of the said requirements the account statements for transactions in units of the Fund by investors on or after February 1, 2015 will be dispatched to investors in following manner:

I. Investors who do not hold DEMAT Account
Consolidated account statement*, based on PAN of the holders, shall be sent by AMC/ RTA to investors not holding DEMAT account, for each calendar month on or before the 15th day of the succeeding month to the investors in whose folios transactions have taken place during that month. Consolidated account statement shall be sent by AMC/RTA every half yearly (September/ March), on or before the 21st day of succeeding month, detailing holding at the end of the six month, to all such investors in whose folios there have been no transactions during that period.

*Consolidated account statement sent by AMC/RTA is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, Reinvestment of Income Distribution cum Capital Withdrawal Option, Payout of Income Distribution cum Capital Withdrawal Option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and holding at the end of the month.

II. Investors who hold DEMAT Account
Consolidated account statement**, based on PAN of the holders, shall be sent by Depositories to investors holding DEMAT account, for each calendar month on or before the 15th day of the succeeding month to the investors in whose folios transactions have taken place during that month. Consolidated account statement shall be sent by Depositories every half yearly (September/March), on or before the 21st day of succeeding month, detailing holding at the end of the six month, to all such investors in whose folios and DEMAT accounts there have been no transactions during that period.

In case of DEMAT accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send account statement in terms of regulations applicable to the depositories.

**Consolidated account statement sent by Depositories is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, Reinvestment of Income Distribution cum Capital Withdrawal Option, Payout of Income Distribution cum Capital Withdrawal Option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and transaction in dematerialised securities across DEMAT accounts of the investors and holding at the end of the month.

Following provisions shall be applicable to CAS sent through AMC/ RTA and CAS sent through depositaries:

a. Investors are requested to note that for folios which are not included in the CAS, AMC shall henceforth issue monthly account statement to the unit holders, pursuant to any financial transaction done in such folios; the monthly statement will be sent on or before fifteenth day of succeeding month. Such statements shall be sent in physical form if no email id is provided in the folio.
b. The statement sent within the time frame mentioned above is provisional and is subject to realisation of payment instrument and/or verification of documents, including the application form, by the RTA/AMC.

c. In the event the folio/demat account has more than one registered holder, the first named Unit holder/Account holder shall receive the CAS (AMC/RTA or Depository). For the purpose of CAS (AMC/RTA or Depository), common investors across mutual funds/depositories shall be identified on the basis of PAN. Consolidation shall be based on the common sequence/order of investors in various folios/demat accounts across mutual funds / demat accounts across depository participants.

d. Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS. Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN.

e. For Unit Holders who have provided an e-mail address in KYC records, the CAS will be sent by e-mail.

f. The Unit Holder may request for a physical account statement by writing to/calling the AMC/RTA. In case of a specific request received from the unit holders, the AMC/RTA shall provide the account statement to the unit holders within 5 business days from the receipt of such request.

g. Account Statements shall not be construed as proof of title and are only computer printed statements indicating the details of transactions under the Schemes during the current financial year and giving the closing balance of Units for the information of the Unit Holder.

h. Account Statement will be issued on allotment

i. The Units are transferrable in compliance with Regulation 37 of SEBI (MFs) Regulations, 1996.

Half Yearly Consolidated Account Statement:
A consolidated account statement detailing holding across all schemes at the end of every six months (i.e. September/ March), on or before 21st day of succeeding month, to all such Unit holders in whose folios no transaction has taken place during that period shall be sent by mail/email.

The half yearly consolidated account statement will be sent by e-mail to the Unit holders whose e-mail address is registered with the Fund, unless a specific request is made to receive in physical.

Unit holders who receive account statements by e-mail may download the documents after receiving e-mail from the Fund. Should the Unit holder experience any difficulty in accessing the electronically delivered documents, the Unit holder shall promptly advise the Fund to enable the Fund to make the delivery through alternate means. It is deemed that the Unit holder is aware of all security risks including possible third party interception of the documents and contents of the documents becoming known to third parties.

For ease of communication, first applicant’s own email ID and mobile number should be provided. As per AMFI Circular No. 135/8P/97/2021-22, if email ID and Contact number of Primary Unit Holder is not available then email ID and Mobile number of family member can be provided.

Further, as per the provisions of Para 14.3.3.4.b of SEBI Master Circular for Mutual Funds dated May 19, 2023, CAS issued for the half-year shall also provide the following:

- The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor’s total investments in each scheme.

- The scheme’s average Total Expense Ratio (in percentage terms) for the half-year period for each scheme’s applicable plan (regular or direct or both) where the concerned investor has actually invested in.

- Such half-yearly CAS shall be issued to all investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period. Aforesaid Consolidated Account Statement (CAS) will issued in line with SEBI circulars issued from time to time.

Option to hold Units in dematerialized (demat) form

The Unit holders under the Scheme/Plan(s) shall have an option to subscribe/hold the Units in demat form in accordance with the provisions laid under the respective Scheme/Plan(s) and in terms of the guidelines/procedural requirements as laid by the Depositories (NSDL/CDSL) from time to time.

Investors intending to hold units in electronic (demat) form will be required to have beneficiary account with a Depository Participant (DP) (registered with NSDL / CDSL) and will be required to indicate, in the application form, the DP’s name, DP ID Number and the Beneficiary account number of the applicant held with the DP at the time of subscribing to the units. Applicants must ensure that the sequence of the names as mentioned in the application form matches with that of the beneficiary account held with the DP. Names, PAN details, KYC details etc. mentioned in the Application Form will be verified against the Depository records. If the details mentioned in the application form are found to be incomplete / incorrect or not matching with the depository records, the application shall be treated as application for physical (non-demat) mode and accordingly units will be allotted in physical (non-demat) mode. Unitholders who have opted to hold and thereby allotted units in electronic (demat) form will receive payment of redemption / IDCW proceeds into bank account linked to their Demat account.
In case, the Unit holder desires to hold the Units in a Dematerialized /Rematerialized form at a later date, the request for conversion of units held in non-demat form into Demat (electronic) form or vice-versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participants.

