21. **Real Time Gross Settlement (RTGS) & National Electronic Funds Transfer (NEFT):** CRAMC provides the facility of 'Real Time Gross Settlement (RTGS)' & 'National Electronic Funds Transfer (NEFT)' offered by Reserve Bank of India (RBI), which aims to provide credit of redemption and dividend payouts (if any) directly into the bank account of the Unit holder maintained with the banks (participating in the RTGS/NEFT System). Unit holders can check the list of banks participating in the RTGS/NEFT System from the RBI website i.e. www.rbi.org.in or contact any of our Investor Service Centres.

However, in the event of the name of Unit holder's bank not appearing in the 'List of Banks participating in RTGS/NEFT' updated on RBI website www.rbi.org.in, from time to time, the instructions of the Unit holder for remittance of redemption/ dividend (if any) proceeds via RTGS/NEFT System will be discontinued by CRMF/CRAMC without prior notice to the Unit holder and the payouts of redemption / dividend (if any) proceeds shall be effected by sending the Unit holder(s) a cheque / demand draft.

For more details on NEFT or for frequently asked questions (FAQs) on RTGS/NEFT, Unit holders are advised to visit the RBI website www.rbi.org.in.

Electronic Clearing Service (ECS) (available only in respect of dividend payments):

Investors who have opted for the ECS facility of RBI for dividend payment will receive a direct credit of the amount due to them in their mandated account whenever the payment is made through ECS. A separate advice regarding credit of amount(s) via ECS will be sent to the unit holder. It should be noted that while CRMF will make all efforts, there is no commitment that this facility will be made available to all desirous investors.

Applicants in cities not covered under ECS facility will receive dividend payments, if any by cheques or demand drafts and the same will be mailed to the Unitholders. The ECS Facility is available only in respect of dividend payments and not in the case of Redemption of Units. Therefore, the Investors will receive their redemption / dividend proceeds (if any) directly into their bank accounts in the following order:

- (i) In case the bank account of an investor is covered under RTGS/ NEFT system offered by the RBI then the payment of redemption / dividend proceeds (if any) shall be effected via RTGS/NEFT mechanism only.
- (ii) The facility for payment of dividend proceeds, if any via ECS shall be effected only in case the bank account of an investor is not covered under the RTGS/ NEFT system.

Each of the above facilities aims to provide direct credit of the redemption proceeds and dividend payouts (if any) into the bank account of the Unit holder and eliminates the time lag between despatch of the cheque, its receipt by the Unit holders and the need to personally bank the instrument and await subsequent credit to the Unit holders account. Further, the potential risk of loss of instruments in transit through courier/post is also eliminated. Each of the said facility as a mode of payment is faster, safer and reliable.

In case the bank account as communicated by the Unit holder is with any of the banks participating in the RTGS/NEFT System offered by RBI, CRAMC shall automatically extend this facility to the Unit holders provided unitholders have furnished all requisite information to CRAMC to receive such credits.

CRMF/CRAMC shall not be held liable for:

- (a) any losses / claims, etc. arising on account of processing the credit via RTGS/NEFT/ECS of redemption / dividend proceeds on the basis of Bank Account details as provided by the unit holder in the Application Form.
- (b) delayed receipt /non receipt of redemption /dividend amount for reason of incomplete /inaccurate information provided by the unit holders.

However, if the Unit holders are not keen on availing of any of the said facilities and prefer receiving cheques/demand drafts, Unit holders may indicate their intention in the Application Form in the space provided specifically. CRAMC would then ensure that the payouts are effected by sending the Unit holders a cheque / demand draft. In case of unforeseen circumstances, CRAMC reserves the right to issue a cheque/demand draft.

This Option is useful to Unit holders who wish to alter the allocation of their investment among the scheme(s) / plan(s) / option(s) of the Mutual Fund in order to meet their changed investment needs. The Switch will be effected by way of Redemption of Units from the Parent Scheme / Plan and reinvestment of the Redemption proceeds in the Target Scheme / Plan. Accordingly, to be effective, the Switch must comply with the Redemption rules of the Parent Scheme/Plan and the allotment rules of the Target Scheme/Plan (e.g. as to the minimum number of Units that may be redeemed or issued, Exit load etc). The price at which the Units will be switched out of the Parent Scheme/Plan will be based on the Redemption Price and the proceeds will be invested in the Target Scheme / Plan at the prevailing sale price of units in that Scheme / Plan. No load shall be imposed for switching between the Plans/Options within the Scheme.

The Switch request can be made on a pre-printed form or by using the relevant tear off section of the Transaction Slip attached with the Account Statement and should be submitted at / may be sent by mail to any of the ISCs. CRAMC retains the right to charge different Loads on Switching of Units as compared to Sale / Redemption of Units as the case may be. CRAMC reserves the right to impose loads for switching between (a) the Plans within the Scheme or (b) Options within the respective Plans at a future date.

Optional automatic switch of redemption proceeds on maturity of Close-ended Schemes (Auto Maturity Switch):

CRMF provides the investors the flexibility to switch their redemption proceeds receivable on maturity of the Parent Scheme to any of the other Scheme/Plan (Target Scheme) of CRMF available for subscription on the date of maturity of the Parent Scheme, as may be specified by the investor in the application form. The switch-in requests will be effected based on the applicable NAV of Parent and Target Schemes/Plans, subject to applicable cut-off timing provisions.

