INVESTMENT PHILOSOPHY

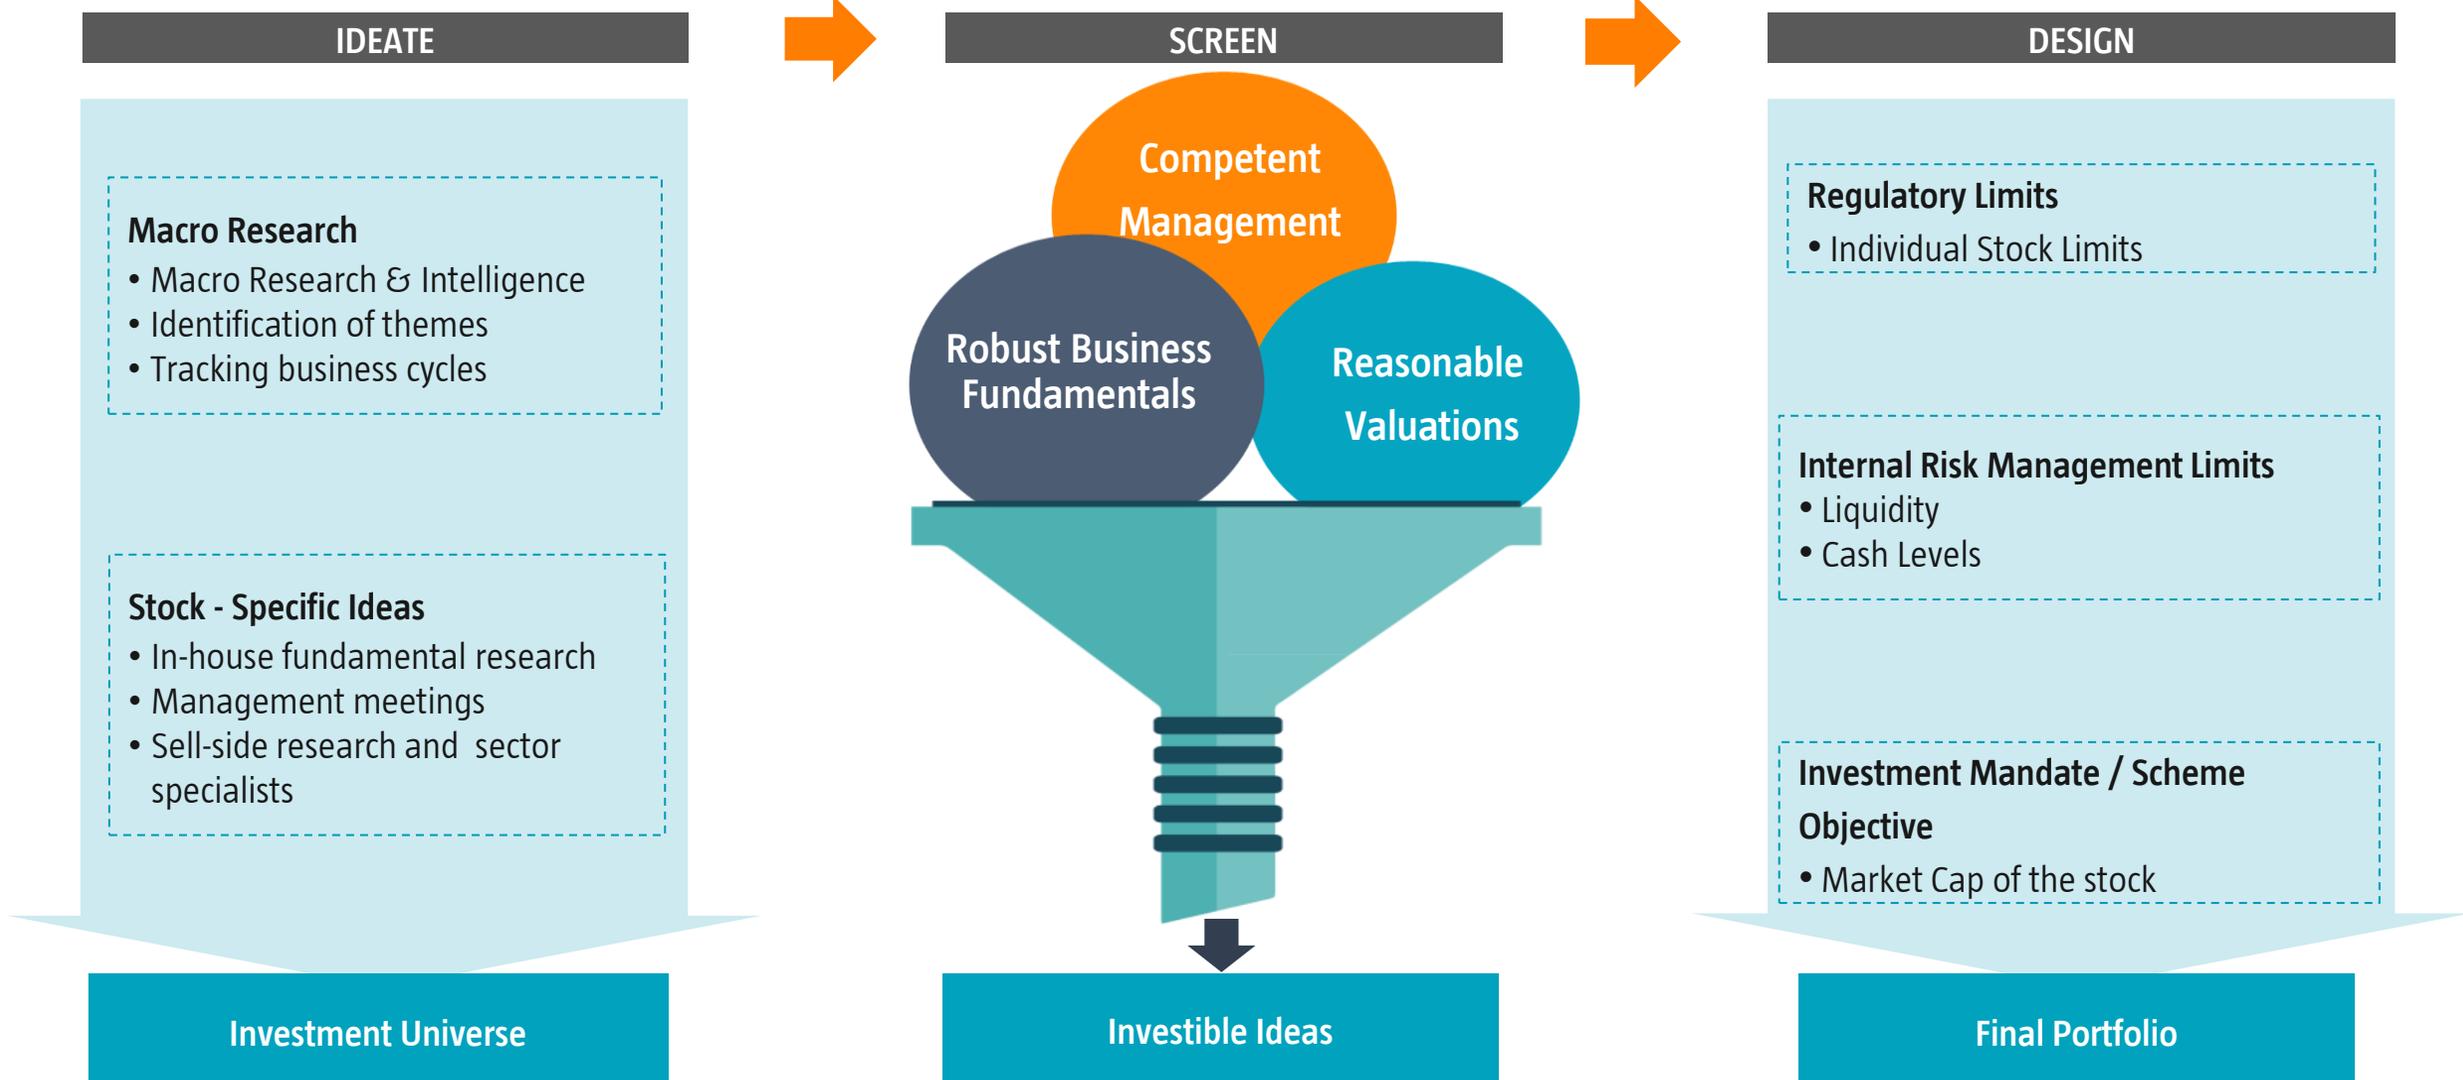

Investment Philosophy

We believe it is companies and not stocks that create wealth

Investment Objective

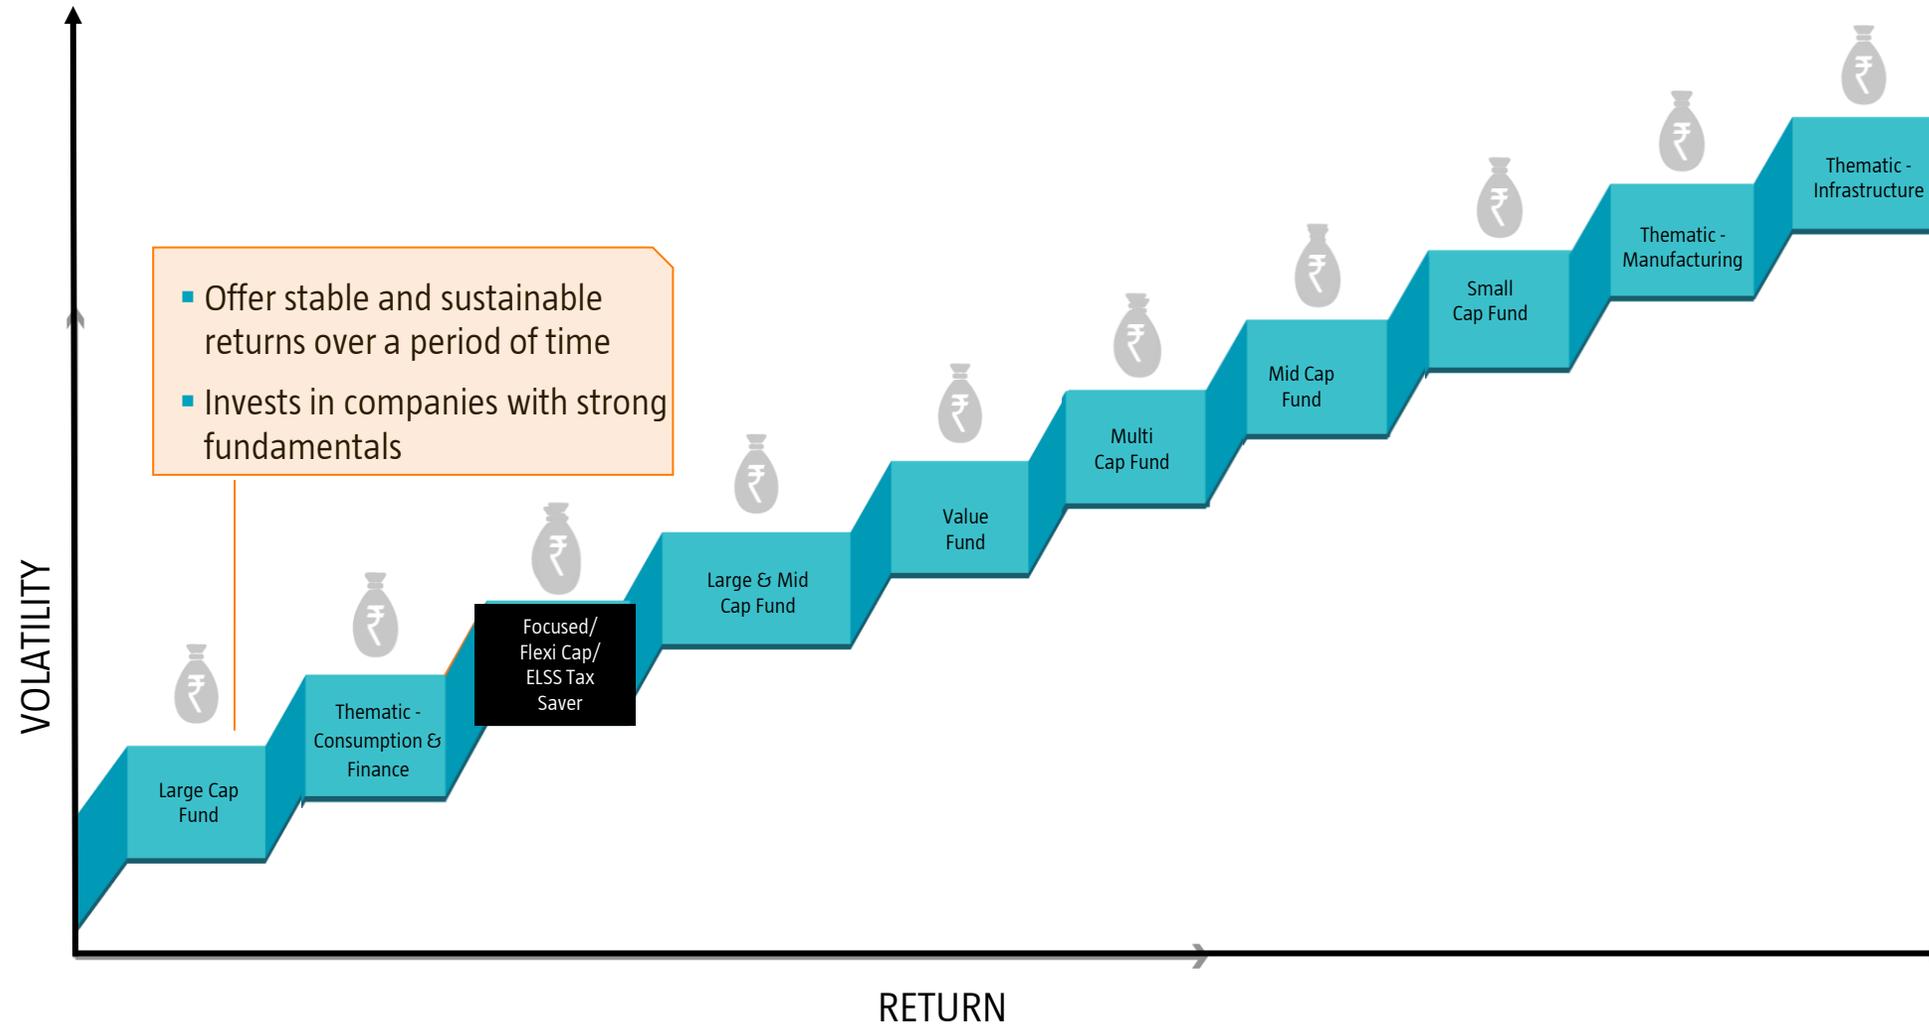

Invest in robust growth-oriented businesses with competent management at reasonable valuations

INVESTMENT PROCESS

Note: The above is only for general understanding purposes and should not be construed as CRAMC investment policy or process of portfolio construction.

RISK-REWARD MATRIX

Stringent Risk management is the Key

Risk control process to manage risks through various tools such as stock limit and sector limit; to ensure that the portfolio liquidity is maintained without compromising on the return

We believe that optimal diversification would help achieve the desired level of consistency in return