Units held in demat form will be transferable subject to the provisions laid under the respective Scheme(s)/Plan(s) and in accordance with provisions of Depositories Act, 1996 and the Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 as may be amended from time to time.

Redemption

The redemption proceeds shall be dispatched paid to the unitholders within 3 working days from the date of receipt of redemption application, complete/in good order in all respects.

Investors shall further note that pursuant to Para 14.1.3 of SEBI Master Circular for Mutual Funds dated May 19, 2023, AMFI, in consultation with SEBI had published a list of exceptional circumstances for schemes unable to transfer redemption or repurchase proceeds to investors within timeline stipulated above. AMFI has also published/provided the additional timelines for making redemption payment alongwith list of exceptional situations. For details investors are requested to refer Notice cum Addendum No. 47 dated January 19, 2023, published by CRMF on its website.

Unitholders will receive redemption proceeds directly into their bank account through various electronic payout modes such as Direct credit/ NEFT/ RTGS/ IMPS etc. Physical despatch of redemption proceeds shall be carried out only in exceptional circumstances.

IDCW

The payment of dividend/IDCW proceeds shall be made to the unitholders within 7 working days from the record date

Delay in payment of redemption / repurchase proceeds

The AMC shall be liable to pay interest to the Unit holders at 15% or such other rate as may be prescribed by SEBI from time to time, in case the redemption / repurchase proceeds are not made within 3 Business/ Working Days of the date of Redemption / repurchase. However, the AMC will not be liable to pay any interest or compensation or any amount otherwise, in case the AMC / Trustee is required to obtain from the investor / unitholders verification of identity or such other details relating to subscription for Units under any applicable law or as may be requested by a regulatory body or any government authority, which may result in delay in processing the application.

Investors shall further note that pursuant to Para 14.1.3 of SEBI Master Circular for Mutual Funds dated May 19, 2023, AMFI, in consultation with SEBI had published a list of exceptional circumstances for schemes unable to transfer redemption or repurchase proceeds to investors within timeline stipulated above. AMFI has also published/provided the additional timelines for making redemption payment alongwith list of exceptional situations. For details investors are requested to refer Notice cum Addendum No. 47 dated January 19, 2023, published by CRMF on its website.

Investment of unclaimed redemption and dividend/IDCW amounts of the schemes of the CRMF:

Pursuant to Para 14.3 of SEBI Master Circular for Mutual Funds dated May 19, 2023, issued on “Treatment of unclaimed redemption and dividend/IDCW amounts”, the new plan viz. Canara Robeco Liquid Fund – Unclaimed Redemption & Dividend Plan – Direct Growth Option has been introduced with the limited purpose of deploying the unclaimed redemption and dividend/IDCW amounts of the schemes of the Canara Robeco Mutual Fund (“CRMF”).

The said Plan will not be available for subscription/switch-in by investors/Unit Holders of the schemes of the CRMF.No exit load will be charged on the plan and the total expense ratio of the Plan will be capped at 50 bps. All other terms and conditions of the Scheme remain unchanged.

Investors who claim the unclaimed amounts during a period of three years from the due date shall be paid initial unclaimed amount along-with the income earned on its deployment. Investors, who claim these amounts after 3 years, shall be paid initial unclaimed amount along-with the income earned on its deployment till the end of the third year. After the third year, the income earned on such unclaimed amounts shall be used for the purpose of investor education.

Foreign Account Tax Compliance Act

FATCA is an acronym for Foreign Account Tax Compliance Act (“FATCA”), a United States Federal law to increase compliance by US taxpayers and is intended to bolster efforts to prevent tax evasion by the US taxpayers with offshore investments. The Government of India and the United States of America (US) have reached an agreement in substance on the terms of an Inter- Governmental Agreement (IGA) and India is now treated as having an IGA in effect from April 11, 2014. The AMC/Fund are likely to be classified as a ‘Foreign Financial Institution’ (Investment Entity as per Annexure 1(i)) under the FATCA provisions. In accordance with FATCA provisions, the AMC/Mutual Fund will be required to undertake due diligence process and identify US reportable accounts and collect such information/documentary evidences of the US and/or non-US status of its investors/Unit holders and disclose such information (through its agents or service providers) as far as may be legally permitted about the holdings, investment returns and/or to US Internal Revenue Service (IRS) or the Indian Tax Authorities, as the case may be for the purpose of onward transmission to the IRS pursuant to the new reporting regime under FATCA.

Change in the process for Investments made in the name of a Minor through a Parent/ Guardian:

a) Investments (including via on-going SIP registrations) in the name of minors shall be permitted only from bank account of the minor/parent or the legal guardian of the minor or from a bank account held by the minor along with the parent or legal guardian as joint holder(s).

It is reiterated that the redemption/Income Distribution cum Capital Withdrawal (IDCW) proceeds for investments held in the name of such Minor folio(s) continue to be paid/transferred to the “Verified Bank Account of the Minor” (i.e., bank account of the minor or minor with parent/legal guardian(s) only). Therefore, investors must ensure to update the folios with appropriate bank account details of the minor as the ‘Pay-out Mandate Bank’ by providing necessary documents before tendering redemption requests/or receiving IDCW distributions.

b) Upon the minor attaining the status of major, the minor in whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new account. No further transactions shall be allowed till the status of the minor is changed to major.

c) The Mutual Fund/AMC has a system control at the account set up stage of Systematic Investment Plan (SIP), Systematic Transfer Plan (STP) and Systematic Withdrawal Plan (SWP) on the basis of which, the standing instruction is suspended when the minor attains majority, till the status is changed to major.

