## CANARA ROBECO EMERGING EQUITIES

(Large & Mid Cap Fund - An open ended equity scheme investing in both large cap and mid cap stocks)

### This product is suitable for investors who are seeking\*:

- Capital appreciation over long term
- Investing predominantly in equities and equity related instruments of both large cap and mid cap companies

\*Investors should consult their financial advisers if in doubt about whether the product is suitable for them.

Indian economy is growing at a speed which is matched by few in the world. This provides an opportunity for strong sustainable growth to Indian business. Many large and mid-sized companies have the right business model and management skills to scale their business to new heights

### Presenting Canara Robeco Emerging Equities

Canara Robeco Emerging Equities follows bottom up approach to predominantly invest in large & mid cap companies. Large cap companies are defined as ones which are ranked Top 100 with respect to their full market capitalisation & mid cap companies as the companies which fall in the range of 101 to 250 such companies. The fund seeks to identify those companies that have the potential to become leaders of tomorrow in their respective sectors within the large and midcap space.

#### Large & mid cap companies –

Large Cap companies relatively tend to generate steady returns and Mid cap have immense growth potential as they are at an early stage in their life cycle and have more room for expansion.

#### Investment Style –

Fund follows GARP (Growth at Reasonable Price) style of investing

#### Investor Profile –

Ideal for investors who have an appetite for very high risk – return investments and an investment horizon of 3-5 years.