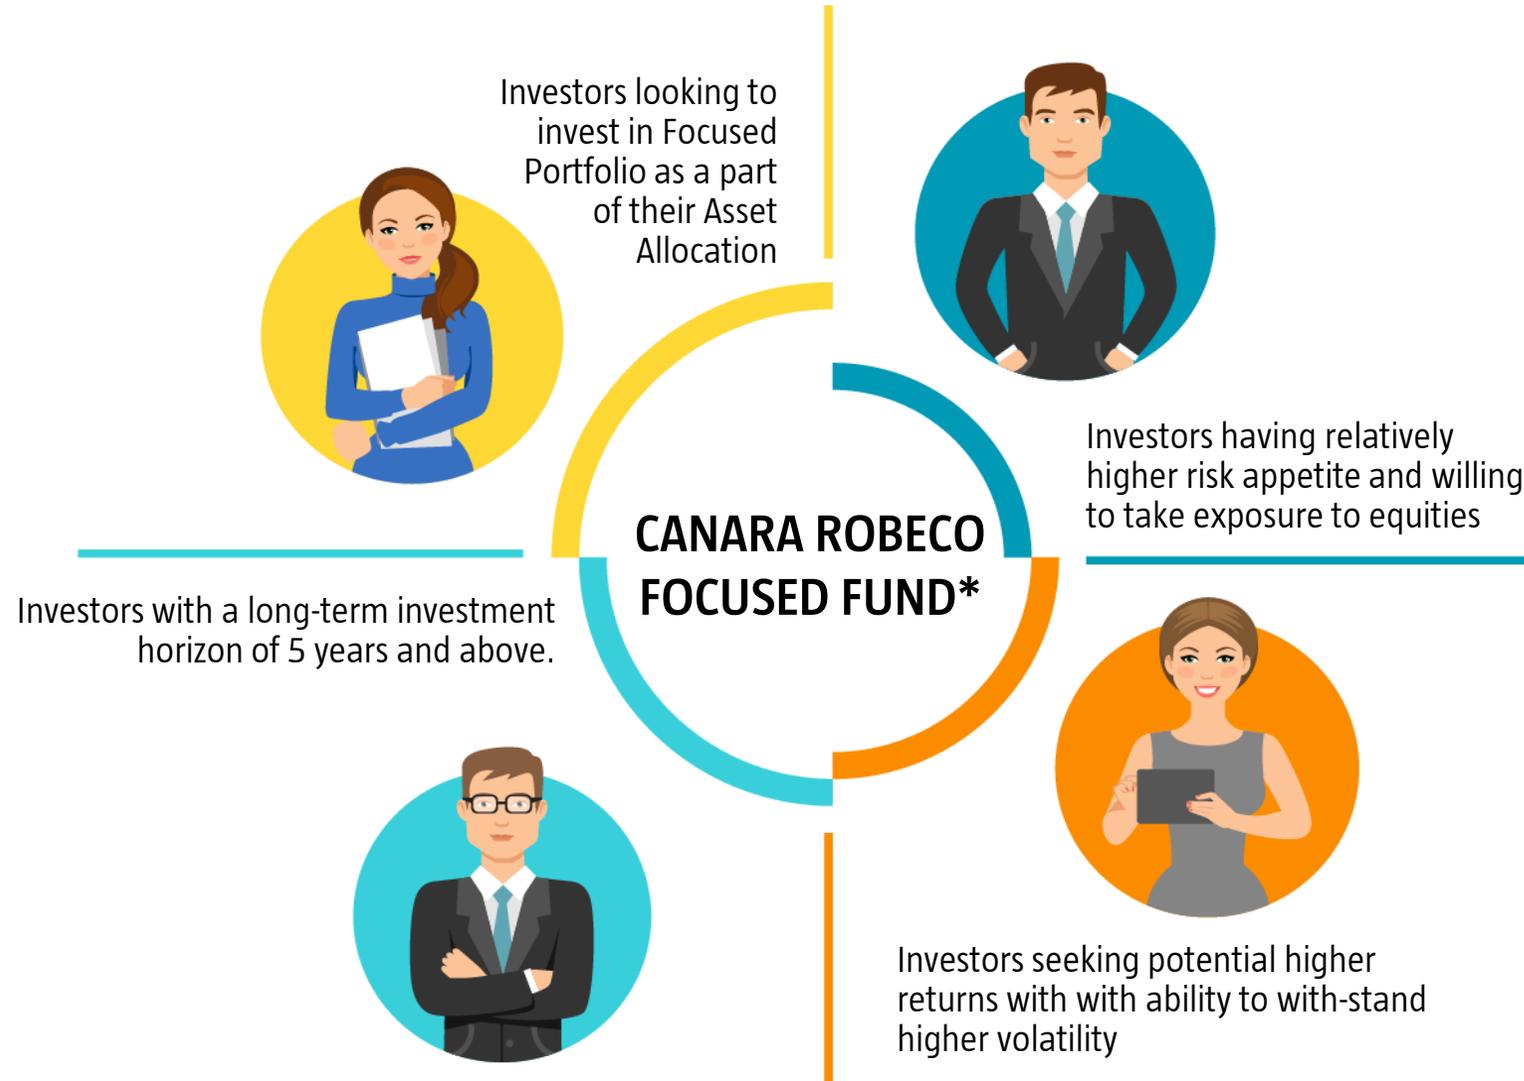

Our aim is to identify securities, which offer favourable risk adjusted returns

With the aim of controlling risks, the investment team will carry out rigorous in-depth analysis of the securities proposed to be invested in – ongoing monitoring

Who should Invest in this fund?