Listing
As the repurchase facility is provided on an ongoing basis, at NAV related prices, the units of the Scheme is not listed on any Stock Exchanges. However, the Mutual Fund may at its sole discretion list the Units under the Scheme on one or more stock exchange at a later date.

The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.

The number of Units held by the Unit holder under his folio will stand reduced by the number of Units redeemed. Presently, the AMC does not intend to reissue the repurchased units. However, the Trustees reserve the right to reissue the repurchased units at a later date after issuing adequate public notice and taking approvals, if any, from SEBI.

Restrictions, if any, on the right to freely retain or dispose of units being offered

SUSPENSION OF SALE / REDEMPTION OF UNITS
Further, the Mutual Fund at its sole discretion reserves the right to suspend sale and Redemption of Units in the Scheme temporarily or indefinitely when any of the following conditions exist. However, the suspension of sale and Redemption of Units either temporarily or indefinitely will be with the approval of the Trustees:

1. When one or more stock exchanges or markets (including bullion markets, forex markets which provide for valuation), are closed otherwise than for ordinary holidays.
2. When, as a result of political, economic or monetary events or any circumstances outside the control of the Trustees and the AMC, the disposal of the assets of the Scheme are not reasonable, or would not reasonably be practicable without being detrimental to the interests of the Unit holders.
3. In the event of breakdown in the means of communication used for the valuation of investments of the Scheme, without which the value of the securities of the Scheme cannot be accurately calculated.
4. During periods of extreme volatility of markets, which in the opinion of the AMC are prejudicial to the interests of the Unit holders of the Scheme.
5. In case of natural calamities, strikes, riots and bandhs etc.
6. In the event of any force majeure or disaster that affects the normal functioning of the AMC or the ISC.
7. During the period of Book Closure.
8. If so directed by SEBI.

The AMC reserves the right in its sole discretion to withdraw the facility of Sale of Units of the Scheme, temporarily or indefinitely, if AMC views that changing the size of the corpus further may prove detrimental to the existing Unit holders of the Scheme.

Suspension or restriction of Redemption facility shall be made applicable only after the approval of the Board of Directors of the AMC and the Trustees. The approval from the AMC Board and the Trustees giving details of circumstances and justification for the proposed action shall also be informed to SEBI in advance.

Further, Trading on stock exchanges may be halted (temporarily or indefinitely) because of market conditions or for reasons, that in view of the Exchange authorities or SEBI, trading in units of the scheme is not advisable.

Right to Limit Redemptions
Subject to complying with the requirements as stated at Para 1.12 of SEBI Master Circular for Mutual Funds dated May 19, 2023, the following requirements shall be observed before imposing restriction on redemptions.

The AMC with the specific approval of Board of Trustees and Directors under immediate intimation to SEBI, may impose restriction to the redemptions of units of the scheme when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as Liquidity issues, Market failures, exchange closures, Operational issues like force majeure, technical failures etc.

Such restrictions will not exceed 10 working days in a period of 90 days. No redemption requests up to INR 2 lakh will be subject to any restrictions. Where redemption requests are above INR 2 lakh, AMC will redeem the first INR 2 lakh without restrictions and remaining part over and above INR 2 lakh will be subject to the following restrictions.

The AMC may restrict the maximum number of units that may be redeemed from a scheme/options on a business day to 5% of the total number of Units then in issue under the Scheme and option(s) thereof (or such higher percentage as the AMC may decide in any particular case) excluding the units that will be redeemed as per regulations without restrictions as above.

Accounts Statements

On acceptance of the application for subscription, an allotment confirmation specifying the number of units allotted by way of e-mail and/or SMS within 5 business days from the date of receipt of transaction request will be sent to the Unitholders registered email address and/or mobile number.

Consolidated Account Statement (CAS)

A Consolidated Account Statement (CAS) shall also be sent to the unitholder in whose folio transactions have taken place during that month, on or before 15th of the succeeding month by e-mail/mail. In case of specific request received from investors, Mutual Fund will provide an account statement to the investors within 5 (five) Business Days from the receipt of such request.

SEBI vide its circular ref. no.CIR/MRD/DP/31/2014 dated November 12, 2014, in order to enable a single consolidated view of all the investments of an investor in Mutual Fund and securities held in DEMAT form with Depositories, has required Depositories to generate and dispatch a single consolidated account statement for investors having mutual fund investments and holding DEMAT accounts. In view of the said requirements the account statements for transactions in units of the Fund by investors on or after February 1, 2015 will be dispatched to investors in following manner:

I. Investors who do not hold DEMAT Account

Consolidated account statement*, based on PAN of the holders, shall be sent by AMC/ RTA to investors not holding DEMAT account, for each calendar month on or before the 15th day of the succeeding month to the investors in whose folios transactions have taken place during that month. Consolidated account statement shall be sent by AMC/RTA every half yearly (September/March), on or before the 21st day of succeeding month, detailing holding at the end of the six month, to all such investors in whose folios there have been no transactions during that period.

*Consolidated account statement sent by AMC/RTA is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, Reinvestment of Income Distribution cum Capital Withdrawal Option, Payout of Income Distribution cum Capital Withdrawal Option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and holding at the end of the month.

II. Investors who hold DEMAT Account

Consolidated account statement**, based on PAN of the holders, shall be sent by Depositories to investors holding DEMAT account, for each calendar month on or before the 15th day of the succeeding month to the investors in whose folios transactions have taken place during that month. Consolidated account statement shall be sent by Depositories every half yearly (September/March), on or before the 21st day of succeeding month, detailing holding at the end of the six month, to all such investors in whose folios and DEMAT accounts there have been no transactions during that period.

In case of DEMAT accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send account statement in terms of regulations applicable to the depositories.

**Consolidated account statement sent by Depositories is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, Reinvestment of Income Distribution cum Capital Withdrawal Option, Payout of Income Distribution cum Capital Withdrawal Option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and transaction in dematerialised securities across DEMAT accounts of the investors and holding at the end of the month.