The Investor can choose to avail of this facility, (a) during the New Fund Offer (NFO) period, by selecting the option at the designated space provided in the application form or (b) or at any time before maturity of the Scheme by submitting a written request or transaction slip, confirming their intention to avail switch on maturity of the Scheme. Where the request is made after the NFO period but before maturity/ transaction slip and confirming their intention to avail switch on maturity, the request shall be processed on the date of maturity of the Parent Scheme. In case the Auto-switch option is selected in the Application Form but details of Target Scheme are not mentioned, the default scheme to be considered for switch would be Canara Robeco Liquid Fund (Regular Plan - Growth Option or Direct Plan - Growth Option) based on Plan & Option opted by the investor in the Parent Scheme. The switch out transaction will be processed based on the applicable Net Asset Value (NAV) on the date of maturity. In case of any inconsistency in selection of option viz, Payout of redemption proceeds on maturity of scheme or Maturity switch, payout of redemption proceeds shall be considered as default mode. Further, investor shall also have an option to alter his preference from maturity switch to Payout of redemption proceeds by submitting a written request, at any time during the tenure of the scheme, not later than 10 working days prior to the maturity of the scheme. To make the switch effective, investor shall be required to hold all the units till maturity of the scheme. If not traded on the primary stock exchange, the closing price on the other stock exchange will be considered. NSE will be the primary stock exchange. When a security is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE / BSE / any other Stock Exchange will be used provided such closing price is not exceeding a period of 30 calendar days prior to the valuation date.
	Non Traded	Definition of a Non-traded security: When a security is not traded on any Stock Exchange for a period of 30 days prior to the valuation date, it is treated as a 'non-traded' security and will be valued as follows: a. The computation of the valuation price will commence from the Ex-rights date and continue till the date of subscription to the rights shares. During this period, on days if traded prices are available for rights shares, they shall be valued as per the traded prices. If traded prices are not available on any particular day, the rights will be valued at the last available traded price. In case a decision is made not to apply for the rights the said rights entitlement will not be valued. d. B. Valuation of Physical Gold

Category	Current Valuation policy
Physical Gold	<p>Price of Physical Gold will be computed by using the AM fixing price of London Bullion Market Association (LBMA) in US dollars per troy ounce for gold having fineness of 995.0 parts per thousand with adjustment for conversion to metric measure as per standard conversion rate, adjustment for conversion of US dollars into Indian Rupees as per RBI reference rate declared by Foreign Exchange Dealers Association of India (FEDAI) and addition of transportation, other charges, notional customs duty, stamp duty that may be normally incurred in bringing such Gold from London to the place where it is actually stored and average premium/discount. On days when the LBMA AM rate or the RBI reference rate is not available, the last available rates are considered.</p> <p>The average premium/discount is arrived as a difference of the average of the closing traded prices to the computed NAV of the top 5 Gold ETFs whose cash components are available in the public domain, (identified based on the highest average daily turnover in rupee value terms of the immediate preceding month, computation of which will be done at the end of every calendar month) would be used to arrive at the discount / premium for the day (in US dollar per troy ounce) and will be added to the above to arrive at the value of the landed price of Physical Gold. Valuation computed by ICRA Management Consulting Services Ltd will be used for computing the premium as per the above methodology. Physical Gold will be valued at the EX-GST price arrived as per the above methodology.</p>

As per Regulation 33(1) of SEBI (Mutual Funds) Regulations, 1996, *Units of a close ended scheme, other than those of an Equity Linked Savings Scheme, launched on or after the commencement of the Securities and Exchange Board of India (Mutual Funds) (Amendment) Regulations, 2009 shall not be repurchased before the end of maturity period of such scheme.*

Thus, in case of death of the sole unit holder or all unitholders (in case of joint holding) in a close ended scheme, the claimant (Le., the *nominee* or *the legal heir*) shall be able to withdraw the investment only after maturity period of the scheme.

However, the transmission of units in favour of the claimant may be completed before the maturity date of the scheme, provided the claimant is otherwise eligible to hold the Units under the respective scheme and has completed the KYC process etc. If the claimant desires to redeem the investment held by the deceased unit holder in the scheme before the maturity date, he/she may be advised to -

Pursuant to SEBI Circular no. CIR/MD/DF/10/2010 dated August 18, 2010 it is clarified that, in order to facilitate transferability of units held in one demat account to another demat account, units of CRMF schemes (other than open ended ELSS scheme) held in demat form shall be freely transferable.

Clarification:

It is clarified that PAN card copy or another proof of identity of claimant/s is not required separately if KYC acknowledgement issued by CVL is made available.

Where the units are to be transmitted to a claimant who is a minor, various documents like KYC, PAN, Bank details, indemnity should be of the guardian of the nominee.

The Fund may carry out stock/securities lending activity under any of its Schemes, in order to augment its income. Stock/securities lending may involve the risk of default such as loss, bankruptcy etc. on part of the borrower. However, this is unlikely to happen if the stock/securities lending is carried out for stocks/securities which are in dematerialised form and through an authorised stock/securities lending Scheme, subject to appropriate regulations. The Investment Manager perceives such situations to be exceptional in nature. Although the Stock Market in India is still developing, considering the good demand for listed/quoted Equity Shares of reputed companies, the Scheme(s) may choose to meet repurchase needs through temporary borrowings, within the permissible limits.

Inter-Scheme Transfer of Investments:

Transfers of investments from one scheme to another scheme of the same Mutual Fund shall be allowed only if:

- a) such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a stock exchange for the spot transaction); and transfers of unquoted securities will be made as per the policy laid down by the Trustee from time to time; and
- b) the securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.