Following provisions shall be applicable to CAS sent through AMC/ RTA and CAS sent through depositories:

a. Investors are requested to note that for folios which are not included in the CAS, AMC shall henceforth issue monthly account statement to the unit holders, pursuant to any financial transaction done in such folios; the monthly statement will be sent on or before fifteenth day of succeeding month. Such statements shall be sent in physical form if no email id is provided in the folio.

b. The statement sent within the time frame mentioned above is provisional and is subject to realisation of payment instrument and/or verification of documents, including the application form, by the RTA/AMC.

c. In the event the folio/demat account has more than one registered holder, the first named Unit holder/Account holder shall receive the CAS (AMC/RTA or Depository). For the purpose of CAS (AMC/RTA or Depository), common investors across mutual funds/depositories shall be identified on the basis of PAN. Consolidation shall be based on the common sequence/order of investors in various folios/demat accounts across mutual funds / demat accounts across depository participants.
d. Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS. Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN.

e. For Unit Holders who have provided an e-mail address in KYC records, the CAS will be sent by e-mail.

f. The Unit Holder may request for a physical account statement by writing to/calling the AMC/RTA. In case of a specific request received from the unit holders, the AMC/RTA shall provide the account statement to the unit holders within 5 business days from the receipt of such request.

g. Account Statements shall not be construed as proof of title and are only computer printed statements indicating the details of transactions under the Schemes during the current financial year and giving the closing balance of Units for the information of the Unit Holder.

h. The Units are transferrable in compliance with Regulation 37 of SEBI (MFs) Regulations, 1996.

**Annual Account Statement:**

The Mutual Funds shall provide the Account Statement to the Unit holders who have not transacted during the last six months prior to the date of generation of account statements. The Account Statement shall reflect the latest closing balance and value of the Units prior to the date of generation of the account statement.

The account statements in such cases may be generated and issued along with the Portfolio Statement or Annual Report of the Scheme.

Alternately, soft copy of the account statements shall be mailed to the investors’ e-mail address, instead of physical statement.

**Half Yearly Consolidated Account Statement:**

A consolidated account statement detailing holding across all schemes at the end of every six months (i.e. September/March), on or before 21st day of succeeding month, to all such Unit holders in whose folios no transaction has taken place during that period shall be sent by mail/email.

The half yearly consolidated account statement will be sent by e-mail to the Unit holders whose e-mail address is registered with the Fund, unless a specific request is made to receive in physical.

Unit holders who receive account statements by e-mail may download the documents after receiving e-mail from the Fund. Should the Unit holder experience any difficulty in accessing the electronically delivered documents, the Unit holder shall promptly advise the Fund to enable the Fund to make the delivery through alternate means. It is deemed that the Unit holder is aware of all security risks including possible third party interception of the documents and contents of the documents becoming known to third parties.

For ease of communication, first applicant’s own email ID and mobile number should be provided. As per AMFI Circular No. 135/BP/97/2021-22, if email ID and Contact number of Primary Unit Holder is not available then email ID and Mobile number of family member can be provided.

Further, as per the provisions of SEBI circular dated 20th September, 2016 CAS issued for the half-year shall also provide the following:

- The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor’s total investments in each scheme.
- The scheme’s average Total Expense Ratio (in percentage terms) for the half-year period for each scheme’s applicable plan (regular or direct or both) where the concerned investor has actually invested in.
- Such half-yearly CAS shall be issued to all investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period. Aforesaid Consolidated Account Statement (CAS) will issued in line with SEBI circulars issued from time to time.

**Redemption:**

The redemption proceeds shall be dispatched to the unitholders within 3 working days from the date of receipt of redemption application, complete/in good order in all respects.

**How to Redeem**

A Transaction Slip can be used by the Unitholder to request for Redemption. The requisite details should be entered in the Transaction Slip and submitted at an ISC/Official Point of Acceptance. Transaction Slips can be obtained from any of the ISCs/Official Points of Acceptance.
Procedure for payment of redemption

1. Resident Unitholders:
Unitholders will receive redemption proceeds directly into their bank account through various electronic payout modes such as Direct credit / NEFT / RTGS / IMPS unless they have opted to receive the proceeds through Cheque / Demand Draft. Redemption proceeds will be paid in favour of the Unit holder (registered holder of the Units or, if there is more than one registered holder, only to the first registered holder) through “Account Payee” cheque / demand draft with bank account number furnished to the Mutual Fund (please note that it is mandatory for the Unit holders to provide the Bank account details as per the directives of SEBI, even in cases where investments are made in cash). Redemption cheques will be sent to the Unit holder’s address (or, if there is more than one holder on record, the address of the first-named Unitholder). The redemption proceeds will be sent by courier or (if the addressee city is not serviced by the courier) by registered post / UCP to the registered address of the sole / first holder as per the records of the Registrars. For the purpose of delivery of the redemption instrument, the dispatch through the courier / Postal Department, as the case may be, shall be treated as delivery to the investor. The AMC / Registrar are not responsible for any delayed delivery or non-delivery or any consequences thereof, if the dispatch has been made correctly as stated above.

2. Non-Resident Unitholders
Payment to NRI / FII Unit holders will be subject to the relevant laws / guidelines of the RBI as are applicable from time to time (also subject to deduction of tax at source as applicable).

i. In the case of NRIs: Credited to the NRI investor’s NRO account, where the payment for the purchase of the Units redeemed was made out of funds held in NRO account; or

ii. Remitted abroad or at the NRI investor’s option, credited to his NRE /FCNR / NRO account, where the Units were purchased on repatriation basis and the payment for the purchase of Units redeemed was made by inward remittance through normal banking channels or out of funds held in NRE / FCNR account.

In the case of FII, the designated branch of the authorized dealer may allow remittance of net sale / maturity proceeds (after payment of taxes) or credit the amount to the Foreign Currency account or Non-resident Rupee account of the FII maintained in accordance with the approval granted to it by the RBI.

The Fund will not be liable for any delays or for any loss on account of any exchange fluctuations, while converting the rupee amount in foreign exchange in the case of transactions with NRIs / FII. The Fund may make other arrangements for effecting payment of redemption proceeds in future.

Effect of Redemption:
The number of Units held by the Unit Holder in his/ her/ its folio will stand reduced by the number of Units Redeemed. Units once redeemed will be extinguished and will not be re-issued. The normal processing time may not be applicable in situations where details like bank name, bank account no. etc. are not provided by investors/ Unit holders. The AMC will not be responsible for any loss arising out of fraudulent encashment of cheques and/or any delay/ loss in transit.

Redemption by investors transacting through the Stock Exchange Mechanism:
Investors who wish to transact through the stock exchange shall place orders for redemptions as currently practiced for secondary market activities. Investors must submit the Delivery Instruction Slip to their Depository Participant on the same day of submission of redemption request, within such stipulated time as may be specified by NSE/BSE, failing which the transaction will be rejected. Investors shall seek redemption requests in terms of number of Units only and not in Rupee amounts. Redemption amounts shall be paid by the AMC to the bank mandate registered with the Depository Participant.

Redemption by investors who hold Units in dematerialized form
Redemption request for Units held in demat mode shall not be accepted at the offices of the Mutual Fund/AMC/Registrar. Unit holders shall submit such request only through their respective Depository Participants.

Delay in payment of redemption /repurchase proceeds
The AMC shall be liable to pay interest to the Unit holders at 15% or such other rate as may be prescribed by SEBI from time to time, in case the redemption / repurchase proceeds are not made within 3 working days of the date of Redemption / repurchase. However, the AMC will not be liable to pay any interest or compensation or any amount otherwise, in case the AMC / Trustee is required to obtain from the investor / unitholders verification of identity or such other details relating to subscription for Units under any applicable law or as may be requested by a regulatory body or any government authority, which may result in delay in processing the application.

Investors shall further note that pursuant to Para 14.1.3 of SEBI Master Circular for Mutual Funds dated May 19, 2023, AMFI, in consultation with SEBI had published a list of exceptional circumstances for schemes unable to transfer redemption or repurchase proceeds to investors within timeline stipulated above. AMFI has also published/provided the additional timelines for making redemption payment alongwith list of exceptional situations. For details investors are requested to refer Notice cum Addendum No. 47 dated January 19, 2023, published by CRMF on its website.
### B. PERIODIC DISCLOSURES

**Net Asset Value**

This is the value per unit of the Scheme/s on a particular day. You can ascertain the value of your investments by multiplying the NAV with your unit balance.

DEFINITIONS
The term ‘segregated portfolio’ shall mean a portfolio, comprising of debt or money market instrument affected by a credit event, that has been segregated in a mutual fund scheme.
The term ‘main portfolio’ shall mean the scheme portfolio excluding the segregated portfolio.
The term ‘total portfolio’ shall mean the scheme portfolio including the securities affected by the credit event.

PROCESS & PROCEDURE
AMC may create segregated portfolio in a mutual fund scheme subject to the following:

1. Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:
   a. Downgrade of a debt or money market instrument to ‘below investment grade’, or
   b. Subsequent downgrades of the said instruments from ‘below investment grade’, or
   c. Similar such downgrades of a loan rating.

2. In case of difference in rating by multiple CRAs, the most conservative rating shall be considered. Creation of segregated portfolio shall be based on issuer level credit events as detailed at paragraph C-1 and implemented at the ISIN level.

3. SEBI vide Para 4.4 of SEBI Master Circular for Mutual Funds dated May 19, 2023, has also permitted creation of segregated portfolio of unrated debt or money market instruments by mutual fund schemes of an issuer that does not have any outstanding rated debt or money market instruments, subject to the following:
   a. Segregated portfolio of such unrated debt or money market instruments may be created only in case of actual default of either the interest or principal amount. ‘Actual default’ by the issuer of such instruments shall be considered for creation of segregated portfolio.
   b. AMC shall inform AMFI immediately about the actual default by the issuer. Upon being informed about the default, AMFI shall immediately inform the same to all AMCs. Pursuant to dissemination of information by AMFI about actual default by the issuer, AMC may segregate the portfolio of debt or money market instruments of the said issuer as per the procedure mentioned below.

4. If the debt instruments with special features such as subordination to equity (absorbs losses before equity capital) and/or convertible to equity upon trigger of a pre-specified event for loss absorption is to be written off or converted to equity pursuant to any proposal, the date of said proposal may be treated as the trigger date. However, if the said instruments are written off or converted to equity without proposal, the date of write off or conversion of debt instrument to equity may be treated as the trigger date.

5. Creation of segregated portfolio shall be optional and at the discretion of the AMC. It will be created only if the Scheme Information Document (SID) of the scheme has provisions for segregated portfolio with adequate disclosures.

Process for creation of segregated portfolio

a. AMC shall decide on creation of segregated portfolio on the day of credit event. Once an AMC decides to segregate portfolio, it shall
   i. seek approval of trustees prior to creation of the segregated portfolio.
   ii. immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors. The mutual fund should also disclose that the segregation shall be subject to trustee approval. Additionally, the said press release shall be prominently disclosed on the website of the AMC.
   iii. ensure that till the time the trustee approval is received, which in no case shall exceed 1 business day from the day of credit event, the subscription and redemption in the scheme shall be suspended for processing with respect to creation of units and payment on redemptions.
   b. Once trustee approval is received by the AMC,
      i. Segregated portfolio shall be effective from the day of credit event
      ii. AMC shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information shall also be submitted to SEBI.
      iii. An e-mail or SMS should be sent to all unit holders of the concerned scheme.
      iv. The NAV of both segregated and main portfolio shall be disclosed from the day of the credit event.
      v. All existing investors in the scheme as on the day of the credit event shall be allotted equal number of units in the segregated portfolio as held in the main portfolio.
      vi. No redemption and subscription shall be allowed in the segregated portfolio. However, in order to facilitate exit to unit holders in segregated portfolio, AMC shall enable listing of units of segregated portfolio on the recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests.
   c. If the trustees do not approve the proposal to segregate portfolio, AMC shall issue a press release immediately informing investors of the same.
Valuation and processing of subscriptions and redemptions

a. Notwithstanding the decision to segregate the debt and money market instrument, the valuation should take into account the credit event and the portfolio shall be valued based on the principles of fair valuation (i.e. realizable value of the assets) in terms of the relevant provisions of SEBI (Mutual Funds) Regulations, 1996 and Circular(s) issued thereunder.

b. All subscription and redemption requests for which NAV of the day of credit event or subsequent day is applicable will be processed as per the existing circular on applicability of NAV as under:
   i. Upon trustees’ approval to create a segregated portfolio -
      • Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.
      • Investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV.
   ii. In case trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio.

Disclosure Requirements

In order to enable the existing as well as the prospective investors to take informed decision, the following shall be adhered to:

a. A statement of holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and main portfolio as on the day of the credit event shall be communicated to the investors within 5 working days of creation of the segregated portfolio.

b. Adequate disclosure of the segregated portfolio shall appear in all scheme related documents, in monthly and half-yearly portfolio disclosures and in the annual report of the mutual fund and the scheme.

c. The Net Asset Value (NAV) of the segregated portfolio shall be declared on daily basis.

d. The information regarding number of segregated portfolios created in a scheme shall appear prominently under the name of the scheme at all relevant places such as SID, KIM-cum-Application Form, advertisement, AMC and AMFI websites, etc.

e. The scheme performance required to be disclosed at various places shall include the impact of creation of segregated portfolio. The scheme performance should clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and the said fall in NAV along with recovery(ies), if any, shall be disclosed as a footnote to the scheme performance.

f. The disclosures at paragraph (d) and (e) above regarding the segregated portfolio shall be carried out for a period of at least 3 years after the investments in segregated portfolio are fully recovered/ written-off.

g. The investors of the segregated portfolio shall be duly informed of the recovery proceedings of the investments of the segregated portfolio. Status update may be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities.

TER for the Segregated Portfolio

a. AMC shall not charge investment and advisory fees on the segregated portfolio. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in segregated portfolio.

b. The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.

c. The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.

d. The costs related to segregated portfolio shall in no case be charged to the main portfolio.
Monitoring by Trustees

a. In order to ensure timely recovery of investments of the segregated portfolio, trustees shall ensure that:
   i. The AMC puts in sincere efforts to recover the investments of the segregated portfolio.
   ii. Upon recovery of money, whether partial or full, it shall be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio.
   iii. An Action Taken Report (ATR) on the efforts made by the AMC to recover the investments of the segregated portfolio is placed in every trustee meeting till the investments are fully recovered/ written-off.
   iv. The trustees shall monitor the compliance of this circular and disclose in the half-yearly trustee reports filed with SEBI, the compliance in respect of every segregated portfolio created.

b. In order to avoid mis-use of segregated portfolio, trustees shall ensure to have a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment Officers (CIOs), etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.

Illustration of Segregated Portfolio:
For the purpose of illustration we are considering a portfolio of scheme with only growth plan with outstanding units of 10,000. One of the investments - 23700 units of 8.04% E Ltd NCD (MD 27/01/2022) valued at 91.5571 per unit suffered a credit event on 4th June 2019 as its ratings changed from A- to C. This security was marked down by 55% and is to be valued at 41.2007 per unit. The following workings illustrates the segregated portfolio creation and the effect on the NAV.

Investors are requested to note that the above provisions/guidelines for creation of segregated portfolio have been incorporated in the SID with a view to offer general understanding of the concept and only as a regulatory update. As on the date, CRMF/CRAMC have not invoked the aforesaid provision relating to segregated portfolio in any of its schemes. After updation of this SID, if any credit event occurs in one or more of its schemes, which in the opinion of CRMC requires segregation of portfolio, then CRAMC/CRMF would initiate steps to comply with the procedure prescribed under Regulation 18(15A) and any other applicable circulars/guidelines issued by SEBI in this regard from time to time.

C. COMPUTATION OF NAV

The computation of NAV, valuation of securities / assets, accounting policies and standards would be in conformity with the SEBI (Mutual Funds) Regulations, 1996 and guidelines issued from time to time. The NAV per unit shall be calculated as follows:

\[
NAV \ (Rs.) = \frac{(\text{Market or Fair Value of Scheme's investments} + \text{Current Assets} - \text{Current Liabilities and Provisions})}{(\text{No. of Units outstanding under the Scheme})}
\]

The price arrived shall be rounded off up to four decimals.

**An Illustration:**

Assume that the Market or Fair Value of Scheme’s investments is Rs. 1,00,00,000; Current asset of the scheme is Rs. 25,00,000; Current Liabilities and Provisions is Rs. 15,00,000 and the No. of Units outstanding under the scheme are 5,00,000.

Thus, the NAV will be calculated as:

\[
NAV = \frac{1,00,00,000 + 25,00,000 - 15,00,000}{5,00,000}
\]

Therefore, the NAV of the scheme is Rs. 22.0000

D. COMPUTATION OF SALE PRICE

Since the fund do not charge any Entry Load, the Purchase price or “Sale Price” is same as NAV of the fund disclosed on daily basis. Therefore, entry load, if any shall be charged as a percentage of Net Assets Value (NAV) for calculating Sale Price i.e. applicable Entry Load (if any) as a percentage of NAV will be added to NAV to calculate “Sale Price”. In other words, the following formulae shall be used:

\[
\text{SALE PRICE} = \text{Applicable NAV} \times (1 + \text{Entry Load, if any})
\]

**An Illustration:**

An investor invests Rs. 20,000/- and the current NAV is Rs.20/-. The entry load levied by the scheme is Nil i.e.0%.

Therefore, Sale price at which the investor invests = Rs.20.00 * (1 + 0%) = Rs.20.00.

E. COMPUTATION OF REPURCHASE PRICE

For calculating the Repurchase Price, exit load charged to the scheme is subtracted i.e. applicable Exit Loads as a percentage of NAV will be subtracted from NAV to calculate Repurchase Price. The formula for calculation of Repurchase Price would be:

\[
\text{REPURCHASE PRICE} = \text{Applicable NAV} \times (1 - \text{Exit Load, if any})
\]

**An Illustration:**

An investor invests Rs. 20,000/- and the current NAV is Rs.20/-. The exit load levied by the scheme is 1.0% if redeemed/switched within 1 year from the date of allotment.

Therefore, the Repurchase Price will be = Rs.20.00*(1-0.0%)=20 or not

Notes:

1. It is assumed in the above illustration that the Investor redeems his investments within the applicable exit load period. No exit load will be levied after the completion of period of applicable exit load.
2. Different Schemes may have different exit load structures. Investors are requested to refer the Scheme documents / AMC website to know the latest exit load structures
IV. FEES AND EXPENSES

This section outlines the expenses that will be charged to the schemes:

A. NEW FUND OFFER (NFO) EXPENSES

As this is an ongoing offer, there are no New Fund Offer Expenses.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents’ fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that the following percentage of the daily net assets of the scheme will be charged to the scheme as expenses. For the actual current expenses being charged, the investor should refer to the website of the mutual fund www.canararobeco.com. Any expenses beyond the prescribed limit shall be charged / borne in accordance with the Regulations prevailing from time to time.

** Excluding GST

Fungibility of expenses: The expenses towards Investment Management and Advisory Fees under Regulation 52 (2) and the various sub-heads of recurring expenses mentioned under Regulation 52 (4) of SEBI (MF) Regulations are fungible in nature. Thus, there shall be no internal sub-limits within the expense ratio for expense heads mentioned under Regulation 52 (2) and (4) respectively. Further, the additional expenses under Regulation 52(6A)(c) shall also be incurred towards the same expense heads. However, as per Para 10.1.7 of SEBI Master Circular for Mutual Funds dated May 19, 2023, in cases of all schemes, wherein exit load is not levied / not applicable, the AMC’s will not be eligible to charge the above mentioned additional expenses for such schemes.
The purpose of the above table is to assist the Investor in understanding the various costs and expenses that an Investor in the Scheme will bear directly or indirectly. The figures in the table above are estimates. The actual expenses that can be charged to the Scheme will be subject to limits prescribed from time to time under the SEBI (MF) Regulations.

#As per the Regulation 52, the investment management fee and total annual scheme recurring expenses chargeable to the Scheme are as under:

(i) On the first Rs. 500 crore of the daily net assets - 2.25%;
(ii) On the next Rs. 250 crore of the daily net assets – 2.00%;
(iii) On the next Rs. 1,250 crore of the daily net assets - 1.75%;
(iv) On the next Rs. 3,000 crore of the daily net assets – 1.60%;
(v) On the next Rs. 5,000 crore of the daily net assets – 1.50%;
(vi) On the next Rs. 40,000 crores of the daily net assets - Total expense ratio reduction of 0.05% for every increase of Rs. 5,000 crores of daily net assets or part thereof.
(vii) On the balance of the assets - 1.05%;

(a) Additional Expenses under Regulation 52 (6A): brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment, not exceeding 0.12 per cent in case of cash market transactions and 0.05 per cent in case of derivatives transactions;

In accordance with Para 10.1.14 of SEBI Master Circular for Mutual Funds dated May 19, 2023, any payment towards brokerage and transaction cost, over and above the said 0.12% and 0.05% for cash market transactions and derivatives transactions respectively, may be charged to the Scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under Regulation 52 (6) of the SEBI (MF) Regulations, 1996.

(b) expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from such cities as specified by SEBI from time to time are at least -

(i) 30 per cent of gross new inflows in the scheme, or;
(ii) 15 per cent of the average assets under management (year to date) of the scheme, whichever is higher

Provided that if inflows from such cities is less than the higher of sub-clause (i) or sub-clause (ii), such expenses on daily net assets of the scheme shall be charged on proportionate basis;

The said additional expenses on account of inflows from beyond top 30 cities so charged shall be clawed back in the respective schemes, in case the said inflow is redeemed within a period of 1 year from the date of investment. The expenses charged under this clause shall be utilized for distribution expenses incurred for bringing inflows from such cities.

As per Para 10.1 of SEBI Master Circular for Mutual Funds dated May 19, 2023, additional TER can be charged based on inflows only from retail investors from B 30 cities. It will be based on inflows from retail investors (inflows of amount up to Rs. 2,00,000/- per transaction, by individual investors shall be considered as inflows from “retail investor”) from B 30 cities, keeping all other conditions of SEBI Circular(s) on charging of additional TER of 30 bps unchanged. Thus, inflows from corporates and institutions from B 30 cities henceforth will not be considered for computing the inflows from B 30 cities for the purpose of additional TER of 30 basis points.

The additional commission for B 30 cities shall be paid as trail only.

Note: SEBI vide its letter no. SEBI/HO/IMD-SEC-3/P/OW/2023/5823/1 dated February 24, 2023 and AMFI letter dated No. 35P/ MEM-COR/ 85-a/ 2022-23 dated March 02, 2023 has directed AMCs to keep B-30 incentive structure in abeyance with effect from March 01, 2023 till further notice.
An illustration:
Assuming, an investor has invested Rs.10,000/- in the scheme having total expense ratio of 2.25%. The scheme generated a CAGR return of 10% over one year. Therefore,

Investment Amount (Rs.) (A) = 10,000

Scheme Return (1Year) in CAGR (%) (B) = 10%

Return in One Year (Rs.) (C= (A)*(1+B)) = 1,000

Total Expense Ratio (%) (D) = 2.25%

Impact of Total Expense Ratio (Rs.) (E=A*D) = 225

Total Return to the investor (Rs.) (F=C-E) = 775

As mentioned in the illustration above, the schemes return to the investor is impacted by 2.25% due to the expense charged.

Please note that the above is an approximate illustration of the impact of expense ratio on the returns, where the Gross NAV has been simply reduced to the extent of the expenses. In reality, the actual impact would vary depending on the path of returns over the period of consideration. Expenses will be charged on daily net assets. These estimates have been made in good faith as per the information available to the Investment Manager based on past experience, but the total expenses shall not exceed the limits permitted by SEBI. Types of expenses charged shall be as per the SEBI (MF) Regulations. The purpose of the above illustration is to assist the investor in understanding the various costs and expenses that an investor in the scheme will bear directly or indirectly.

Goods and Service Tax (GST):
GST shall be charged as follows:

• GST on investment and advisory fees shall be charged to the Scheme in addition to the maximum limit on TER as prescribed in Regulation 52 (6) of the SEBI (MF) Regulations.

• GST on other than investment and advisory fees, if any, shall be borne by the Scheme within the maximum limit on TER as prescribed in Regulation 52 (6) of the SEBI (MF) Regulations.

• GST on brokerage and transaction cost paid for execution of trade, if any, shall be within the limit prescribed under Regulation 52 of the SEBI (MF) Regulations.

The Fund will update the current expense ratios on its website (www.Canararobeco.com) at least three working days prior to the effective date of the change. Additionally, the CRAMC will disclose the Total Expense Ratio (TER) of the Scheme on daily basis on the website of the Mutual Fund (www.canararobeco.com) and on the website of AMFI (http://www.amfiindia.com).

Provided that any increase or decrease in TER in a mutual fund scheme due to change in AUM and any decrease in TER in a mutual fund scheme due to various other regulatory requirements would not require issuance of any prior notice to the investors.

Further, any change in the base TER (i.e. TER excluding additional expenses provided in Regulation 52 (6A) (b) and 52 (6A) (c) of SEBI (Mutual Funds) Regulations, 1996) and Goods & Services Tax on investment and advisory fees in comparison to previous base TER charged to the Scheme/Plan shall be communicated to investors of the Scheme/Plan through notice via email or SMS and will be uploaded on the CRMF website (www.canararobeco.com) at least three working days prior to effecting such change.

Provided that any decrease in TER in a mutual fund scheme due to various regulatory requirements, would not require issuance of any prior notice to the investors.

NOTE:
The total expense ratio of the scheme is subject to change, based on the Regulations/Circulars issued by SEBI from time to time.

Investor Education and Awareness initiatives:
As per Para 10.1.16 of SEBI Master Circular for Mutual Funds dated May 19, 2023, the AMC shall annually set apart at least 2 basis points p.a. (i.e. 0.02% p.a.) on daily net assets of the Scheme within the limits of total expenses prescribed under Regulation 52 of SEBI (MF) Regulations for investor education and awareness initiatives undertaken by the Fund. The total expenses of the Scheme including the Investment Management and Advisory Fee shall not exceed the limits stated in Regulation 52 of the SEBI (MF) Regulations. Any expenditure in excess of the SEBI regulatory limits shall be borne by the AMC or by the Trustees or the Sponsor.
C. LOAD STRUCTURE

Load is an amount which is paid by the investor to subscribe to the units or to redeem the units from the scheme. This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.canararobeco.com) or may call at (1800 209 2726) or your distributor.

No exit load shall be charged on issue of units allotted on reinvestment of IDCW for existing as well as prospective investors. The above mentioned load structure shall be equally applicable to the special products such as SIP, switches, STP, SWP, etc. offered by the AMC. Further, for switches between the Growth and Income Distribution cum Capital Withdrawal Option or vice versa, no load will be charged by the scheme. For switches between the Plans i.e. between Regular and Direct Plan or vice versa, no load will be charged by the scheme.

Exit load charged to the investors will be credited back to the scheme net of GST. The Investor is requested to check the prevailing Load structure of the scheme before investing.

The distributors shall disclose all the commissions (in the form of trail commission or any other mode) payable to them for the different competing schemes of various mutual funds from amongst which the scheme is being recommended to the investor. For any change in load structure AMC will issue an addendum and display it on the website/- Investor Service Centers. The latest modification in the load structure whether by way of Exit Load will be stamped in the acknowledgment slip issued to the investor on submission of the Application Form and will also be disclosed in the Statement of Accounts issued after introduction of such load.

Any imposition or enhancement of Load in future shall be applicable on prospective investments only. At the time of changing the Load Structure following measures would be taken to avoid complaints from investors about investment in the schemes without knowing the loads:

i. The addendum detailing the changes would be attached to Scheme Information Document and Key Information Document. The addendum will be circulated to all the distributors / brokers so that the same can be attached to all Scheme Information Documents and Key Information Documents already in stock.

ii. Arrangements will be made to display the addendum in the Scheme Information Document in the form of a notice in all the Investor Service Centers and distributors / brokers office.

iii. A public notice would be given in respect of such changes in one English daily newspapers having nationwide circulation as well as in a newspaper publish in the language of region where the head office of the mutual fund is situated.

iv. The introduction of the exist load along with the details may be stamped in the acknowledgment slip issued to the investor on submission of the application from and may also be disclosed in the statement of account issued after the introduction of such load.

V. Any other measure which the AMC/ Mutual Fund may feel necessary.

The investor is requested to check the prevailing load structure of the scheme before investing.
